

WHEREAS, the county would like to support the city of Burien's priorities in advancing progress for the downtown transit oriented development project, the North East Redevelopment Area Plan and redevelopment of underutilized properties south of the Lora Lake apartments, and

WHEREAS, as part of the memorandum of understanding, King County will purchase two separate undeveloped property parcels in Burien south of the Lora Lake apartments from the Port of Seattle and Seattle City Light, and develop these properties consistent with Burien Comprehensive Plan designation, policies and zoning and compatible with the current use of Lora Lake apartments, and

WHEREAS, as part of the memorandum of understanding, King County intends to provide \$500,000 to the city of Burien to be used for Burien's transit oriented development project and work cooperatively with the city to advance the transit oriented development project as a high priority, and

WHEREAS, significant involvement and support from the state Legislature was also a large part in the negotiations, along with their willingness to advocate for additional state assistance toward housing, economic development and revitalization, and

WHEREAS, all parties involved, including public jurisdictions, advocates and stakeholders, should be commended for their hands-on involvement in the negotiations, financial contributions, collaborative efforts and due diligence work;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The council declares its support for the elements of the memorandum of understanding between the city of Burien, city of Seattle, King County Housing

Authority and the Port of Seattle in addressing the ownership and use of the Lora Lake apartments.
