Such annual information and operating data described above shall be provided on or before the end of seven months after the end of the county's fiscal year. The county's fiscal year currently ends on December 31. The county may adjust such fiscal year by providing written notice of the change of fiscal year to the MSRB. In lieu of providing such annual financial information and operating data, the county may make specific cross-reference to other documents available to the public on the MSRB's internet web site or filed with the Commission.

If not provided as part of the annual financial information discussed above, the county shall provide to the MSRB the county's audited annual financial statements prepared in accordance with BARS when and if available.

3. Specified Events. The county agrees to provide or cause to be provided, in a timely manner not in excess of ten business days after the occurrence of the event, to the MSRB, notice of the occurrence of any of

- (n) appointment of a successor or additional trustee or the change of name of a trustee, if material.

Solely for purposes of disclosure, and not intending to modify this undertaking, the county advises with reference to items (c), (j) and (n) above that no debt service reserves secure payment of the Bonds, no property secures repayment of the Bonds, and there is no trustee for the Bonds.

4. Notification Upon Failure to Provide Financial Data. The county agrees to provide or cause to be provided, in a timely manner, to the MSRB, notice of its failure to provide the annual financial information described in subsection 2 above on or prior to the date set forth in subsection 2 above.

6. Termination/Modification. The county's obligations to provide annual financial information and notices of specified events shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. The Undertaking, or any provision hereof, shall be null and void if the county (i) obtains an opinion of nationally recognized bond counsel to the effect that those portions of the rule which require the Undertaking, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Bonds; and (ii) notifies the MSRB of such opinion and the cancellation of the Undertaking.

Notwithstanding any other provision of this motion, the county may amend the Undertaking, and any provision of the Undertaking may be waived, with an approving opinion of nationally recognized bond counsel and in accordance with the rule.

In the event of any amendment or waiver of a provision of the Undertaking, the county shall describe such amendment in the next annual report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the county. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a specified event under subsection 3, and (ii) the annual report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

7. Bond Owners' Remedies Under the Undertaking. The right of any Bond owner or beneficial owner of Bonds to enforce the provisions of the Undertaking shall be limited to a right to obtain specific enforcement of the county's obligations hereunder, and any failure by the county to comply with the provisions of this undertaking shall not be an event of default with respect to the Bonds. For purposes of the Undertaking, "beneficial owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, including persons holding Bonds through nominees or depositories.

E. Further Authority. The proper county officials, their agents, and representatives are hereby authorized and directed to do everything necessary for the prompt issuance and delivery of the Bonds, for the preparation, execution and delivery of the final official statement for the sale of the Bonds, and for the proper use and application of the proceeds of such sale.

F. Severability. The covenants contained in this motion shall constitute a contract between the county and the owners of each and every Bond. If any one or more of the covenants or agreements provided in this motion to be performed on the part of the county shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this motion and shall in no way affect the validity of the other provisions of this motion or of the Bonds.
