Clerk 04/09/2009

A MOTION approving the business case for the department of public health's communicable disease database project.

WHEREAS, The King County council adopted the 2009 Budget Ordinance 16312, Section 92, Proviso P1, requiring that a business case for the communicable disease database project (CIP Project number 377225) receive a positive recommendation from the project review board, and

WHEREAS, the business case received a positive recommendation from the project review board on March 17, 2009, and

WHEREAS, the King County council required further that the business case be approved by a motion by the council;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County council hereby approves the business case for the communicable disease database

project (CIP Project number 377225) and authorizes the

Seattle-King County department of public health to expend local public health funds provided by Washington State 5930 local public health funds.
