

WHEREAS, King County's general fund suffers from a structural imbalance between the limited revenue authorities and the growth rate of expenditures, and

WHEREAS, the deepening national recession has resulted in dramatic budget shortfalls at all levels of government across the nation, and

WHEREAS, the dramatic downturn of the economy has magnified the general fund's structural problem as forecast sales tax and interest earnings deteriorate and the cost of providing services increases due to rising inflation, and

WHEREAS, counties currently have a limited number of options to ask local voters for additional resources for specific county services, and

WHEREAS, if King County is going to be able to continue delivering basic government services to our residents, it needs new flexibility and revenue tools from the state, and

WHEREAS, King County is dedicated to exploring with the state new ideas for sustained funding for critical services such as transportation, public safety and public health, and

WHEREAS, the King County council and the King County executive will continue to review legislative developments for possible revisions of King County's 2009 state legislative program;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County council adopts the attached 2009 Legislative Agenda for King

County as King County's highest priorities for action in the 2009 legislative session of the Washington state Legislature.
