

WHEREAS, in November 2021, the Bipartisan Infrastructure Bill ("the BIL"), which imposed additional requirements for the development of PTASPs by transit agencies, was signed into law, and

WHEREAS, the King County Metro Transit department, as a transit provider and direct recipient of FTA funding, is required to comply with the requirements in 49 C.F.R. Part 673.11(a)(1) and the BIL, and

WHEREAS, in accordance with 49 C.F.R. Part 673.11(a)(1), the general manager of the King County Metro transit department signed, and the King County council approved by Motion 16329, the King County Metro Agency Safety Plan dated December 2023, and

WHEREAS, consistent with new requirements imposed by the BIL, the King County Metro transit department developed the King County Metro Agency Safety Plan 2024, which updates the King County Metro Agency Safety Plan dated December 2023, and

WHEREAS, in accordance with 49 C.F.R. Part 673.11(a)(1), the King County Metro Public Transportation Agency Safety Plan 2024 has been signed by the King County Metro transit department general manager as the Accountable Executive;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County council hereby approves the King County Metro Public Transportation Agency Safety Plan 2024, which is Attachment A to this motion. The King County executive is requested to transmit a copy of Attachment A to this motion, with a copy of the final, signed Signature Report of this motion attached to Attachment A to this motion as Appendix A, to the Federal Transit Administration.
