AN ORDINANCE relating to the 2010 levy of property taxes in King County for collection in the year 2011; and amending Ordinance 16999, Section 1, Ordinance 16999, Section 2, Ordinance 16999, Section 3, and Ordinance 16999,

Section 4.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 16999, Section 1, is hereby amended to read as follows:

The county assessor of King County has certified to the metropolitan King County council that the assessed valuation of the County of King as finally equalized amounts to \$((~~328,927,984,810~~)) 328,630,628,411.

SECTION 2. Ordinance 16999, Section 2, is hereby amended to read as follows:

The metropolitan King County council imposes the levies necessary to fund estimated expenditures for the year 2011 as listed in this section. These amounts do not include the total of estimated revenues from sources other than taxation, including available surplus and such expenditures as are to be net from bond warrant issues. In accordance with state law, the King County assessor calculated a sum for property taxes available to the county related to new construction, improvements to property, refunds and any increase in the assessed value of state assessed property. In calculating the amount of regular property tax moneys needed, the council was cognizant of these sums and they are therefore included in the following levy totals.

SECTION 3. Ordinance 16999, Section 3, is hereby amended to read as follows:

A. The metropolitan King County council imposes the levy necessary to fund estimated expenditures for the year 2011 as listed in this section. This amount does not include the total of estimated revenues from sources other than taxation, including available surplus and such expenditures as are to be net from bond warrant issues. In accordance with state law, the King County assessor calculated a sum for property taxes available to the county related to new construction, improvements to property, refunds and any increase in the assessed value of state assessed property. In calculating the amount of regular property tax moneys needed, the council was cognizant of these sums and they are therefore included in the following levy totals.

<u>FUND</u>	<u>TAX</u>
UNINCORPORATED COUNTY - ROADS	\$86,104,033

B. If the levy amount set forth in subsection A. of this section would cause the combined lawful levies within any levy code area in the county that is located outside of the fire districts that are a party to the Interlocal Levy Agreement dated November 8, 2010, which is Attachment A to this ordinance, to exceed either the constitutional or aggregate levy rate limitations under RCW 84.52.043, or both, the county instead levies this tax for collection in 2011 in an amount equal to the maximum amount which may be levied without causing any reduction to the levy of the flood district due to those levy code areas under RCW 84.52.010, in accordance with the Interlocal Levy Agreement attached to this ordinance.
