A MOTION authorizing the chair of the council to enter into a contract with Granicus for the installation and maintenance of a streaming video management system and a contract amendment with Daystar Computer Systems, Inc., for further customization of the legislative management system approved in Motion 10525.

WHEREAS, there are approximately eight hundred pieces of legislation each year introduced by members of the metropolitan King County council, and

WHEREAS, the council in 2000 purchased a legislative management system from Daystar Computer Systems, Inc. ("Daystar"), which has provided enhanced management and tracking services to the public, the

council, and county staff through the Internet, and

WHEREAS, Daystar has served the county well, providing online public access to the council's business through legistar and legisearch, and

WHEREAS, upon review of the council's current requirements it appears that further customization of the automated legislative management system is necessary to meet the needs of the public, the council and county agencies, and

WHEREAS, a contract amendment for three thousand dollars, which includes installation and maintenance has been negotiated with Daystar, and

WHEREAS, King County Television has been providing a valuable public service through delivery of online streaming video of the council's meetings since 2001, and

WHEREAS, citizens have asked for enhanced streaming video services, including indexing of meetings and other events, and integration of the streaming video with the council's legislative management system, and

WHEREAS, Granicus is a partner with Daystar in providing such streaming video services, and

WHEREAS, council staff has exercised due diligence in identifying Granicus as the most suitable vendor to provide the streaming video services that will integrate with the Daystar legislative management system;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

A. The chair of the metropolitan King County council is authorized to execute an amendment to the contract with Daystar Computer Systems, Inc., in an amount not to exceed three thousand dollars for further customizations to the council's automated legislative management system; and

B. The chair of the metropolitan King County council is authorized to enter into a contract, substantially in the form attached to this motion, in the amount not to exceed

ninety-one thousand dollars with Granicus for the design, installation, training and maintenance of a streaming

video management system.
