AN ORDINANCE authorizing the King County executive to enter into a lease renewal for twelve thousand five hundred square feet of space located at 6452 South 144th Street in Tukwila, for the King County radio communications service.

**SECTION 1. Findings:**

A. The King County radio communications service is an enterprise organization within the information and telecommunication services division.

B. The radio communications services facility has been located at 6452 South 144th Street in Tukwila for the past five years. This location is ideal for the radio communications service facility because of its centralized location and operational advantages. The radio communications service group has customers as far

south as Enumclaw and north to Snohomish. The location also has easy access to metro, community transit and sound transit transportation.

C. The rental rate will be: five thousand seven hundred fifty dollars per month for years one and two; five thousand eight hundred sixty five dollars per month for years three and four; and five thousand nine hundred eighty dollars per month for year five. The October 1, 2006, rate represents a two percent increase over the current lease rate, which is a very favorable lease in this current competitive rental market.

D. The lease will commence on October 1, 2006, and end on September 30, 2011. The county has the option of renewing the lease for another five years beginning October 1, 2011.

E. This lease agreement represents no change in the approved staffing, work program, budget or physical location for the King County radio communication service.

F. In accordance with K.C.C. 4.04.040, the King County council may adopt an ordinance permitting the county to enter into contracts requiring the payment of funds from the appropriation of subsequent fiscal years.

SECTION 2. The King County executive is hereby authorized to execute a five-year lease, with an option to renew for an additional five years, in substantially the form attached to this ordinance, at the following location: twelve thousand five hundred square feet located at 6452 South 144th Street in Tukwila. The effective date of this lease is

October 1, 2006. The space will be used by the King County radio communications service.
