Clerk 04/28/2004

AN ORDINANCE relating to contracting indebtedness; providing for the issuance and sale of limited tax general obligation (public transportation sales tax) bonds of the county in the aggregate principal amount of not to exceed \$50,000,000 for the purpose of financing portions of the Public Transportation Fund Capital Improvement Program of the county; providing for the form, terms, covenants and other provisions of such bonds; establishing funds for the receipt and expenditure of bond proceeds and for the payment of the bonds; providing for the annual levy of taxes to pay the principal thereof and interest thereon; and pledging public transportation sales tax revenues as additional security for the bonds.

PREAMBLE:

The Municipality of Metropolitan Seattle (“Metro”) was created by public vote in 1958 to exercise certain powers conferred by Chapter 35.58 of the Revised Code of Washington (“RCW”). In 1972, pursuant to RCW 35.58.245, the voters approved adding metropolitan public transportation functions to Metro’s powers, and, in accordance with RCW 35.58.240, Metro adopted a comprehensive plan for public transportation for the Seattle metropolitan area, which plan has been amended from time to time (the “Comprehensive Plan”). To provide funds for the operation, maintenance and capital needs of Metro’s public transportation system, Metro levied a sales tax pursuant to RCW 82.14.045 and as approved by the voters at elections held in

1972 and 1980.

Metro issued several series of its limited sales tax general obligation bonds secured by the pledge of the voter-approved sales tax, as authorized RCW 35.58.2721, to finance the acquisition and construction of facilities required to carry out the Comprehensive Plan. RCW 35.58.2721 provides that so long as such sales tax is pledged to outstanding bonds, the legislature may not withdraw the authority to levy and collect the tax.

Pursuant to Resolution No. 4937, a master bond resolution adopted by the Metro Council on June 19, 1986, and subsequent series resolutions for each series of bonds, Metro issued five series of limited sales tax general obligation bonds (the “Sales Tax Bonds”). No Sales Tax Bonds remain outstanding.

Pursuant to Chapter 36.56 RCW and a special county election held November 3, 1992, King County (the “county”) on January 1, 1994, assumed the rights, powers, functions and obligations of Metro, including operation of Metro’s public transportation system (the “Public Transportation System”). The county assumed and agreed to provide for the payment and retirement of outstanding bonds of Metro, including the Sales Tax Bonds, and assumed the authority to levy and collect the sales tax pledged to the payment of the Sales Tax Bonds.

Pursuant to Ordinance No. 13128, the county issued and sold its \$85,715,000 par value Limited Tax General Obligation (Public Transportation Sales Tax) Refunding Bonds, 1998 Series A (the “1998 Bonds”), to provide for the refunding of two then-outstanding series of Sales Tax Bonds. The 1998 Bonds were secured by a junior lien pledge of a portion of the sales tax securing payment of the Sales Tax Bonds. Ordinance No. 13128 also provided that the county would not issue any additional bonds with a lien on sales tax revenue equal to the Sales Tax Bonds, and provided that any further transportation sales tax bonds would be issued on a parity of lien with the 1998 Bonds.

Pursuant to Ordinance No. 14490, the county issued and sold its \$64,285,000 par value Limited Tax General Obligation (Public Transportation Sales Tax) Refunding Bonds, 2002 (the “2002 Bonds”), to provide for the refunding of the last outstanding series of Sales Tax Bonds and to modify the lien position of the 1998 Bonds on sales tax revenue. The 2002 Bonds were issued on a parity of lien with the 1998 Bonds which are now secured by a first lien pledge of the portion of the sales tax that secured payment of the Sales Tax Bonds.

To provide financing to carry out a portion of the Public Transportation Fund Capital Improvement Program (hereinafter defined), the county wishes to authorize the issuance of not to exceed \$50,000,000 principal amount of its limited tax general obligation bonds additionally secured by a pledge of the sales tax levied pursuant to RCW 84.14.045 (the “Bonds”), as provided herein.

It is in the best interest of the county to delegate to the county’s manager of the finance and business operations division authority to provide for the sale of the Bonds by competitive bid or negotiated sale; provided, however, that the aggregate principal amount of the Bonds shall not exceed \$50,000,000. The successful bid or negotiated purchase contract for the Bonds shall be subject to approval by the Metropolitan King County Council, as provided herein.

A. The council finds that it is in the best interest of the county and its taxpayers to issue the Bonds, in accordance with the provisions of Section 19.C. of Ordinance No. 13128, payable out of the Two-tenths Sales Tax Revenues during any fiscal period.

B. The council further finds that the Bonds will be issued on the parity with the 1998 Bonds, having a first lien position on the Two-tenths Sales Tax Revenues.

C. The council further finds and declares that the county is or will be in compliance with the conditions for the issuance of “Additional Subordinate Lien Bonds” (which term was redefined in Ordinance No. 13128 as “Future Parity Bonds”) as set forth in Section 19 of Ordinance No. 13128, which conditions are included in Section 17 of this ordinance.

SECTION 3. Authorization of Bonds. To provide all or a portion of the funds necessary to carry out certain elements of the Public Transportation Fund Capital Improvement Program that are considered to have useful lives of 25 years, the county shall issue the Bonds in an aggregate principal amount to be established as provided in Section 18 hereof and in any event not to exceed \$50,000,000. The Bonds shall be designated as “King County, Washington, Limited Tax General Obligation (Public Transportation Sales Tax) Bonds, [appropriate year and series designation].” The Bonds shall be fully registered as to both principal and interest,

shall be in the denomination of \$5,000 or any integral multiple thereof within a single maturity; shall be numbered separately in such manner and with any additional designation as the Bond Registrar deems necessary for purposes of identification; and shall be dated as of such date and shall mature on the dates, in the years and the amounts established as provided in Section 18 hereof.

The Bonds shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their date or from the most recent interest payment date for which interest has been paid or duly provided for, whichever is later, payable on semiannual interest payment dates and at the rate or rates to be established as provided in Section 18 hereof and ratified and confirmed by the Sale Motion.

SECTION 4. Registration, Exchange and Payments.

A. Registrar/Bond Register. In accordance with KCC 4.84, the county hereby adopts for the Bonds the system of registration specified and approved by the Washington State Finance Committee, which utilizes the fiscal agencies of the State of Washington in either Seattle, Washington, and New York, New York, as registrar, authenticating agent, paying agent and transfer agent (collectively, the “Bond Registrar”). The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Bonds (the “Bond Register”), which shall be open to inspection by the county at all times. The Bond Register shall contain the name and mailing address of the owner of each Bond and the principal amount and number of each of the Bonds held by each owner. The Bond Registrar is authorized, on behalf of the county, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the county’s paying agent for the Bonds and to carry out all of the Bond Registrar’s powers and duties under this ordinance.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar’s Certificate of Authentication on the Bonds. The Bond Registrar may become the Registered Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with

respect to, any committee formed to protect the rights of Registered Owners.

B. Registered Ownership. The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The county and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes, and neither the county nor the Bond Registrar shall be affected by any notice to the contrary. Payment if any such Bond shall be made only as described in Section 4.E hereof, but such registration may be transferred as herein provided. All such payments made as described in Section 4.E shall be valid and shall satisfy and discharge the liability of the county upon such Bond to the extent of the amount or amounts so paid.

C. Use of Depository. The Bonds initially shall be registered in the name of Cede & Co., as the nominee of DTC. The Bonds so registered shall be held in fully immobilized form by DTC as depository in accordance with the provisions of the Letter of Representations. Neither the county nor the Bond Registrar shall have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Bonds regarding accuracy of any records maintained by DTC or DTC participants of any amount in respect of principal of or interest on the Bonds, or any notice which is permitted or required to be given to registered owners hereunder (except such notice as is required to be given by the Bond Registrar to DTC).

For as long as any Bonds are held in fully immobilized form, DTC, its nominee or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder and all references to registered owners, bondowners, bondholders or the like shall mean DTC or its nominee and shall not mean the owners of any beneficial interests in the Bonds. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except: (i) to any successor of DTC or its nominee, if that successor shall be qualified under any applicable laws to provide the services proposed to be provided by it; (ii) to any substitute depository appointed by the Finance Manager or such substitute depository's successor; or (iii) to any person if the Bonds are no longer held in immobilized form.

Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or a determination by the Finance Manager that the county no longer wishes to continue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Finance Manager may appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

If (i) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (ii) the county determines that the Bonds are to be in certificated form, the ownership of Bonds may be transferred to any person as provided herein and the Bonds no longer shall be held in fully immobilized form.

D. Registration Covenant. The county covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

E. Place and Medium of Payment. Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. For so long as all Bonds are in fully immobilized form, payments of principal and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. If the Bonds are no longer in fully immobilized form, interest on the Bonds shall be paid by checks or drafts of the Bond Registrar mailed on the interest payment date to the Registered Owners at the addresses appearing on the Bond Register on the 15th day of the month preceding the interest payment date or, if requested in writing by a Registered Owner of \$1,000,000 or more in principal amount of Bonds prior to the applicable record date, by wire transfer on the interest payment date, and principal of the Bonds shall be payable upon presentation and surrender of the Bonds by the Registered Owners at either of the principal offices of the Bond Registrar at the option of the Registered Owners.

F. Transfer or Exchange of Registered Ownership; Change in Denominations. The registered

ownership of any Bond may be transferred or exchanged, but no transfer of any Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the 15 days preceding any principal payment or redemption date, or, in the case of any proposed redemption of the Bonds, after the mailing of notice of the call of such Bonds for redemption.

SECTION 5. Redemption Provisions; Open Market Purchase of Bonds. The county may reserve the right to redeem outstanding Bonds prior to their maturity on the dates and at the prices established pursuant to the provisions of Section 18 hereof and ratified and confirmed by the Sale Motion. Portions of the principal amount of any Bond, in increments of \$5,000 or any integral multiple thereof within a single maturity, may be redeemed.

If less than all of the Bonds subject to optional redemption are called for redemption, the county shall choose the maturities to be redeemed. If less than a whole of a maturity is called for redemption, the Bonds to be redeemed shall be chosen randomly by the Bond Registrar or, so long as the Bonds are registered in the name of DTC or its nominee, selection of Bonds for redemption shall be in accordance with the Letter of Representations.

If less than all of the principal amount of any Bond is redeemed, upon surrender of that Bond at either

of the principal offices of the Bond Registrar, there shall be issued to the Registered Owner, without charge therefor, a new Bond (or Bonds, at the option of the Registered Owner) of the same maturity and interest rate in any of the denominations authorized by this ordinance in the aggregate principal amount remaining unredeemed.

The county further reserves the right and option to purchase any or all of the Bonds in the open market at any time at any price.

SECTION 6. Notice and Effect of Redemption.

A. Notice of Redemption. Written notice of any redemption of Bonds shall be given by the Registrar on behalf of the county by first-class mail, postage prepaid, not less than 30 nor more than 60 days prior to the date fixed for redemption to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register at the time the Bond Registrar prepares the notice. The Registrar shall provide additional notice of redemption (at least 30 days) to each NRMSIR and SID, if any, in accordance with the ongoing disclosure provisions to be adopted by the Sale Motion. In addition, the redemption notice shall be mailed within the same period, postage prepaid, to Moody's Investors Service, Inc., and Standard & Poor's at their offices in New York, New York, or their successors, and to such other persons and with such additional information as the Finance Manager shall determine, but these additional mailings shall not be a condition precedent to the redemption of Bonds. Notwithstanding the foregoing, for as long as the Bonds are registered in the name of DTC or its nominee, notice of redemption shall be given in accordance with the Letter of Representations.

The requirements of this section shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the owner of any Bond.

Each notice of redemption shall contain the following information: (1) the redemption date, (2) the redemption price, (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the Bonds to be redeemed, (4) that on the redemption date the redemption price will become due and payable upon each Bond or portion called for redemption, and that

interest shall cease to accrue from the redemption date, (5) that the Bonds are to be surrendered for payment at the principal office of the Bond Registrar, (6) the CUSIP numbers of all Bonds being redeemed, (7) the dated date of the Bonds, (8) the rate of interest for each Bond being redeemed, (9) the date of the notice, and (10) any other information needed to identify the Bonds being redeemed.

Interest on Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

SECTION 7. Failure To Redeem Bonds. If any Bond is not redeemed when properly presented at its maturity or call date, the county shall be obligated to pay interest on that Bond at the same rate provided in the Bond from and after its maturity or call date until that Bond, both principal and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Fund and the Bond has been called for payment by giving notice of that call to the Registered Owner of each of those unpaid Bonds.

SECTION 8. Form and Execution of Bonds. The Bonds shall be printed or lithographed on good bond paper in a form consistent with the provisions of this ordinance and state law and shall be signed by the county executive and the clerk of the council, either or both of whose signatures may be manual or in facsimile, and the seal of the county or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a Certificate of Authentication in the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance:

The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered and are entitled to the benefits of this ordinance.

If any officer whose facsimile signature appears on the Bonds ceases to be an officer of the county authorized to sign bonds before the Bonds bearing his or her facsimile signature are authenticated or delivered by the Bond Registrar or issued by the county, those Bonds nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the county as though that person had continued to be an officer of the county authorized to sign bonds. Any Bond also may be signed on behalf of the county by any person who, on the actual date of signing of the Bond, is an officer of the county authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bonds.

SECTION 9. Mutilated, Lost or Destroyed Bonds. If any Bond shall become mutilated, the Bond Registrar shall authenticate and deliver a new Bond of like amount, date, interest rate and tenor in exchange and substitution for the Bond so mutilated, upon the owner's paying the expenses and charges of the county and the Bond Registrar in connection therewith and upon surrender to the Bond Registrar of the Bond so mutilated. Every mutilated Bond so surrendered shall be canceled and destroyed by the Bond Registrar.

In case the Bonds or any of them shall be lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond or Bonds of like amount, date, interest rate and tenor to the Registered Owner thereof upon the owner's paying the expenses and charges of the county and the Bond Registrar in connection therewith and upon his/her filing with the Bond Registrar evidence satisfactory to the Bond Registrar that such Bond or Bonds were actually lost, stolen or destroyed and of his/her ownership thereof, and upon furnishing the

county and the Bond Registrar with indemnity satisfactory to the Finance Manager and the Bond Registrar.

SECTION 10. Bond Fund.

A. Bond Fund and Accounts Therein. The Bond Fund has heretofore been created as a special fund of the county known as the “Limited Tax General Obligation (Public Transportation Sales Tax) Bond Redemption Fund,” consisting of three accounts: the Interest Account, the Serial Bond Principal Account and the Term Bond Principal Account. The Bond Fund shall at all times be completely segregated and set apart from all other funds and accounts of the County and shall be a trust fund for the security and payment of the principal of and interest and any premium on the Parity Bonds that are also limited tax general obligations of the county (as used in this section, “General and Parity Bonds”). Except as provided in subsection D of this Section 10, all money credited to the Bond Fund is pledged and ordered to be used for the sole purpose of paying the principal of and interest and any premium on the Bonds and other Parity Bonds.

B. Two-Tenths Sales Tax Revenues. On the same business day that any Two-tenths Sale Tax Revenues are received by the county and deposited into the Receiving Fund, in accordance with Section 11.B hereof, the Finance Manager shall cause the following amounts to be deposited into accounts within the Bond Fund, as follows:

(i) Interest Account. To the extent available in the Receiving Fund, there shall be deposited into the Interest Account an amount that, together with assessment income and other money available in the Interest Account, equals the total amount of interest due and payable on the Parity Bonds in the next succeeding six calendar months.

(ii) Serial Bond Principal Account. To the extent available in the Receiving Fund, there shall be deposited into the Serial Bond Principal Account an amount that, together with Assessment Income and other money available in the Serial Bond Principal Account, equals the total amount of principal due and payable on the Parity Bonds in the next succeeding twelve calendar months.

deposited into the Term Bond Principal Account an amount that, together with Assessment Income and other money available in the Term Bond Principal Account, equals the total amount necessary to make any payments required in the next succeeding twelve calendar months to retire by purchase or by redemption any Parity Bonds that are Term Bonds.

C. Payments to the Bond Registrar; Investments. Money on deposit in the Bond Fund shall be transmitted to the Bond Registrar at such times and in such amounts as shall be necessary to pay when due the principal of and interest and premium, if any, on any Parity Bonds. Money in the Bond Fund shall be invested in any legal investments of the county maturing in such amounts and at such times as the Finance Manager may determine so that payments required to be made from the Bond Fund may be made when due.

D. Using Bond Fund Money to Pay Rebate. Notwithstanding any provisions of this ordinance regarding the use of money deposited in the Bond Fund, such money may be withdrawn from the Bond Fund as necessary to pay the Rebate Amount.

SECTION 11. Pledge of Sales Tax Revenues.

A. Pledge of Two-Tenths Sales Tax Revenues. All of the Sales Tax Revenues are hereby irrevocably pledged to the punctual payment of the principal of, premium, if any, and interest on the Bonds. Such pledge shall constitute a lien on the Two-tenths Sales Tax Revenues equal to the lien on the Two-tenths Sales Tax Revenues to pay and secure the payment of the Outstanding Parity Bonds and any Future Parity Bonds, and superior to all other liens and charges on such revenues whatsoever. The county hereby covenants that for as long as any of the Bonds are outstanding it will include in its budget and levy the Public Transportation Sales Tax in an amount that will be sufficient, together with all other funds legally available for such purpose, to pay the principal of, premium, if any, and interest on the Bonds as the same shall become due. All of such taxes so collected shall be paid into the Bond Fund no later than the date such funds are required for the payment of principal of and interest on the Bonds. The full faith, credit and resources of the county are hereby irrevocably pledged for the levy and collection of the Public Transportation Sales Tax and for the prompt payment of the

principal of, premium, if any, and interest on the Bonds as the same shall become due.

B. Receiving Fund. The Receiving Fund has heretofore been created as a special fund of the county. Upon receipt of the Sales Tax Revenues, the Finance Manager shall cause the Two-tenths Sales Tax Revenues to be deposited into the Receiving Fund to be applied as provided in Section 10.B of this ordinance. In accordance with Ordinance No. 11661 of the county, passed on January 23, 19|10 13|5, any Two-tenths Sales Tax Revenues remaining in the Receiving Fund after making the payments required by Section 10.B of this ordinance shall be transferred on the same business day, as follows: (x) an amount equal to the 25% of the Two-tenths Sales Tax Revenues to the Public Transportation Operating Account to be used for operations and the payment of the Parity Bonds; and (y) the remainder thereof to the Public Transportation Construction Accounts to be used only for capital purposes, including the payment of Parity Bonds.

SECTION 12. Pledge of General Taxation and Credit. The county hereby further irrevocably covenants and agrees for as long as any of the Bonds are outstanding and unpaid, that each year it will include in its budget and levy an *ad valorem* tax upon all the property within the county subject to taxation in an amount that will be sufficient, together with all other revenues and money of the county legally available for such purposes (including Sales Tax Revenues and Assessment Income, if any), to pay the principal of and interest on the Bonds as the same shall become due. All of such taxes so collected shall be paid into the Bond Fund no later than the date such funds are required for the payment of principal of, premium, if any, and interest on the Bonds.

The county hereby irrevocably pledges that the annual tax provided for herein to be levied for the payment of such principal and interest shall be within and as a part of the tax levy permitted to counties without a vote of the people, and that a sufficient portion of each annual levy to be levied and collected by the county prior to the full payment of the principal of and interest on the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of, premium, if any, and interest on the Bonds.

The full faith, credit and resources of the county are hereby irrevocably pledged for the annual levy and

collection of such taxes and for the prompt payment of the principal of, premium, if any, and interest on the Bonds as the same shall become due.

SECTION 13. Pledge of Assessment Income. The county hereby obligates and binds itself to set aside and pay any Assessment Income into the Bond Fund for payment of the principal of, premium, if any, and interest on the Parity Bonds without allocation to any particular series of bonds payable from the Bond Fund. Assessment Income, if any, shall be deposited into the various accounts within the Bond Fund, as received, according to the order of priority set forth in Section 10.B of this ordinance.

SECTION 14. Disposition of Proceeds of Bonds. The proceeds of the Bonds shall be deposited as follows:

A. The amount equal to the interest accruing on the Bonds from their dated date to the date of their Closing shall be deposited in the Interest Account in the Bond Fund.

B. The balance of the proceeds of the Bonds shall be deposited in the Public Transportation Construction Accounts and used to pay all or a portion of the Public Transportation Fund Capital Improvement Program.

SECTION 15. Covenants and Warranties. The county makes the following covenants and warranties:

A. The county has full legal right power and authority to adopt this ordinance, to sell, issue and deliver the Bonds as provided herein, and to carry out and consummate all other transactions contemplated by this ordinance.

B. By all necessary official action prior to or concurrently herewith, the county has duly authorized and approved the execution and delivery of, and the performance by the county of its obligations contained in, the Bonds and this ordinance and the consummation by it of all other transactions necessary to effectuate this ordinance in connection with the issuance of the Bonds, and such authorizations and approvals are in full force and effect and have not been amended, modified or supplemented in material respect.

C. This ordinance constitutes a legal, valid and binding obligation of the county.

D. The Bonds, when issued, sold, authenticated and delivered will constitute the legal, valid and binding general obligations of the county.

E. The adoption of this ordinance, and compliance on the county's part with the provisions contained herein, will not conflict with or constitute a breach of or default under any constitutional provisions, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, ordinance, motion, agreement or other instrument to which the county is a party or to which the county or any of its property or assets are otherwise subject, nor will any such adoption, execution, delivery, sale, issuance or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the county or under the terms of any such law, regulation or instrument, except as may be provided by the Bonds and this ordinance.

F. The county finds and covenants that the Bonds are issued within all statutory and constitutional debt limitations applicable to the county.

G. None of the proceeds of the Bonds will be used for any purpose other than as provided in this ordinance, and the county shall not suffer any amendment or supplement to this ordinance, or any departure from the due performance of the obligations of the county hereunder, which might materially adversely affect the rights of the owners from time to time of the Bonds.

SECTION 16. Preservation of Tax Exemption for Interest on Bonds. The county covenants that it will take all actions necessary to prevent interest on the Bonds from being included in gross income for federal income tax purposes, and it will neither take any action nor make or permit any use of proceeds of the Bonds or other funds of the county treated as proceeds of the Bonds at any time during the term of the Bonds which will cause interest on the Bonds to be included in gross income for federal income tax purposes. The county also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to the Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in

connection with the Bonds, including the calculation and payment of any penalties that the county has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on the Bonds from being included in gross income for federal income tax purposes. The county certifies that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is a bond issuer whose arbitrage certifications may not be relied upon.

SECTION 17. Future Parity Bonds.

A. No Additional Sales Tax Bonds. The county previously covenanted and agreed that it will issue no additional Sales Tax Bonds under the Master Resolution and will issue no others bonds or obligations with a lien upon the Two-tenths Sales Tax Revenues superior to the lien thereon of the Parity Bonds.

B. Future Parity Bonds (other than Refunding Bonds). The county expressly reserves the right to issue Future Parity Bonds for any lawful purpose of the county related to the System if at the time of issuing such Future Parity Bonds:

(i) There shall be no deficiency in the Bond Fund.

(ii) There shall be on file with the clerk of the council a certificate of the Finance Manager stating that the amount of Two-tenths Sales Tax Revenues received for any period of twelve consecutive months during the eighteen months preceding the Closing date for such Future Parity Bonds was at least equal to 1.5 times the maximum amount required in each calendar year that such Future Parity Bonds would be outstanding to pay:

(a) The principal of the Future Parity Bonds being issued and all other outstanding Parity Bonds (other than amortization of principal of Term Bonds).

(b) The interest on the Future Parity Bonds being issued and on all other outstanding Parity Bonds, exclusive of any interest that will be payable from the proceeds of the Future Parity Bonds to be issued.

(c) The amounts required to be paid into any fund or account to amortize the principal of any of the Future Parity Bonds that are Term Bonds and all other outstanding Parity Bonds that are Term Bonds.

C. Future Parity Bonds that are Refunding Bonds.

(i) For the purpose of refunding at or prior to their maturity any outstanding Parity Bonds or any bonds or other obligations of the county payable from the Two-tenths Sales Tax Revenues, the county may at any time issue Future Parity Bonds without complying with the provisions of Section 17.B hereof; provided, however, that the county shall not issue Future Parity Bonds for such purpose under this 18.C unless there shall have been filed with the clerk of the council a certificate of the Finance Manager stating that immediately after the issuance of such Future Parity Bonds the annual debt service for each year that any Parity Bonds (other than the refunding bonds proposed to be issued) are then outstanding shall not be increased by more than \$5,000 by reason of the issuance of such Future Parity Bonds.

(ii) The principal amount of such Future Parity Bonds may include amounts necessary to pay the principal of the bonds or other obligations to be refunded, interest thereon to the date of payment or redemption thereof, any premium payable thereon upon such payment or redemption and the costs of issuance of such Future Parity Bonds. The proceeds of such Future Parity Bonds shall be held and applied in such manner, consistent with the provisions of Section 23 hereof, as is provided in the ordinance providing for the issuance of such Future Parity Bonds, so that upon the delivery of such Future Parity Bonds, the bonds or other obligations to be refunded thereby shall be deemed to be no longer outstanding.

(iii) At the election of the county, the provisions of this Section 17.C shall not be applicable to the refunding at one time of all the Parity Bonds then outstanding.

(iv) Future Parity Bonds for the purpose of refunding outstanding Parity Bonds or bonds or other obligations of the county payable from Two-tenths Sales Tax Revenues may also be issued upon compliance with the provisions of Section 19.B hereof.

(v) Nothing contained in this ordinance shall prohibit or prevent, or be deemed or construed to prohibit or prevent, the county from issuing Future Parity Bonds to refund maturing Parity Bonds for the payment of which money is not otherwise available.

D. Subordinate Obligations. Nothing in this ordinance shall prohibit, or be deemed or construed to prohibit, the county from authorizing and issuing bonds, notes or other evidences of indebtedness for any purpose of the county related to the System payable in whole or in part from Sales Tax Revenues and secured by a lien on Two-tenths Sales Tax Revenues that is junior, subordinate and inferior to the lien thereon of the Outstanding Parity Bonds and the Bonds.

SECTION 18. Sale of Bonds. The Finance Manager shall determine, in consultation with the county's financial advisors, whether the Bonds shall be sold by negotiated sale or by competitive bid. The authority to issue any of the Bonds authorized hereunder shall terminate one year from the effective date of this ordinance.

A. Procedure for Negotiated Sale. If the Finance Manager determines that the Bonds shall be sold by negotiated sale, the Finance Manager shall, in accordance with applicable county procurement procedures, solicit one or more underwriting firms with which to negotiate the sale of the Bonds. The purchase contract for the Bonds shall establish the date, principal amount, interest payment dates, interest rates, maturity schedule and redemption provisions of such Bonds. The county council by the Sale Motion shall ratify and approve the bond purchase contract and terms for the Bonds established therein.

B. Procedure for Sale by Competitive Bid. If the Finance Manager determines that the Bonds shall be sold by competitive bid, bids for the purchase of the Bonds shall be received at such time or place and by such means as the Finance Manager shall direct. The Finance Manager is authorized to prepare a notice of sale for the Bonds, establishing in such notice the date, principal amount, interest payment dates, maturity schedule and redemption provisions of such Bonds. The official notice of sale or an abridged form thereof shall be published in such newspapers or financial journals as may be deemed desirable or appropriate by the financial advisors to the county.

Upon the date and time established for the receipt of bids for the Bonds, the Finance Manager or his designee shall open the bids, shall cause the bids to be mathematically verified and shall report to the county council regarding the bids received. Such bids shall then be considered and acted upon by the county council in

an open public meeting. The county council reserves the right to reject any and all bids for the Bonds. The county council by the Sale Motion shall approve the sale of the Bonds and establish the date, interest rates, maturity schedule and redemption provisions of the Bonds.

SECTION 19. Delivery of Bonds. Following the sale of the Bonds, the county shall cause definitive Bonds to be prepared, executed and delivered to the purchaser in accordance with the provisions of this ordinance, with the approving legal opinion of municipal bond counsel regarding the Bonds.

If definitive Bonds are not ready for delivery by the date established for the Closing, then the Finance Manager, upon the approval of the purchaser, may cause to be issued and delivered to the purchaser one or more temporary Bonds with appropriate omissions, changes and additions. Any temporary Bond or Bonds shall be entitled and subject to the same benefits and provisions of this ordinance with respect to the payment, security and obligation thereof a definitive Bonds authorized thereby. Such temporary Bond or Bonds shall be exchangeable without cost to the owners thereof for definitive Bonds when the latter are ready for delivery.

SECTION 20. Official Statement. The county authorizes and directs the Finance Manager: (i) to review and approve the information contained in the preliminary official statement (the “Preliminary Official Statement”) prepared in connection with the sale of the Bonds; and (ii) for the sole purpose of the Bond purchasers’ compliance with Section (b)(1) of the Rule, to “deem final” that Preliminary Official Statement as of its date, except for the omission of information on offering prices, interest rates, selling compensation, delivery dates, any other terms or provisions subject to final pricing, ratings, and other terms of the Bonds dependent on such matters. After the Preliminary Official Statement has been reviewed and approved in accordance with the provisions of this section, the county hereby authorizes distribution of the Preliminary Official Statement to prospective purchasers of the Bonds.

Following the sale of the Bonds in accordance with Section 18 of this ordinance, the Finance Manager is hereby authorized to review and approve on behalf of the county a final official statement with respect to the Bonds. The county agrees to cooperate with the purchaser of the Bonds to deliver or cause to be delivered,

within seven business days from the date of the Sale Motion (or within such other period as may be required by applicable law) and in sufficient time to accompany any confirmation that requests payment from any customer of the purchaser, copies of the final official statement in sufficient quantity to comply with paragraph (b)(4) of the Rule and the rules of the MSRB.

SECTION 21. Undertaking to Provide Ongoing Disclosure. In the Sale Motion, the county council will set forth an undertaking for ongoing disclosure with respect to the Bonds, as required by Section (b)(5) of the Rule.

SECTION 22. General Authorization. The appropriate county officials, agents and representatives are hereby authorized and directed to do everything necessary for the prompt sale, issuance, execution and delivery of the Bonds, and for the proper use and application of the proceeds of the sale thereof.

SECTION 23. Refunding or Defeasance of the Bonds. The county may issue refunding bonds pursuant to the laws of the State of Washington or use money available from any other lawful source to pay when due the principal of and interest on the Bonds, or any portion thereof included in a refunding or defeasance plan, and to redeem and retire, refund or defease all such then-outstanding Bonds (hereinafter collectively called the “defeased Bonds”) and to pay the costs of the refunding or defeasance. If money and/or Government obligations maturing at a time or times and bearing interest in amounts (together with money, if necessary) sufficient to redeem and retire, refund or defease the defeased Bonds in accordance with their terms are set aside in a special trust fund or escrow account irrevocably pledged to that redemption, retirement or defeasance of defeased Bonds (hereinafter called the “trust account”), then all right and interest of the owners of the defeased Bonds in the covenants of this ordinance and in the funds and accounts obligated to the payment of the defeased Bonds shall cease and become void. The owners of defeased Bonds shall have the right to receive payment of the principal of and interest on the defeased Bonds from the trust account. The county shall include in the refunding or defeasance plan such provisions as the county deems necessary for the random selection of any defeased Bonds that constitute less than all of a particular maturity of the Bonds, for

notice of the defeasance to be given to the owners of the defeased Bonds and to such other persons as the county shall determine, and for any required replacement of Bond certificates for defeased Bonds. The defeased Bonds shall be deemed no longer outstanding, and the county may apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes as it shall determine.

If the Bonds are registered in the name of DTC or its nominee, notice of any defeasance of Bonds shall be given to DTC in the manner prescribed in the Letter of Representations for notices of redemption of Bonds.

SECTION 24. Supplemental Ordinances. The county council from time to time and at any time may adopt an ordinance or ordinances supplemental to this ordinance which supplemental ordinance or ordinances thereafter shall become a part of this ordinance, for any one or more of the following purposes:

A. To add to the covenants and agreements of the county in this ordinance such other covenants and agreements thereafter to be observed, which shall not adversely affect the interests of the holders and owners of any Parity Bonds, or to surrender any right or power herein reserved to or conferred upon the county.

B. To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this ordinance or any ordinance authorizing Future Parity Bonds in regard to matters or questions arising under such ordinances as the county council may deem necessary or desirable and not inconsistent with such ordinances and which shall not materially adversely affect the interest of the holders and owners of Parity Bonds.

SECTION 25. Severability. The covenants contained in this ordinance shall constitute contract between the county and the owners of each and every Bond. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the county are deemed by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds.

SECTION 26. **Effective Date.** This ordinance shall be effective ten days after its enactment, in accordance with Article II of the county charter.
