Ordinance 19231

Proposed No. 2020-0294.2

Sponsors Balducci

1 AN ORDINANCE authorizing the vacation of a portion of
 2 S.A. Nelson Road, File V-2726; Petitioners: Gary
 3 Habenicht and Richard and Wendy Melewski.

4 **STATEMENT OF FACTS:**

- 5 1. A petition has been filed requesting vacation of a portion of S.A.
 6 Nelson Road, hereinafter described.
- 7 2. The department of local services notified utility companies serving the
 8 area and King County departments of the proposed vacation and has been
 9 advised that no easements are required over the vacation area. The
 10 vacation does not extinguish the rights of any utility company to any
 11 existing easements for facilities or equipment within the vacation area.
- 12 3. The department of local services' records indicate that this segment of
 13 right of way is unopened and unmaintained.
- 14 4. The department of local services considers the subject portion of right
 15 of way useless as part of the county road system and believes the public
 16 would benefit by the return of this segment of right of way to the public
 17 tax rolls and recommends approval of the vacation and recommends
 18 vacation without requiring compensation.
- 19 5. Due notice was given in the manner provided by law. The office of the

Ordinance 19231

20 hearing examiner held the public hearing on December 17, 2020.

21 6. As detailed in the December 29, 2020, recommendation, the hearing
22 examiner found that the road segment subject to this petition is not useful
23 as part of the King County road system. The examiner concluded that
24 vacation of this segment will benefit the public both through avoided
25 management and maintenance costs, jettisoned liability risk, and added
26 property taxes, and also through clearing up cloudy county interests. And
27 the examiner recommended that the council approve the vacation with no
28 additional monetary compensation from petitioners.

29 7. In consideration of the benefits to be derived from the subject vacation,
30 the council has determined that it is in the best interest of the citizens of
31 King County to grant said petition, without requiring compensation.

32 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

33 SECTION 1. The council, on the effective date of this ordinance, hereby vacates
34 and abandons a portion S.A. Nelson Road right of way as described below:

FINDINGS AND CONCLUSIONS:

Overview

1. Gary Habenicht and Richard and Wendy Melewski petition the County to vacate an approximately 32,717 square foot stretch of public right-of-way in Ravensdale. The Department of Local Services, Road Services Division (Roads), urges vacation and a waiver of all compensation. We conducted the public hearing on behalf of the Council. After hearing witness testimony, studying the exhibits entered into evidence, and

considering the parties' arguments and the relevant law, we **strongly recommend that Council grant the petition and not require compensation.**

Background

2. Except as noted below, we adopt and incorporate the facts set forth in Roads' report and in proposed ordinance no. 2020-0294. That report, along with a map showing the area to be vacated, and a close-up survey, are in the hearing record and will be attached to the copies of our recommendation submitted to Council. Ex. 1 at 1-7; Ex. 21 at 005-06.
3. Chapter RCW 36.87 sets the general framework for county road vacations, augmented by KCC chapter 14.40. There are at least four somewhat interrelated inquiries. The first two relate to whether vacation is warranted: is the road useless to the road system and would vacation benefit the public? If the answers to these are both yes, the third and fourth relate to compensation: what is the appraised (or perhaps assessed) value of the right-of-way, and how should this number be adjusted to capture avoided County costs?
4. A petitioner has the burden to show that the "road is useless as part of the county road system and that the public will be benefitted by its vacation and abandonment." RCW 36.87.020. "A county right of way may be considered useless if it is not necessary to serve an essential role in the public road network or if it would better serve the public interest in private ownership." KCC 14.40.0102.B. While denial is mandatory ("*shall not*" vacate) where a petitioner fails to make that showing, approval is discretionary where a petitioner shows uselessness and public benefit ("*may vacate*"). RCW 36.87.060(1) (emphasis added).

Is Vacation Warranted?

5. The subject right-of-way segment is not currently opened, constructed, or maintained for public use, and it is not known to be used informally for access to any property. Vacation would have no adverse effect on the provision of access and fire and emergency services to the abutting properties and surrounding area. The right-of-way is not necessary for the present or future public road system for travel or utilities purposes. The road is useless to the county road system.
6. The public will benefit from its vacation. As discussed below, the County gains in avoided management and maintenance costs, jettisoned liability risk, and added property taxes. More importantly, vacation here would clear up confusion over the extent of County interests. A little background is in order.

7. The County was deeded the south half of S.A. Nelson Road in 1922. Ex. 21 at 005-06 (single-hatched, dark red area); Ex. 1 at 002. Petitioners are obtaining from the County what is clearly public right-of-way, just like in most vacations. Vacation of the southern half is straightforward.
8. The north half of Nelson is more convoluted. Ex. 21 at 005-06 (cross-hatched, orange area). It appears in some documents as County right-of-way, but Roads' review indicates the County does not have a property interest in the north half of Nelson. Clearing up what Roads aptly deemed its "shadow" interest, and avoiding future confusion, are public benefits. In fact, Mr. Habenicht did not request the north half; the County asked him to add it to his petition to tidy things up. Ex. 13 at 005; Ex. 14 at 001.
9. Compounding the problem is that Nelson veers slightly off the county-maintained SE 256th Street, but runs mostly parallel. That has led to more confusion about the precise extent of 256th, exacerbated still further by historic survey discrepancies, including two reported section corners separated by a gap and surveys conflating Nelson and 256th. Ex. 8 at 003 (top left circle showing north portion of Nelson as 256th "established," along with dual section corners in the bottom right). Clarifying the full extent of 256th creates additional public benefits. *See also* Ex. 23 at 004 (clearly excepting out a 30-foot strip of land for 256th as currently constructed and maintained from the vacation).
10. Vacation here is in the public interest.

What Compensation is Due?

11. As to the southern half of Nelson:
 - Vacation adds about \$3000 of value to the Melewski property (8847400085). Applying the Office of Performance, Strategy and Budget's (PSB's) updated model, the County's expected gains in avoided management and maintenance costs, jettisoned liability risk, and added property taxes is \$4115. Ex. 17.
 - Similarly, vacation adds \$1000 of value to Habenicht parcel 8847400167, but gains the County an expected \$3116. Ex. 18.

Thus, vacation produces a slight County financial benefit for these two parcels, warranting a full compensation waiver.

12. As to the northern half of Nelson, vacation adds \$8000 to Habenicht parcel 2422069118's value, against County gains of \$4096. This would seem to leave a net County loss of \$3747, and thus a requirement for compensation. Ex. 19. However, compensation seems inappropriate here for two reasons.
 - As noted above, this was not an area Mr. Habenicht sought to obtain. Rather, the County requested that he add it to the petition to clear up title confusion. Charging him for a strip he agreed to take at the County's behest seems problematic.

- As noted above, the County appears not own any interest in this area. Using the example of traditional property transfers, while one could analogize vacating the southern half of Nelson to the County selling a warranty deed, the analogy for the north half would be only a quitclaim deed—the County probably does not have anything to sell, and it is simply relinquishing any claim it might have.

Thus, a full compensation waiver is warranted for parcel 2422069118.

RECOMMENDATION:

APPROVE proposed ordinance no. 2020-0294 to vacate the subject road right-of-way and waive the compensation requirement.

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD), and providing copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation. Please consult KCC 20.22.230 for exact requirements.

Prior to the close of business (4:30 p.m.) on **January 22, 2021**, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if the Clerk does not actually receive the fee and the appeal statement within the applicable time period.

Unless the appeal requirements of KCC 20.22.230 are met, the Clerk of the Council will place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner's recommended action.

If the appeal requirements of KCC 20.22.230 are met, the Examiner will notify parties and interested persons and will provide information about "next steps."
