6. King County granted the Lakehaven Utility District a franchise on January 10, 2000, to install, operate and maintain a water utility on King County, road right of ways within the district's water service area under Ordinance 13702. The franchise area included the Cashmere Manner property.
7. Under the assignment provisions of Lakehaven Utility District's utility franchise, the consent of the Metropolitan King County Council is required for any assignment of the franchise. No assignment shall be effective unless the assignee accepts all rights, conditions, terms, provisions, and responsibilities contained within the franchise and the surety bonds which the council deems necessary to be posted have been received. Any new or modified terms and conditions of the franchise must be approved by the council.
8. The council has not yet approved the assignment of any rights, conditions, terms, or obligations of Franchise 13702 covering the Cashmere Manor property from Lakehaven Utility District to Highline Water District.
