Clerk 4/19/2006

A MOTION approving the report, King County Strategic Technology Plan 2006-2008.

WHEREAS, the office of information resource management has the duty under K.C.C. 2.16.035I to identify and establish short-range, mid-range and long-range objectives for information technology investments in the county and to prepare and recommend for council approval a county information technology strategic plan, and

WHEREAS, on March 28, 2005, the metropolitan King County council adopted Motion 12097 that requested the county executive to transmit by July 13, 2005, the King County Strategic Technology Plan for 2006 through 2008 for its approval by motion. Furthermore, Motion 12097 stated that the King County Strategic Technology Plan shall include a section of King County's ongoing efforts to offer e-government services, including expanded e-commerce services to the public and shall include a section on implementation of stage three for the law, safety and justice strategic integration program, and

WHEREAS, on July 7, 2005, the King County executive sent a letter to the chair of the metropolitan King County council stating that the request to transmit the strategic technology plan by July 13, 2005 does not allow for a complete review and endorsement process through the technology governance process. And, furthermore, stated that the strategic technology plan would be transmitted to council for its review and approval by motion no later than August 31, 2005, and

WHEREAS, an updated 2006-2008 draft of the plan was developed with input from governance members, and

WHEREAS, a revised version of the plan was drafted for the Strategic Advisory Council based on governance members' input and feedback, and

WHEREAS, on July 20, 2005, the strategic advisory council endorsed the plan (with one member abstaining) after their two main concerns regarding operational autonomy and human resources were addressed satisfactorily, and

WHEREAS, the updated plan builds on the foundation of the comprehensive Moss Adams report, and

WHEREAS, the policy framework of the vision, goals and guiding principles approved by Motions 11482 and 11660 has remained unchanged in the updated plan, and

WHEREAS, the objectives and strategies in the previous plan have been consolidated and reorganized into a more manageable set of strategic objectives that associate short-term objectives with long-term goals and guiding principles, and

WHEREAS, on July 20, 2005, the strategic advisory council unanimously endorsed five imperatives to provide high-level direction for prioritizing information technology investments for the next three years;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The report, King County Strategic Technology Plan 2006-2008, is hereby approved.
