Clerk 08/28/2002

A MOTION approving the contaminated sites management work program in the solid waste division.

WHEREAS, Ordinance 14265 passed in November 2001 adopts King County's 2002 annual budget and makes appropriations for the operation of county agencies, and

WHEREAS, Ordinance 14265, Section 92, provides that not more than one hundred fifty thousand dollars in total may be expended or encumbered by the solid waste division for selected brownfield remediation projects until the council adopts a motion that approves a work program to integrate brownfield projects and programs, and

WHEREAS, Ordinance 14265, Section 92, requires that the work program include: strategies for the integration of brownfield projects and programs; a staffing plan identifying the county staff to work on brownfields and the work program for each staff; identification of criteria for choosing brownfield sites; and performance measures to evaluate the success of the program;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County Contaminated Sites Management Program Business Plan dated May 8, 2002, Attachment A to this motion, is approved for the purposes of complying with the direction of Ordinance 14265, Section 92.

The contaminated sites management program staffing plan and brownfield projects prioritization criteria, contained in Attachment B to this motion, are approved for purposes of complying with the direction of Ordinance 14265, Section 92.
