Clerk 09/18/2019

A MOTION authorizing a position description for an executive director of the King County Flood Control District.

WHEREAS, chapter 86.15 RCW authorizes the King County council to initiate the creation of special purpose flood control zone districts for the purpose of undertaking, operating, or maintaining flood control projects or storm water control projects, among other powers, and

WHEREAS, in 2007, the county created the King County Flood Control Zone District (the "district"), governed by a board of supervisors (the "board"), and

WHEREAS, up to September 2016, the district was run day-to-day by an employee of the district, its executive director, and

WHEREAS, in June 2016, by Motion FDECM2016-5, the board's executive committee updated the position description for the executive director, and

WHEREAS, in September 2016, the staffing for the district, including the executive director position, was transferred to a flood control district administration unit, established in legislative branch for its employees to exclusively provide support for the King County Flood Control District, and

WHEREAS, in accordance with section 3-035.C. of the council's organizational motion compilation, job descriptions and classifications for employees in the district administrative unit are to be authorized by motion by the council, and

WHEREAS, the flood district executive committee has reviewed the revision to the salary step and range for the executive director position description;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The council authorizes the position description for executive director within the King County Flood Control District administration unit, which is Attachment A to this motion.
