In the event of any amendment or waiver of a provision of the Undertaking, the county shall describe such amendment in the next annual report, and shall include, as applicable, a narrative explanation of the reason

for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the county. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a specified event under subsection F.3. of this motion, and (ii) the annual report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

7. Bond Owners' Remedies Under the Undertaking. The right of any Bond owner or beneficial owner of Bonds to enforce the provisions of the Undertaking shall be limited to a right to obtain specific enforcement of the county's obligations hereunder, and any failure by the county to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds. For purposes of the Undertaking, "beneficial owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, including persons holding Bonds through nominees or depositories.
