## Signature Report

April 5, 2010

### Ordinance 16789

Proposed No. 2010-0066.1

Sponsors Phillips

1 AN ORDINANCE relating to road fees; setting the  
2 mitigation payment system program project list and  
3 providing for an updated road mitigation payment system  
4 (MPS) fee schedule to reflect the termination of the  
5 reciprocal interlocal agreement with the city of Issaquah;  
6 amending Ordinance 11617, Section 43 and Attachment B,  
7 as amended, and K.C.C. 14.75.040 and Ordinance 11617,  
8 Section 49, as amended, and K.C.C. 14.75.100.

9 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

10 SECTION 1. Ordinance 11617, Section 43 and Attachment B, as amended, and  
11 K.C.C. 14.75.040 are each hereby amended to read as follows:

12 A. Fee schedules stating the amount of the MPS fee which residential  
13 development shall pay for development subject to MPS fees are set forth in ~~((K.C.C.~~  
14 ~~14.75.040 F.))~~ subsection E. of this section as described in ~~((K.C.C. 14.75.040))~~  
15 subsection D. ((and E.)) of this section. Subsequent fee schedules shall be established  
16 ~~((pursuant to))~~ in accordance with K.C.C. 14.75.050. All other development shall pay an  
17 MPS fee individually calculated by the department, as set forth in K.C.C. 14.75.050\_B.  
18 The MPS administrative fee, which all developers shall pay, is set forth in K.C.C.  
19 14.75.080 and 14.75.090.

20 B. For purposes of this chapter, the county is divided into service districts as set  
 21 forth in Attachment A to Ordinance 13696. In each service district, similar types of  
 22 residential development shall pay the same MPS fee, unless the amount of the fee is  
 23 altered because:

24 1. Unusual circumstances exist and the department adjusts the amount of the fee  
 25 as provided in ~~((K.C.C. 14.75.040))~~ subsection C. of this section; or

26 2. The developer submits studies or data showing that the fee as set forth in the  
 27 applicable schedule or as calculated by the department is in error, as provided in K.C.C.  
 28 14.75.150.

29 C. The department may adjust the standard impact fee as set forth in the fee  
 30 schedules at the time the fee is imposed to consider unusual circumstances in specific  
 31 cases to ensure that MPS fees are imposed fairly. The department shall set forth its  
 32 reasons for adjusting the standard MPS fee in written findings.

33 D. ~~((The fee schedule in K.C.C. 14.75.040F for residential dwelling units is  
 34 effective October 28, 2002.~~

35 E.)) The multifamily residential fee shall be determined based on the appropriate  
 36 single family fee shown ~~((K.C.C. 14.75.040F))~~ in subsection E. of this section multiplied  
 37 by 0.6. The residential MPS fee for any unincorporated area not within a zone listed on  
 38 the King County residential fee schedule shall be one hundred eighty-nine dollars.

39 ~~((F.))~~ E. King County residential fee schedule.

99 Any unincorporated residential fee not otherwise listed in this subsection ((F)) E. is \$189.

100 SECTION 2. Ordinance 11617, Section 49, as amended, and K.C.C. 14.75.100

101 are each hereby amended to read as follows:

102 A. In conjunction with the department's review and update of the Transportation  
103 Needs Report ("TNR"), or its successor, element of the King County Comprehensive

104 Plan the department shall do the following:

105 1. Identify each project that is growth-related and the proportion of each such  
106 project that is growth-related;

107 2. Forecast the total money available from taxes and other public sources for  
108 road improvements over the ((multi-year)) multiyear program((-));

109 3. Calculate the amount of MPS fees already paid; and

110 4. Identify those MPS projects that have been or are being built but whose  
111 performance capacity has not been fully utilized.

112 B. The department shall use this information to prepare a draft MPS project list,  
113 which shall comprise:

114 1. The projects in the TNR, or its successor, in order of priority, that are growth-  
115 related and that are capable of being funded with the forecast public money and the MPS  
116 fees already paid; and

117 2. The MPS projects already built or funded under this chapter whose  
118 performance capacity has not been fully utilized.

119 C. The council shall by ordinance establish the MPS project list by adopting, with  
120 or without modification, the department's draft list.

121 D. Once a project is placed on the MPS project list, a fee shall be imposed on  
 122 every development that impacts the project until the project is removed from the list by  
 123 one of the following means:

124 1. The council by ordinance removes the project from the MPS project list, in  
 125 which case the fees already collected will be refunded if necessary to ensure that the MPS  
 126 fee remains reasonably related to the traffic impacts of development that have paid an  
 127 MPS fee. However, a refund shall not be necessary if the council transfers the fees to the  
 128 budget of another project that the council determines will mitigate essentially the same  
 129 traffic impacts; or

130 2. The capacity created by the project has been fully utilized, in which case the  
 131 department shall administratively remove the project from the MPS project list.

132 E. The MPS project list in this subsection E, shall be used by the department of  
 133 transportation in preparing the mitigation payment system program fee schedules and in  
 134 calculating mitigation payment system program fees.
