1 AN ORDINANCE related to COVID-19; making a  
 2 supplemental appropriation of \$127,793,000 to several  
 3 general fund agencies; making a supplemental  
 4 appropriation of \$470,001,000 to several non-general fund  
 5 agencies; making a supplemental appropriation of  
 6 \$34,317,000 to a capital improvement fund; amending the  
 7 2021-2022 Biennial Budget Ordinance, Ordinance 19210,  
 8 Sections 18, 19, 19, 20, 20, 23, 25, 30, 31, 32, 34, 46, 48,  
 9 51, 60, 63, 70, 71, 81, 81, 84, 87, 89, 89, 100, 102, 106,  
 10 115, 119, 121 and 129, as amended, and Attachment A, as  
 11 amended, and adding a new section to Ordinance 19210;  
 12 and declaring an emergency.

13 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

14 SECTION 1. Findings:

15 A. On February 29, 2020, the Governor of Washington state declared a state of  
 16 emergency in all counties in Washington and directed that the plans and procedures of the  
 17 Washington State Comprehensive Emergency Management Plan be implemented as a  
 18 result of coronavirus disease 2019 ("COVID-19").

19 B. COVID-19 is a respiratory disease that can result in serious illness or death

Ordinance 19289

20 and can easily spread from person to person. The World Health Organization has  
21 classified COVID-19 as a pandemic.

22 C. On March 1, 2020, King County executive Dow Constantine signed a  
23 proclamation of emergency enabling "extraordinary measures" to respond to the COVID-  
24 19 outbreak. On March 3, 2020, the council passed Motion 15610, affirming the  
25 executive's proclamation of emergency.

26 D. On March 23, 2020, as a result of the continued worldwide spread of COVID-  
27 19, its significant progression in Washington state, and the high risk it posed to our most  
28 vulnerable populations, the Governor issued a "Stay Home - Stay Healthy" order  
29 prohibiting, with limited exceptions, all people in Washington state from leaving their  
30 homes or participating in social, spiritual and recreational gatherings of any kind  
31 regardless of the number of participants, and required all nonessential businesses in  
32 Washington state to cease operations except for performing basic minimal operations.  
33 The order was extended twice, with the last extension expiring May 31, 2020.

34 E. On May 31, 2020, the Governor reiterated that a state of emergency continued  
35 to exist but amended the "Stay Home - Stay Healthy" proclamation and renamed it the  
36 "Safe Start - Stay Healthy" proclamation. The Governor ordered that, except as provided  
37 in the phased county reopening plan, all other provisions of the state of emergency  
38 remained in force.

39 F. On June 5, 2020, King County entered Modified Phase 1 of the Safe Start  
40 Plan. Then, on June 19, 2020, King County entered Phase 2 of the Safe Start Plan.

41 G. On July 28, 2020, the Governor paused counties progressing in the reopening  
42 phases under the state's Safe Start Plan due to continued rise of cases and spread of

Ordinance 19289

43 COVID-19 statewide.

44 H. On November 15, 2020, in response to a doubling of statewide COVID-19  
45 cases between late October and mid-November 2020, the Governor imposed new  
46 restrictions on, among other things, indoor gatherings, dining and fitness. The Governor  
47 originally ordered those restrictions to remain in place through December 14, 2020,  
48 before extending the restrictions twice to apply through January 11, 2021.

49 I. On December 11, 2020, the U.S. Food and Drug Administration issued the first  
50 emergency use authorization for a vaccine to prevent COVID-19, which allowed the  
51 vaccine to be distributed in the United States. Days later, the first doses of the COVID-  
52 19 vaccine arrived in King County, which were administered to front-line healthcare  
53 workers. As of May 3, 2021, the county's vaccination efforts have resulted in the  
54 administration of approximately 1,225,000 doses of COVID-19 vaccine.

55 J. On January 5, 2021, the Governor announced "Healthy Washington - Roadmap  
56 to Recovery," a COVID-19 phased recovery plan. Under this plan, a region in the state  
57 may move into a new phase, forward or backward, depending upon whether metrics  
58 measuring the region's community disease levels and health system capacity meet state  
59 Department of Health criteria.

60 K. On March 22, 2021, the Puget Sound region, including King County, moved  
61 to Phase 3 of the plan, which permits indoor dining, retail, fitness and worship services at  
62 fifty percent capacity, as well as at-home social gatherings limited in size. King County  
63 currently has a COVID-19 transmission rate of 242.3 newly diagnosed cases per 100,000  
64 residents, based on county data for the two weeks ending April 25, 2021, and 6.5 newly  
65 hospitalized cases per 100,000 residents, based on county data for the one week ending

Ordinance 19289

---

66 April 25, 2021. These rates indicate the county's need to revert to Phase 2, however, on  
67 May 4, 2021, the Governor announced a two-week pause on movement in the COVID-19  
68 phased recovery plan to keep the county remaining in Phase 3 until further notice. Public  
69 Health - Seattle & King County is encouraging county residents to stay as vigilant as ever  
70 as the county faces more contagious COVID-19 variants.

71 L. As further described in this section, COVID-19 and the related preventative  
72 measures necessitated by the pandemic, including those outlined in the executive orders  
73 summarized in subsections A. through K. of this section, have caused and continue to  
74 cause extraordinary, unprecedented and devastating economic effects in King County and  
75 throughout Washington.

76 M. The federal government has provided the following relief in response to the  
77 COVID-19 pandemic:

78 1. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act  
79 ("the CARES Act"), a \$2.2 trillion federal stimulus package, became law. The CARES  
80 Act provides relief to state and local governments through a variety of federal agencies  
81 and programs. Some of these relief programs apply to the county, and the county has  
82 used the moneys provided by these programs to either pay or reimburse, or both pay and  
83 reimburse, the county for necessary expenditures incurred due to the COVID-19  
84 pandemic, including expenses preparing for, responding to, mitigating impact of and  
85 preventing COVID-19.

86 2. On December 27, 2020, the Coronavirus Response and Relief Supplemental  
87 Appropriations Act ("CRRSAA") within the 2021 Consolidated Appropriations Act  
88 ("CAA"), which provided an additional \$900 billion in federal stimulus, became law.

Ordinance 19289

---

89 CRRSAA funding programs include Federal Transit Administration transit infrastructure  
90 grants, the U.S. Department of the Treasury's Emergency Rental Assistance Program, and  
91 the Department of Health and Human Services Public Health and Social Services  
92 Emergency Fund. Several county departments are eligible to either receive or administer,  
93 or both, those moneys, which recipients may use to pay for, or to reimburse, expenses  
94 related to the ongoing COVID-19 health emergency. As part of CRRSAA, the U.S.  
95 Department of the Treasury awarded the county Emergency Rental Assistance moneys.  
96 Not less than ninety percent of awarded moneys must be used for direct financial  
97 assistance, including rent, rental arrears, utilities and home energy costs arrears, and other  
98 expenses related to housing. Remaining moneys are available for housing stability  
99 services, including case management and other services intended to keep households  
100 stably housed, and administrative costs. Moneys generally expire December 31, 2021.  
101 CAA also extended the use of the CARES Act's Department of Treasury's Coronavirus  
102 Relief Fund to December 31, 2021.

103           3. On March 11, 2021, the American Rescue Plan Act of 2021 ("the ARP Act"),  
104 a \$1.9 trillion federal relief package, became law. The ARP Act provides relief to state  
105 and local governments, including the county, through a variety of federal agencies and  
106 programs. Under Section 9901 of the APR Act, a new Section 603 is added to Title VI of  
107 the Social Security Act to provide the Coronavirus Local Fiscal Recovery Fund  
108 ("CLFRF") to mitigate the fiscal effects stemming from the pandemic with respect to  
109 COVID-19. The county will receive a direct allocation of CLFRF moneys. As provided  
110 for under Section 9901, CLFRF moneys must be used: to respond to the COVID-19  
111 pandemic or its negative economic impacts, including assistance to households, small

112 businesses and nonprofit organizations, or aid to impacted industries such as tourism,  
113 travel and hospitality; to respond to workers performing essential work during the  
114 COVID-19 pandemic by providing premium pay to eligible county workers who are  
115 performing that essential work, or by providing grants to eligible employers that have  
116 eligible workers who perform essential work; for the provision of government services to  
117 the extent of the reduction in revenue of such county due to the COVID-19 pandemic  
118 relative to revenues collected in the most-recent full fiscal year of the county prior to the  
119 emergency; or to make necessary investments in water, sewer or broadband  
120 infrastructure.

121 N. In response to the state and county declarations of emergency, as well as  
122 guidance from the local health officer and state Department of Health, the county was  
123 required to and continues to take necessary emergency protective measures to eliminate  
124 or lessen immediate threats to lives, public health and safety. These measures are directly  
125 related to the emergency and include the county's response to mitigate community  
126 transmissions of COVID-19. The actions taken by the county to prevent, prepare for,  
127 mitigate against and respond to the pandemic are reasonable, necessary and prudent given  
128 the county's needs and the information available at the time, and in accordance with  
129 federal regulations and cost principles. Internal policies and procedures, including  
130 procurement guidelines to support the work and expenditures made were followed. All  
131 expenditures made were in carrying out the legal responsibilities of the county.

132 O. As recognized in Ordinance 19191, adopted by the council on November 10,  
133 2020, communities historically disadvantaged by racism, sexism and LGBTQI+  
134 discrimination have suffered disproportionate health and economic impacts from the

Ordinance 19289

---

135 COVID-19 pandemic, and greater challenges to remaining healthy. Subsequent studies  
136 and reporting reaffirm the data cited in that prior ordinance. For instance, the Centers for  
137 Disease Control and Prevention, and public health - Seattle & King County have  
138 continued to report that racial and ethnic minority groups are disproportionately  
139 represented among COVID-19 cases, hospitalizations and deaths.

140 P. The council finds that relief is necessary for every community in the county,  
141 particularly those historically disadvantaged communities, including immigrant and  
142 refugee communities, that are more-adversely impacted by COVID-19 due to continuing  
143 discrimination and the lingering effects of past discrimination. The council further finds  
144 that, for all appropriations included in this ordinance, it is appropriate and necessary for  
145 the county to consider and address strategies, in program implementation and awards or  
146 provider selections, to address those historically disadvantaged communities that have  
147 been disproportionately impacted by inequities and discrimination, in order to respond to  
148 the disproportionate health and economic impacts described in this section. The  
149 strategies should take into account the dire need to provide relief as quickly as possible  
150 during this pandemic and may include, by way of example, recruitment and outreach for  
151 potential subcontractors, grant recipients and other beneficiaries, as well as consideration  
152 of whether individuals and organizations are members of, provide services to or are  
153 located in historically disadvantaged communities in distributing limited benefits to  
154 qualified applicants.

155 Q. The council finds that COVID-19 leave costs as well as payroll costs,  
156 including benefits, for employees that have been substantially dedicated to addressing the  
157 impacts of the COVID-19 public health emergency or who are reassigned to

---

Ordinance 19289

---

158 responsibilities mitigating the impacts of COVID-19, across any and all departments are  
159 a substantially different use from the expected use at the time of original appropriation.  
160 The council further finds that such expenditures are necessary and reasonable for funding  
161 through the federal CLFRF. The council further finds it is therefore appropriate that  
162 COVID-19 leave costs and payroll costs, including benefits, for those employees who  
163 have been reassigned or substantially dedicated to COVID-19 mitigation efforts be paid  
164 from the federal CLFRF, currently held in the grants subfund.

165         R. The council finds that the county's judicial system has been adversely  
166 impacted by the COVID-19 pandemic. The county superior court and district court have  
167 been required to close, relocate or otherwise significantly modify, or any combination  
168 thereof, their regular operations, including court services, trials and other proceedings.  
169 The courts are handling cases and providing other services virtually and/or socially  
170 distanced, including at Meydenbauer Center, to the extent feasible and safe and as  
171 permitted by law. Despite those efforts, criminal, juvenile offender, family, dependency  
172 and guardianship, civil and other cases have been delayed by necessity. Meanwhile, new  
173 cases continue to be filed, resulting in a significant backlog of cases. The superior court,  
174 district court, judicial administration prosecutor's office and public defense have  
175 additional costs to handle increased caseloads, case backlogs due to COVID-19 response  
176 and provide virtual and socially distanced proceedings and services, including operations  
177 at the Meydenbauer Center, modifications to audio and visual facilities in courthouses,  
178 additional and overtime staff and additional communications and interpreter-related  
179 expenses. The council therefore further finds that additional funds to pay for increased  
180 costs related to staff, services and operations in superior court, district court, judicial

---

Ordinance 19289

---

181 administration prosecutor's office and public defense are appropriate to respond to the  
182 COVID-19 pandemic.

183         S. The council finds that the COVID-19 pandemic has intensified the risk of  
184 domestic and sexual violence and increased the need for domestic and sexual violence  
185 services due to, among other things, the impact of stay-at-home orders contributing to  
186 social isolation, separating survivors from their support networks, reducing the time  
187 survivors have away from their abusers and diminishing access to childcare services,  
188 food and education, as well as increased financial stress on families that can lead to  
189 violence. The pandemic also has increased the severity and number of behavioral health  
190 symptoms experienced by people across the county due to far-reaching medical,  
191 economic, social and political consequences. The council therefore also finds that  
192 additional funds for domestic and sexual violence and behavioral health services are  
193 appropriate to respond to the COVID-19 pandemic and its negative economic impacts.  
194 Domestic and sexual violence services may include behavioral health - trauma recovery  
195 services and housing stability services utilizing the Domestic Violence Housing First  
196 model to help domestic and sexual violence survivors address barriers to housing  
197 stability.

198         T. The council finds that decreased access to child care services and the lack or  
199 decrease in in-person learning for children during the COVID-19 pandemic are having  
200 significant and wide-ranging adverse impacts on families, particularly lower income  
201 families and those in historically disadvantaged communities. The council therefore also  
202 finds that additional funds for child care services are appropriate to respond to the  
203 COVID-19 pandemic and its negative economic impacts.

---

Ordinance 19289

---

204 U. The council finds that the COVID-19 pandemic and restrictions on activities  
205 have slowed and, in many cases, prevent new construction projects from moving forward  
206 in the county, resulting in adverse impacts on the construction industry. The emergency  
207 also has resulted in delays in the county's ability to process permit applications and a  
208 backlog in applications as new permits continue to be filed. The council further finds that  
209 providing additional resources to significantly reduce the wait times for county permits  
210 and work through the backlog of applications will allow job-creating projects to begin  
211 construction more quickly and support economic recovery from the COVID-19  
212 pandemic.

213 V. The council finds that the COVID-19 pandemic and its economic impacts  
214 have resulted in decreased levels of health insurance coverage for county residents,  
215 particularly in historically disadvantaged communities that have been especially hard hit  
216 by both the COVID-19 pandemic and the related economic downturn. Lack of insurance  
217 coverage can have substantial health and economic consequences for not only  
218 individuals, but also their families and communities. In January 2021, President Biden  
219 signed an executive order to open up the federal health insurance marketplace through  
220 May 15, 2021, to allow uninsured people to buy a plan and those who want to change  
221 their marketplace coverage can do so. The council further finds that providing funds for  
222 programs to help enroll people in health insurance during this enrollment period is  
223 appropriate to respond to the COVID-19 pandemic and its negative economic impacts.

224 W. The council finds that food insecurity has tripled in the county  
225 since March 2020. The populations most affected by food insecurity are those that  
226 experience health disparities and structural racism and discrimination, including Black,

---

Ordinance 19289

---

227 Latinx, Indigenous and other people of color, immigrants and refugees, LGBTQI+  
228 people, people with disabilities and people who are experiencing homelessness. In  
229 response, community-based, faith-based and cultural organizations began distributing  
230 culturally appropriate food, but there remains a significant unmet need. The council  
231 further finds that these community organizations report a need for additional resources to  
232 meet increased need during this emergency. The council further finds that additional  
233 funds are needed to address food insecurity resulting from the COVID-19 pandemic and  
234 its negative economic impacts, particularly in the provision of culturally appropriate  
235 food.

236 X. The council finds that residents, businesses, nonprofit organizations and other  
237 organizations in the county face barriers in accessing federal, state and local grant  
238 opportunities related to the COVID-19 pandemic, particularly those from historically  
239 disadvantaged communities who may not have previously participated in publicly funded  
240 grant programs due to ongoing discrimination and the lingering effects of past  
241 discrimination. The council therefore also finds that additional funds are appropriate to  
242 provide technical assistance for federal grant opportunities and to increase language  
243 access support to allow equitable access to grant programs.

244 Y. The council finds that race- and ethnic-based discrimination and bias have  
245 increased during the pandemic due to inaccurate and misleading information regarding  
246 about the source of the virus and how it spreads. The council therefore also finds that  
247 additional funds to provide in-language communications on COVID-related issues and  
248 anti-hate and bias response are needed to respond to the COVID-19 pandemic.

249 Z. The council finds that the COVID-19 pandemic has widened disparities in the

---

Ordinance 19289

---

250 workforce and accelerated automation. Health and safety measures forced many  
251 employers to adopt automation, resulting in the loss of entry-level and low-wage jobs like  
252 retail salespersons, cashiers, bartenders and waiters. Those changes have significantly  
253 impacted workers with a high school education or less, older workers, and workers from  
254 historically disadvantaged communities. Disparities that existed before the pandemic,  
255 especially those related to digital skills and reliable internet access, are worsening as  
256 work, education and training programs are digitized. The council further finds that  
257 additional moneys are needed to plan for and implement a strategy to address the future  
258 of work, including training, increasing digital proficiency and access and monitoring and  
259 supporting the overall workforce transition. The council further finds that investment in  
260 industries adversely impacted by the pandemic and its secondary effects is necessary to  
261 ensure those industries recover and to provide new and sustainable job opportunities for  
262 laid off and underemployed people as quickly as possible.

263 AA. The council finds that public use of county parks and other facilities that  
264 allow for social distancing has dramatically increased throughout the COVID-19  
265 pandemic. The council therefore also finds that additional funds for the department of  
266 natural resources and parks are appropriate to respond to the COVID-19 pandemic.

267 BB. The council finds that for the appropriations included in this ordinance the  
268 executive will utilize a comprehensive and detailed cost recovery and funding  
269 optimization framework to inform the best use of the various revenue sources including,  
270 but not limited to, the CARES Act, CRRSAA, the ARP Act, the Federal Emergency  
271 Management Agency, state funding and local funding. This includes applying strategic  
272 consideration on the flexibility of funding source, documentation, and administrative

---

273 effort of cost recovery.

274 CC. The council has authority to enact an emergency appropriation ordinance as  
275 set forth in Section 470.20 of the King County Charter.

276 SECTION 2. Ordinance 19210, Section 18, as amended, is hereby amended as  
277 follows:

278 OFFICE OF PERFORMANCE, STRATEGY AND BUDGET - From the general  
279 fund there is hereby appropriated to:

280 Office of performance, strategy and budget \$67,150,000

285 of coronavirus disease 2019 as described in Motion 15682. The analysis shall include,  
286 but not be limited to, the health, economic and social impacts of coronavirus disease 2019  
287 and the actions taken by King County leaders and public health - Seattle & King County  
288 to respond to the coronavirus disease 2019 pandemic and limit the spread of the virus.  
289 During contract negotiations, the executive may negotiate access to public health and

297 ER3 EXPENDITURE RESTRICTION:

298 Of this appropriation, \$2,000,000 shall be expended or encumbered solely to  
299 support a gun violence prevention grant program for community-based organizations in

301 ER4 EXPENDITURE RESTRICTION:

302 Of this appropriation, \$20,000,000 shall be expended or encumbered solely for a

304 provide grants to arts, culture, heritage and science organizations that shall include, but  
305 not be limited to, independent live music venues, independent theaters and organizations  
306 that provide facilities for after-school programs. The program shall include, but not be  
307 limited to, the following requirements:

308 A. For grants that shall support projects to prepare facilities for reopening and  
309 financial assistance due to business interruptions from fewer attendees and fewer events  
310 due to the COVID-19 pandemic, grant amounts shall be based on the number of attendees  
311 and number of events during pre-COVID-19 pandemic levels compared to estimated  
312 number of attendees of future events and estimated number of future events;

313 B. Grants shall not support projects and financial assistance before the adoption  
314 of this ordinance (Proposed Ordinance 2021-0155);

315 C. The office of performance, strategy and budget shall implement strategies to  
316 ensure that the moneys encumbered in this Expenditure Restriction ER4 are awarded  
317 broadly to as many organizations as feasible and also be available to smaller  
318 organizations that may not have access to or have the resources to apply to state and

324 contract with an organization that serves as a convener with entities located in the city of

325 Seattle's downtown area and provides cleaning, safety, concierge and outreach services

326 throughout the city of Seattle's downtown area. The contract shall support economic

327 recovery activities in response to the COVID-19 pandemic in the city of Seattle's

328 downtown area.

329 P1 PROVIDED THAT:

330 Of this appropriation, \$400,000 shall not be expended or encumbered until the

331 executive transmits a fiscal sustainability plan for 2021 through 2031 for the

332 unincorporated area and a motion that should acknowledge receipt of the plan and a

333 motion acknowledging receipt of the plan is passed by the council. The motion should

334 reference the subject matter, the proviso's ordinance number, ordinance section and

335 proviso number in both the title and body of the motion.

336 The plan shall include, but not be limited to, the following:

337 A.1. A description and identification of all local services currently provided and

338 expected to be provided in 2021 through 2031 by the county in the unincorporated areas;

339 and

340 2. Analyses and recommendations of the appropriate levels of service from

341 2021 through 2031 for each local service identified;

Ordinance 19289

---

342 B.1. A description of existing funding sources and expected revenues from each  
343 funding source from 2021 through 2031 for each local service identified; and

344 2. An evaluation of whether existing and expected revenues from existing  
345 funding sources is sufficient to support the appropriate levels of service from 2021  
346 through 2031 for each local service identified;

347 C. Methods to fill any identified funding gap to achieve the appropriate levels of  
348 service from 2021 through 2031 for each local service identified. The methods shall  
349 ensure that the county has sufficient financial resources to provide the local services  
350 identified in subsections A. and B. of this proviso. Methods to fill the funding gap in the  
351 plan shall include, at a minimum:

Electronic Record and Signature Disclosure		

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
