AN ORDINANCE providing long-term financing for capital needs of the county's sewer system by authorizing the issuance of sewer revenue bonds and limited tax general obligation bonds (payable from sewer revenues) of the county in an aggregate principal amount not to exceed \$825,000,000 to provide funds for acquiring and constructing improvements to the sewer system; authorizing the issuance of sewer revenue bonds and limited tax general obligation bonds (payable from sewer revenues) of the county for refunding outstanding obligations of the county payable from sewer revenues; providing for the form, terms and covenants of such bonds; providing for the sale of the bonds in one or more series; establishing funds for the receipt and expenditure of bond proceeds and for the payment of the bonds; pledging sewer revenues to pay the principal of and interest on sewer revenue bonds issued under this ordinance; and pledging the annual levy of taxes and an additional pledge of sewer revenues to pay the principal of and interest on limited tax general obligation bonds (payable from sewer revenues) issued under this ordinance.

PREAMBLE:

The county owns and operates facilities for the conveyance and treatment of sewage and control of combined sewer overflows that include wastewater treatment plants, interceptor and trunk sewers, pumping stations, regulator stations, outfall sewers, storm sewers to divert stormwater

from sanitary sewers, lands for application of biosolids, property rights, and buildings and other structures and equipment (collectively "the System"), all in accordance with a comprehensive plan for metropolitan water pollution abatement under the authority of chapters 36.56 and 35.58 of the Revised Code of Washington ("RCW").

Long-term service agreements with participating municipalities and other entities ("the Participants") obligate the county to treat and dispose of sewage collected by the Participants. The Participants must pay the costs of these services including debt service on bonds payable from sewer revenues (including the bonds authorized by this ordinance) and other indebtedness payable from and secured by sewer revenues. Comparable rates and charges have been established for customers who deliver sewage to the System but are not subject to a contract with the county for this service.

In accordance with RCW 35.58.200(3), the county has declared that the health, safety and welfare of people within the metropolitan area require that certain Participants discharge sewage collected by those Participants into facilities of the System.

The county has issued the series of sewer revenue bonds with a senior lien on Revenue of the System set forth in Attachment A to this ordinance ("the Parity Bonds").

The county has issued the series of limited tax general obligation bonds additionally secured by a lien on Revenue of the System junior and subordinate to the lien thereon of the Parity Bonds set forth in Attachment B to this ordinance ("the Parity Lien Obligations").

The county has issued its sewer revenue bonds with a lien on Revenue of the System junior and subordinate to the lien thereon of the Parity Lien Obligations (as further defined herein, the "Junior Lien Obligations").

The county has issued its limited tax general obligation bonds additionally secured by a lien on Revenue of the System junior and subordinate to the lien thereon of the Junior Lien Obligations (as further

defined herein, "the Multi-Modal LTGO/Sewer Revenue Bonds").

The county has reserved the right to issue certain revenue bonds or other revenue obligations with a lien on Revenue of the System junior and inferior to the lien thereon of the Multi-Modal LTGO/Sewer Revenue Bonds (as further defined herein, "the Subordinate Lien Obligations").

The county may have opportunities to refund all or portions of its currently outstanding Parity Bonds, Parity Lien Obligations, Junior Lien Obligations, and Multi-Modal LTGO/Sewer Revenue Bonds, and any Future Parity Bonds, Future Parity Lien Obligations, Future Junior Lien Obligations, Future Multi-Modal LTGO/Sewer Revenue Bonds and Subordinate Lien Obligations, in each case to effect a saving to the county and ratepayers of the System or when necessary or in the best interest of the county and ratepayers of the System to modify debt service or reserve requirements, sources of payment, covenants or other terms of the obligations to be refunded. It is deemed necessary and desirable that the county authorize the issuance and sale of its bonds payable from sewer revenue ("the Refunding Bonds") for such refunding opportunities, as provided in this ordinance.

It is deemed necessary and desirable that the county also authorize the issuance and sale of its bonds payable from sewer revenues in an aggregate principal amount not to exceed \$825,000,000 ("the Project Bonds") to pay costs of capital improvements to the System, in accordance with the Comprehensive Plan and the Capital Improvement Budget.

Since market conditions can change quickly, it is in the best interest of the county to delegate to the county's Finance Director authority to sell the Project Bonds and the Refunding Bonds in one or more series, as either Parity Bonds or Parity Lien Obligations, or a combination thereof, by competitive bid, negotiated sale or to the federal government or another purchaser, as provided in this ordinance, so long, in the case of Project Bonds, as the aggregate principal amount of Project Bonds does not exceed \$825,000,000. The sale of any series of the Bonds shall be ratified and confirmed by motion of the council, as provided in this ordinance.

The ordinances authorizing the issuance of the outstanding Parity Bonds and Parity Lien Obligations all provide that the county may issue additional Parity Bonds and additional Parity Lien Obligations if certain conditions are met. By each Sale Motion the council must find that the applicable parity conditions have been or shall be met for each series of Bonds issued under this ordinance.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

B. Rules of Interpretation. As used in this ordinance, unless the context otherwise requires:

1. The terms "hereby," "hereof," "hereto," "herein," "hereunder" and any similar terms refer to this ordinance as a whole and not to any particular section, subsection, paragraph or clause of this ordinance.
2. Unless the context otherwise indicates, words expressed in the singular may include the plural and vice versa.
3. Any headings preceding the text of the various sections and subsections of this ordinance, and any table of contents or marginal notes appended to copies of this ordinance, are solely for convenience of reference and do not constitute a part of this ordinance, nor shall they affect its meaning, construction or effect.
4. All references in this ordinance to "sections," "subsections," "paragraphs" and "clauses" are to the corresponding sections, subsections, paragraphs or clauses of this ordinance as originally adopted.
5. The term "including" means "including without limitation."

SECTION 2. Findings. Because conditions in the capital markets are volatile, the council finds that it is in the best interests of the county and ratepayers of the System that the county retain the flexibility to issue the Bonds in one or more Series, as Parity Bonds or Parity Lien Obligations, to maximize interest rate savings and, where possible, to achieve further savings by refunding all or some of the Refunding Candidates. To achieve this flexibility, the council further finds that it is in the best interests of the county and ratepayers of the

System that a plan of refunding and the sale of Bonds in one or more Series, as Parity Bonds or Parity Lien Obligations, as Tax-Exempt Obligations or otherwise, by competitive bid, negotiated sale or sale to the federal government or other purchaser, for current or future delivery, be determined by the Finance Director, in consultation with the county's financial advisors.

SECTION 3. Authorization of Bonds. To provide funds necessary to pay costs of acquiring, constructing and equipping improvements, additions or betterments to the System as set forth in the Comprehensive Plan and the Capital Improvement Budget, the county is authorized to issue one or more Series of Project Bonds in an aggregate principal amount not to exceed \$825,000,000.

To provide funds to refund the Refunded Bonds, the county is authorized to issue one or more Series of Refunding Bonds in principal amounts to be established as provided in Sections 16 and 28.

Each sale of a Series of Bonds and plan of refunding, if any, will be ratified and confirmed by the council in a Sale Motion. The Refunding Bonds and Project Bonds may be issued in one or more Series of Parity Bonds or Parity Lien Obligations, as provided in Section 28 of this ordinance, each such Series of Parity Bonds to be designated as "King County, Washington, Sewer Revenue [and Refunding] Bonds" with an applicable year and Series designation, and each such Series of Parity Lien Obligations to be designated as "King County Limited Tax General Obligation [and Refunding] Bonds (Payable from Sewer Revenues)" with an applicable year and Series designation. The Bonds shall be fully registered as to both principal and interest; shall be in the denomination of \$5,000 or any integral multiple thereof within a single Series, maturity and interest rate; shall be numbered separately in such manner and with any additional designation as the Registrar deems necessary for purposes of identification; and shall be dated the date and mature on the dates, in the years and in the amounts established as provided in Section 28 of this ordinance.

Each Series of Bonds shall bear interest (computed, unless otherwise provided in the Sale Motion, on the basis of a 360-day year of twelve 30-day months) from their dated date or from the most recent interest payment date for which interest has been paid or duly provided for, whichever is later, payable on interest

payment dates and at the rate or rates established as provided in Section 28 of this ordinance and ratified and confirmed by a Sale Motion. The Accreted Values of any Bonds that are Capital Appreciation Bonds shall be set forth in a Sale Motion.

SECTION 4. Registration, Exchange and Payments.

A. **Registrar/Bond Register.** Unless otherwise specified in the Sale Motion, the county, in accordance with K.C.C chapter 4.84, adopts for the Bonds the system of registration specified and approved by the Washington State Finance Committee, which utilizes the fiscal agent of the State as registrar, authenticating agent, paying agent and transfer agent ("the Registrar"). The Registrar shall keep, or cause to be kept, at its designated corporate trust office, sufficient books for the registration and transfer of the Bonds ("the Bond Register"), which shall be open to inspection by the county at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner. The Registrar is authorized, on behalf of the county, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the county's paying agent for the Bonds and to carry out all of the Registrar's powers and duties under this ordinance.

The Registrar shall be responsible for the representations contained in its Certificate of Authentication on the Bonds. The Registrar may become the Owner of Bonds with the same rights it would have if it were not the Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

B. **Registered Ownership.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The county and the Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes, and neither the county nor the Registrar shall be affected by any notice to the contrary. Payment of each Bond shall

be made as described in Section 4.E. of this ordinance, but registration of ownership of each Bond may be transferred as provided herein. All payments made as described in Section 4.E. of this ordinance shall be valid and shall satisfy and discharge the liability of the county upon such Bond to the extent of the amount or amounts so paid.

C. **Use of Depository.** Unless otherwise specified in the Sale Motion, the Bonds initially shall be registered in the name of Cede & Co., as the nominee of DTC. Each Bond registered in the name of the Securities Depository shall be held fully immobilized in book-entry only form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the county nor the Registrar shall have any obligation to participants of any Securities Depository or the persons for whom they act as nominees regarding the accuracy of any records maintained by the Securities Depository or its participants. Neither the county nor the Registrar shall be responsible for any notice that is permitted or required to be given to the Registered Owner of any Bond registered in the name of the Securities Depository except such notice as is required to be given by the Registrar to the Securities Depository.

For so long as the Bonds are registered in the name of the Securities Depository, the Securities Depository shall be deemed to be the Registered Owner for all purposes hereunder, and all references to Registered Owners shall mean the Securities Depository and shall not mean the Beneficial Owners. Registered ownership of any Bond registered in the name of the Securities Depository may not be transferred except: (a) to any successor Securities Depository; (b) to any substitute Securities Depository appointed by the county; or (c) to any person if the Bond is no longer to be held by a Securities Depository.

Upon the resignation of the Securities Depository, or upon a termination of the services of the Securities Depository by the county, the county may appoint a substitute Securities Depository. If: (a) the Securities Depository resigns and the county does not appoint a substitute Securities Depository, or (b) the county terminates the services of the Securities Depository, the Bonds no longer shall be held in book-entry only form and the registered ownership of each Bond may be transferred to any person as provided in this ordinance.

D. **Registration Covenant.** The county covenants that, until all Tax-Exempt Obligations have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

E. **Place and Medium of Payment.** Principal of and premium, if any, and interest on the Bonds are payable in lawful money of the United States of America. Principal of and premium, if any, and interest on each Bond registered in the name of the Securities Depository are payable in the manner set forth in the Letter of Representations. Unless otherwise specified in the Sale Motion, interest on each Bond not registered in the name of the Securities Depository is payable by electronic transfer on the interest payment date, or by check or draft of the Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. The county is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received on or prior to the Record Date and at the sole expense of the Registered Owner. Unless otherwise specified in the Sale Motion, principal of and premium, if any, on each Bond not registered in the name of the Securities Depository are payable upon presentation and surrender of the Bond by the Registered Owner to the Registrar at maturity or upon prior redemption in full.

F. **Transfer or Exchange of Registered Ownership; Change in Denominations.** The registered ownership of any Bond may be transferred or exchanged, but no transfer of any Bond shall be valid unless it is surrendered to the Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon such surrender, the Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds, at the option of the new Registered Owner) of the same Series, date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal

amount of Bonds of the same Series, date, maturity and interest rate, in any authorized denomination. The Registrar shall not be obligated to exchange or transfer any Bond during the 15 days preceding any principal payment or redemption date, or, in the case of any proposed redemption of a Bond, after mailing of notice of the call of the Bond for redemption.

SECTION 5. Redemption Provisions; Purchase of Bonds.

A. **Optional Redemption.** All or some of the Bonds may be subject to redemption prior to their stated maturity dates at the option of the county at the times and on the terms set forth in the Sale Motion.

B. **Mandatory Redemption.** The county shall redeem any Term Bonds, if not redeemed under the optional redemption provisions set forth in the Sale Motion or purchased under the provisions set forth herein, randomly (or in such other manner as set forth in the Sale Motion or as the Registrar shall determine) at par plus accrued interest on the dates and in the years and principal amounts as set forth in the Sale Motion.

If the county redeems Term Bonds under the optional redemption provisions set forth in the Sale Motion or purchases for cancellation or defeases Term Bonds, the Term Bonds so redeemed, purchased or defeased (irrespective of their redemption or purchase prices) shall, unless otherwise provided in the Sale Motion, be credited against one or more scheduled mandatory redemption amounts for those Term Bonds. The county shall determine the manner in which the credit is to be allocated and shall notify the Registrar in writing of its allocation at least 60 days prior to the earliest mandatory redemption date for the maturity of Term Bonds for which notice of redemption has not already been given.

C. **Partial Redemption.** Whenever less than all of the Bonds of a single maturity of a Series are to be redeemed, the Securities Depository shall select the Bonds registered in the name of the Securities Depository to be redeemed in accordance with the Letter of Representations, and the Registrar shall select all other Bonds to be redeemed randomly, or in such other manner set forth in the Sale Motion or as the Registrar shall determine.

Portions of the principal amount of any Bond, in integral amounts of \$5,000 within a Series and

maturity, may be redeemed, unless otherwise provided in the Sale Motion. If less than all of the principal amount of any Bond is redeemed, upon surrender of that Bond to the Registrar, there shall be issued to the Registered Owner, without charge therefor, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any authorized denomination in the aggregate total principal amount remaining outstanding.

D. **Purchase.** The county reserves the right and option to purchase any or all of the Bonds offered to the county at any time at any price acceptable to the county plus accrued interest to the date of purchase.

SECTION 6. Notice and Effect of Redemption. Notice of redemption of each Bond registered in the name of the Securities Depository shall be given in accordance with the Letter of Representations. Notice of redemption of each other Bond, unless waived by the Registered Owner, shall be given by the Registrar not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner at the address appearing on the Bond Register on the Record Date, except as otherwise set forth in the Sale Motion. The requirements of the preceding sentences shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by any Owner. Notice of redemption shall also be mailed or sent electronically within the same period to the MSRB, to any nationally recognized rating agency then maintaining a rating on the Bonds at the request of the county, and to such other persons and with such additional information as the Finance Director shall determine, but such further notice shall not be a condition precedent to the redemption of any Bond.

In the case of an optional redemption, the notice of redemption may state that the county retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the affected Registered Owners at any time on or prior to the date fixed for redemption. Any notice of optional redemption that is so rescinded shall be of no effect, and each Bond for which a notice of optional redemption has been rescinded shall remain outstanding.

Interest on each Bond called for redemption shall cease to accrue on the date fixed for redemption,

unless either the notice of optional redemption is rescinded as set forth above, or money sufficient to effect such redemption is not on deposit in the Parity Bond Fund or the Parity Lien Obligation Bond Fund, as applicable, or in a trust account established to refund or defease the Bond.

SECTION 7. Form and Execution of Bonds. Bonds issued as Parity Bonds shall be in substantially the form set forth in Attachment C to this ordinance. Bonds issued as Parity Lien Obligations shall be in substantially the form set forth in Attachment D to this ordinance. The Bonds shall be signed by the county executive and the clerk of the council, either or both of whose signatures may be manual or in facsimile, and the seal of the county or a facsimile reproduction thereof shall be impressed or printed thereon.

Only a Bond bearing a Certificate of Authentication in the form set forth in Attachment C or Attachment D to this ordinance, as applicable, manually signed by the Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance. The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the county authorized to sign bonds before the Bond bearing the officer's manual or facsimile signature is authenticated by the Registrar or issued or delivered by the county, that Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the county as though that person had continued to be an officer of the county authorized to sign bonds. Any Bond also may be signed on behalf of the county by any person who, on the actual date of signing of the Bond, is an officer of the county authorized to sign bonds, although such officer did not hold the required office on the dated date of the Bond.

SECTION 8. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond becomes mutilated, the Registrar may authenticate and deliver a new Bond or Bonds of like amount, date, Series, interest rate and tenor to the Registered Owner thereof upon the Registered Owner's paying the expenses and charges of the county

and the Registrar in connection therewith and upon surrender to the Registrar of the Bond so mutilated. Every mutilated Bond so surrendered shall be canceled and destroyed by the Registrar.

If any Bond is lost, stolen or destroyed, the Registrar may authenticate and deliver a new Bond or Bonds of like amount, date, Series, interest rate and tenor to the Registered Owner thereof upon the Registered Owner's paying the expenses and charges of the county and the Registrar in connection therewith and upon filing with the Registrar evidence satisfactory to the Registrar that such Bond was actually lost, stolen or destroyed and of registered ownership thereof, and upon furnishing the county and the Registrar with indemnity satisfactory to the Finance Director and the Registrar.

SECTION 9. Parity Bond Fund. A special fund of the county known as the "Water Quality Revenue Bond Account" ("the Parity Bond Fund") has heretofore been created and is hereby continued, along with the accounts therein described in this section. The Parity Bond Fund is at all times completely segregated and set apart from all other funds and accounts of the county and is a trust fund for the security and payment of principal of and premium, if any, and interest on Parity Bonds. All money credited to the Parity Bond Fund is pledged and ordered to be used for the sole purpose of paying the principal of and premium, if any, and interest on Parity Bonds.

A. **Debt Service Account.** A "Debt Service Account" has heretofore been established in the Parity Bond Fund. The county hereby obligates and binds itself to set aside and pay into that account out of Revenue of the System amounts sufficient, together with accrued interest, if any, received at the time of delivery of any Series of Bonds that are Parity Bonds and deposited therein, income from the investment of money in the Debt Service Account and Parity Bond Reserve Account, and any other money on deposit in the Debt Service Account and legally available, to pay the principal of and interest on outstanding Parity Bonds as the same become due and payable.

For each Series of the Bonds that are Parity Bonds there is hereby authorized to be created a special subaccount in the Debt Service Account. All money required by this subsection A. to be deposited into the

Debt Service Account for the payment of principal of and interest on that Series of the Bonds shall be deposited into the subaccount created for the Series, and the county hereby covenants to budget for each such payment of principal and interest when due. Money in the subaccount will be treated in all respects as all other money in the Debt Service Account, but will be accounted for separately for the purpose of calculating any Rebate Amount payable with respect to that Series of the Bonds.

Payments on account of each Series of the Bonds that are Parity Bonds will be made out of Revenue of the System into the applicable debt service subaccount in the Parity Bond Fund on or before the day each payment of interest on or principal of those Bonds is due.

B. Term Bond Provisions. If any Bonds issued as Parity Bonds are designated as Term Bonds pursuant to Section 28 of this ordinance, the Sale Motion for that Series of Bonds shall set forth a mandatory redemption schedule to amortize the principal of those Parity Term Bonds. Payments of principal of Parity Term Bonds under any such mandatory redemption schedule shall be made from the Debt Service Account, as provided in subsection A. of this section, to the extent not credited pursuant to Section 5.B. of this ordinance.

The county covenants that if it issues any Future Parity Bonds as Term Bonds, it will identify those Future Parity Bonds as Parity Term Bonds in the proceedings authorizing their issuance and establish a schedule of mandatory redemptions, payable from the Debt Service Account, to amortize the principal of the Parity Term Bonds prior to their maturity.

C. Parity Bond Reserve Account. A Parity Bond Reserve Account has heretofore been established in the Parity Bond Fund. The county hereby pledges that it will pay into and maintain in the Parity Bond Reserve Account, an amount that, together with other funds in the Parity Bond Reserve Account, will be at least equal to the Reserve Requirement. The county may substitute Qualified Insurance or a Qualified Letter of Credit for amounts required to be paid into or maintained in the Parity Bond Reserve Account. The Qualified Letter of Credit or Qualified Insurance must not be cancelable on less than five years' notice. In the event of any cancellation, the Parity Bond Reserve Account will be funded in accordance with the provisions of

this section providing for payment in the event of a deficiency therein, as if the Parity Bonds that remain outstanding had been issued on the date of such notice of cancellation.

On the date of Closing of a Series of Bonds that are Parity Bonds, an amount sufficient to satisfy the Reserve Requirement in the Parity Bond Reserve Account required by the issuance of that Series of Bonds must be deposited therein from the proceeds of Parity Bonds or other funds available therefor or provided for by Qualified Insurance or a Qualified Letter of Credit, as herein permitted.

If there is a deficiency in the Debt Service Account to make any payment when due of either principal of or interest on any Parity Bonds, the deficiency will be made up from the Parity Bond Reserve Account by the withdrawal of money therefrom and by the sale or redemption of obligations held in the Parity Bond Reserve Account, if necessary, in such amounts as will provide cash in the Parity Bond Reserve Account sufficient to make up any such deficiency. If a deficiency still exists immediately prior to an interest payment date and after the withdrawal of cash, the county will then draw from any Qualified Letter of Credit, Qualified Insurance, or other equivalent credit facility in sufficient amount to make up the deficiency. The draw will be made at such times and under such conditions as the agreement for the Qualified Letter of Credit or Qualified Insurance provides. If more than one Qualified Letter of Credit or Qualified Insurance is available, draws will be made ratably thereon to make up the deficiency. Any deficiency created in the Parity Bond Reserve Account by reason of any such withdrawal must then be made up from Revenue of the System that is available after first making the payments required to be made under paragraph "First" through "Third" of Section 14 of this ordinance.

Income from the investment of money in the Parity Bond Reserve Account will be deposited in and become a part of the Parity Bond Fund.

SECTION 10. Parity Lien Obligation Bond Fund. A special fund of the county known as the "Water Quality Limited Tax General Obligation Bond Redemption Fund" ("the Parity Lien Obligation Bond Fund") has heretofore been created and is hereby continued, along with the accounts therein described in this section.

The Parity Lien Obligation Bond Fund is at all times completely segregated and set apart from all other funds and accounts of the county and is a trust fund for the security and payment of principal of and premium, if any, and interest on Parity Lien Obligations. All money credited to the Parity Lien Obligation Bond Fund is pledged and ordered to be used for the sole purpose of paying principal of and premium, if any, and interest on Parity Lien Obligations.

A. **Debt Service Account.** A "Debt Service Account" has heretofore been established in the Parity Lien Obligation Bond Fund. The county hereby obligates and binds itself to set aside and pay into that account out of Revenue of the System amounts sufficient, together with accrued interest, if any, received at the time of delivery of any Series of Bonds issued as Parity Lien Obligations and deposited therein, income from the investment of money in the Debt Service Account and any other money on deposit in the Debt Service Account and legally available, to pay the principal of and interest on outstanding Parity Lien Obligations as the same become due and payable.

For each Series of the Bonds issued as Parity Lien Obligations, there is hereby authorized to be created a special subaccount in the Debt Service Account. All money required by this subsection A. to be deposited into the Debt Service Account for the payment of principal of and interest on that Series of the Bonds will be deposited into the subaccount created for the Series, and the county hereby covenants to budget for each such payment of principal and interest when due. Money in that subaccount will be treated in all respects as all other money in the Debt Service Account, but will be accounted for separately for the purpose of calculating any Rebate Amount payable with respect to that Series of the Bonds.

Payments on account of each Series of the Bonds issued as Parity Lien Obligations will be made out of Revenue of the System into the applicable debt service subaccount in the Parity Lien Obligation Bond Fund on or before the day each payment of interest on or principal of those Bonds is due.

B. **Term Bond Provisions.** If any Bonds issued as Parity Lien Obligations are designated as Term Bonds pursuant to Section 28 of this ordinance, the Sale Motion for that Series of Bonds shall set forth a

mandatory redemption schedule to amortize the principal of those Parity Lien Obligation Term Bonds.

Payments of principal of Parity Lien Obligation Term Bonds under any such mandatory redemption schedule will be made from the Debt Service Account, as provided in subsection A. of this section, to the extent not credited pursuant to Section 5.B. of this ordinance.

The county covenants that if it issues any Future Parity Lien Obligations as Term Bonds, it will identify those Parity Lien Obligations as Term Bonds in the proceedings authorizing their issuance and establish a schedule of mandatory redemptions, payable from the Debt Service Account, to amortize the principal of those Parity Lien Obligation Term Bonds prior to their maturity.

SECTION 11. Pledge of Taxation and Credit. The county hereby irrevocably covenants and agrees for as long as any Bonds issued as Parity Lien Obligations are outstanding and unpaid, that each year it will include in its budget and levy an ad valorem tax upon all the property within the county subject to taxation in an amount that will be sufficient, together with all other revenues and money of the county legally available for such purposes, to pay the principal of and interest on those Bonds issued as Parity Lien Obligations as the same become due. All of the taxes so collected will be paid into the Parity Lien Obligation Bond Fund no later than the date those funds are required for the payment of principal of and interest on the Bonds issued as Parity Lien Obligations.

The county hereby irrevocably pledges that the annual tax herein authorized to be levied for the payment of such principal and interest shall be within and a part of the tax levy permitted to counties without a vote of the people, and that a sufficient portion of the taxes to be levied and collected annually by the county prior to the full payment of the principal of and interest on the Bonds issued as Parity Lien Obligations will be and is hereby irrevocably set aside and pledged for the payment of the principal of and interest on those Bonds, and the county hereby covenants to budget for each such payment of principal and interest when due.

The full faith, credit and resources of the county are hereby irrevocably pledged for the annual levy and collection of those taxes and for the prompt payment of the principal of and interest on those Bonds issued as

Parity Lien Obligations as the same become due.

Any Bonds issued hereunder as Parity Bonds are not general obligations of the county, and neither the full faith and credit nor the taxing power of the county are pledged to pay or secure the payment of Bonds issued as Parity Bonds hereunder.

SECTION 12. Pledge of Sewer Revenues.

A. **Parity Bonds.** The amounts covenanted to be paid out of Revenue of the System into the Parity Bond Fund and the accounts therein shall constitute a lien and charge on Revenue of the System superior to all other charges of any kind or nature except Operating and Maintenance Expenses, and of equal lien to any charges heretofore or hereafter made on Revenue of the System for the payment of the principal of and interest on any Parity Bonds.

If money and investments in the Debt Service Account of the Parity Bond Fund and the Parity Bond Reserve Account are reduced below the amounts required to pay the principal and/or interest then due and payable on any Parity Bonds, funds on deposit in any reserve created in the Revenue Fund not then required for the payment of necessary Operating and Maintenance Expenses will be transferred to the Debt Service Account of the Parity Bond Fund to the extent required to pay that principal and interest.

B. **Parity Lien Obligations.** The amounts covenanted to be paid out of Revenue of the System into the Parity Lien Obligation Bond Fund and the accounts therein shall constitute a lien and charge on Revenue of the System subject to Operating and Maintenance Expenses, and junior, subordinate and inferior to the lien and charge on Revenue of the System for the payments required by the ordinances authorizing the Parity Bonds to be made into the Parity Bond Fund and the accounts therein, and equal to the lien and charge on Revenue of the System for the payments required to be made by the ordinances authorizing the issuance of the outstanding Parity Lien Obligations and any additional Parity Lien Obligations, and superior to all other liens and charges on Revenue of the System whatsoever.

SECTION 13. Revenue Fund; Rate Stabilization Fund.

A. **Revenue Fund.** A special fund of the county known as the "Water Quality Operating Account" ("the Revenue Fund") has heretofore been created and is hereby continued. All Revenue of the System will be deposited in the Revenue Fund. All Operating and Maintenance Expenses will be paid out of the Revenue Fund or appropriate reserves therein.

B. **Rate Stabilization Fund.** In anticipation of increases in revenue requirements of the System, a special fund of the county designated as the "Sewer Rate Stabilization Fund" ("the Rate Stabilization Fund") has heretofore been established and is hereby continued. The county may from time to time appropriate or budget amounts in the Revenue Fund for deposit in the Rate Stabilization Fund, as provided in Section 14 of this ordinance, and may from time to time withdraw amounts therefrom for deposit in the Revenue Fund to prevent or mitigate sewer rate increases or for other lawful purposes of the county related to the System, including calculations of "Net Revenue" and "Revenue of the System" for the purposes of satisfying requirements of Sections 18, 24 and 25 of this ordinance.

For any fiscal year: (a) amounts withdrawn from the Revenue Fund and deposited into the Rate Stabilization Fund for that fiscal year must be subtracted from Net Revenue for that fiscal year; and (b) amounts withdrawn from the Rate Stabilization Fund and deposited in the Revenue Fund for that fiscal year may be added to Revenue of the System for that fiscal year.

SECTION 14. Sewer Revenue Priorities of Payment. So long as any Bond is outstanding, all Revenue of the System will be deposited into the Revenue Fund and used and applied in the following order of priority:

First, to pay all Operating and Maintenance Expenses;

Second, to make all required deposits into the Debt Service Account in the Parity Bond Fund to provide for the payment of principal of and interest on Parity Bonds as the same become due and payable and to make any Payment Agreement Payments with respect to any Parity Payment Agreements;

Third, to make all payments required to be made pursuant to a reimbursement agreement or agreements

(or other equivalent documents) in connection with Qualified Insurance or a Qualified Letter of Credit; provided, that if there is not sufficient money to make all payments under such reimbursement agreements, the payments will be made on a pro rata basis;

Fourth, to establish and maintain the Parity Bond Reserve Account (including making deposits into such account and paying the costs of obtaining Qualified Insurance or a Qualified Letter of Credit therefor);

Fifth, to make all required payments of principal and interest on the Parity Lien Obligations and to make any Payment Agreement Payments with respect to any Parity Lien Obligation Payment Agreements;

Sixth, to make all required payments of principal of and interest on the Junior Lien Obligations as the same become due and payable, to make all Payment Agreement Payments with respect to any Payment Agreements entered into with respect to Junior Lien Obligations, and to make any payments required to be made to providers of any credit enhancements or liquidity facilities for Junior Lien Obligations;

Seventh, to make all required payments of principal of and interest on the Multi-Modal LTGO/Sewer Revenue Bonds as the same become due and payable, to make all Payment Agreement Payments for any Payment Agreements entered into with respect to Multi-Modal LTGO/Sewer Revenue Bonds, and to make any payments required to be made to providers of credit enhancements or liquidity facilities for any Multi-Modal LTGO/Sewer Revenue Bonds;

Eighth, to make all required payments of principal of and interest on the Subordinate Lien Obligations as the same become due and payable;

Ninth, to make all required payments of principal of and interest on bonds, notes, warrants and other evidences of indebtedness, the lien and charge on Revenue of the System of which are junior and inferior to the Subordinate Lien Obligations, as the same become due and payable; and

Tenth, to make all required payments of principal of and interest due on the SRF Loans and the Public Works Trust Fund Loans.

Any surplus money that the county may have on hand in the Revenue Fund after making all required

payments set forth above may be used by the county: (a) to make necessary improvements, additions and repairs to and extensions and replacements of the System; (b) to purchase or redeem and retire outstanding sewer revenue bonds of the county; (c) to make deposits into the Rate Stabilization Fund; or (d) for any other lawful purposes of the county related to the System.

SECTION 15. Construction Account; Disposition of Bond Proceeds.

A. **Construction Account.** There has heretofore been created a special fund of the county known as the "Second Water Quality Construction Account" ("the Construction Account"). For purposes of separately accounting for investment earnings on the proceeds of the Project Bonds to facilitate compliance with the requirements of Section 21 of this ordinance, there is hereby established for each Series of Project Bonds issued hereunder a special subaccount within the Construction Account to be designated as the "Series [applicable year designation] Construction Subaccount" (each a "Construction Subaccount").

Money in each Construction Subaccount will be held and applied to pay costs of acquiring, constructing and equipping improvements, additions or betterments to the System as set forth in the Comprehensive Plan and the Capital Improvement Budget and all costs incidental thereto, including engineering, architectural, planning, financial, legal, urban design or any other incidental costs, and to repay any advances heretofore or hereafter made on account of such costs, provided that if deficiencies exist in the Parity Bond Fund or Parity Lien Obligation Bond Fund, money in any Construction Subaccount may be transferred to such fund in any amounts necessary to pay principal of and interest on Parity Bonds or Parity Lien Obligations, as applicable. Pursuant to a Sale Motion, proceeds of a Series of Project Bonds may be designated to pay capitalized interest on those Project Bonds and may be held in the applicable Construction Subaccount or in a trust account to be established with an escrow agent or refunding trustee appointed by the Finance Director, as provided in the Sale Motion.

B. **Disposition of Bond Proceeds.** The proceeds of the Bonds will be deposited as follows:

1. The amount equal to the interest, if any, accruing on each Series of the Bonds from their

dated date to the date of their Closing will be deposited in the appropriate subaccount for the Series created in the Debt Service Account in the Parity Bond Fund or Parity Lien Obligation Bond Fund, as applicable.

2. Proceeds of each Series of the Bonds issued as Parity Bonds may be deposited into the Parity Bond Reserve Account, as will be provided for in each Sale Motion for any Bonds issued as Parity Bonds.

3. The balance of the proceeds of any Series of Project Bonds will be deposited in the appropriate Construction Subaccount (including an escrow account that may be established for capitalized interest) as provided in subsection A. of this section and applied as provided in subsection A. of this section.

4. The balance of the proceeds of any Series of Refunding Bonds will be deposited into the appropriate Refunding Account and applied as provided in Section 16 of this ordinance.

SECTION 16. Refunding Account; Plan of Refunding.

A. **Refunding Account; Guidelines for Refunding.** There is hereby authorized to be established one or more special accounts of the county to be maintained with the Refunding Trustee, each to be known as a "King County [year and Series designation] Sewer Revenue Bonds Refunding Account" (each a "Refunding Account"). Each Refunding Account will be drawn upon for the purpose of paying the principal of and premium, if any, and interest on the applicable Refunded Bonds and of paying costs related to the issuance of that Series of Refunding Bonds and to refunding the applicable Refunded Bonds. Proceeds of the sale of any Refunding Bonds, together with other county funds that may be designated for that purpose, will be deposited into each Refunding Account to provide for refunding the applicable Refunded Bonds in accordance with the ordinances authorizing the Refunded Bonds and to pay the costs of issuance of the Refunding Bonds.

The Finance Director is authorized to determine, in consultation with the county's financial advisors, which of the Refunding Candidates, if any, are to be refunded. In determining which of the Refunding Candidates, if any, should be advance refunded under this ordinance in order to effect a saving to the county and ratepayers of the System, the council intends that the Finance Director adhere to a refunding guideline that

the present value of the savings achieved by such an advance refunding meet or exceed a minimum level of 5% of the principal amount of Refunded Bonds that are advance refunded. This requirement does not apply to the current refunding of any Refunded Bonds, i.e., the redemption of Refunded Bonds paid for with proceeds of Refunding Bonds issued no earlier than 90 days prior to the date fixed for redemption of the Refunded Bonds, or to the refunding of any Refunded Bonds when necessary or in the best interest of the county and ratepayers of the System to modify debt service or reserve requirements, sources of payment, covenants or other terms of the Refunded Bonds.

B. **Plan of Refunding.** Each plan of refunding and call for redemption of Refunded Bonds shall be set forth in and ratified and confirmed by a Sale Motion. Money in each Refunding Account shall be used immediately upon receipt thereof to defease the applicable Refunded Bonds and discharge the other obligations of the county relating thereto under the ordinances that authorized the Refunded Bonds, by providing for the payment of the principal of and premium, if any, and interest on the Refunded Bonds as set forth in a Sale Motion. The county will defease such bonds and discharge such obligations by the use of the money in each Refunding Account to purchase Government Obligations (such obligations so purchased, "Acquired Obligations") bearing interest and maturing as to principal and interest in such amounts and at such times that, together with any necessary beginning cash balance, will provide for the payment of such Refunded Bonds, as set forth in the Sale Motion. Such Acquired Obligations shall be purchased at a yield not greater than the yield permitted by the Code and regulations relating to the obligations acquired in connection with refunding bond issues.

In connection with the issuance of each Series of Refunding Bonds, to carry out the refunding and defeasance of Refunded Bonds, the Finance Director is hereby authorized to appoint a Refunding Trustee qualified by law to perform the duties described herein. Any beginning cash balance and the Acquired Obligations will be irrevocably deposited with the Refunding Trustee in an amount sufficient to defease the Refunding Bonds in accordance with this section and the applicable Sale Motion.

The county will take such actions as are found necessary to see that all necessary and proper fees, compensation and expenses of the Refunding Trustee are paid when due. The proper officers and agents of the county are directed to negotiate an agreement with each Refunding Trustee setting forth the duties, obligations and responsibilities of the Refunding Trustee in connection with the redemption and retirement of the Refunded Bonds as provided herein and setting forth provisions for the payment of the fees, compensation and expenses of the Refunding Trustee as are satisfactory to it. To carry out the purposes of this section, the Finance Director is authorized and directed to execute and deliver to each Refunding Trustee a refunding trust agreement and, if requested, a costs of issuance agreement, in forms approved by the county's bond counsel.

C. **Required Findings.** By a Sale Motion, the council shall set forth its findings of either:

1. savings and defeasance regarding the Refunded Bonds authorized to be refunded from the proceeds of each Series of Refunding Bonds; or
2. the best interest of the county and ratepayers of the System from modifying debt service or reserve requirements, sources of payment, covenants or other terms of the Refunded Bonds authorized to be refunded from the proceeds of each Series of Refunding Bonds.

SECTION 17. Due Regard for Expenses and Sewer Revenues Pledged. The council hereby declares that, in fixing the amounts to be paid into the Parity Bond Fund and Parity Lien Obligation Bond Fund, as applicable, and the accounts therein, out of Revenue of the System, it has exercised due regard for the Operating and Maintenance Expenses and has not obligated the county to set aside in such funds and accounts a greater amount of Revenue of the System than in its judgment will be available over and above the Operating and Maintenance Expenses and Revenue of the System previously pledged.

SECTION 18. Rate Covenants.

A. **Parity Bonds.** The county hereby covenants with the Registered Owner of each of the Bonds issued as Parity Bonds that, for so long as any of the same are outstanding, the county will at all times establish, maintain and collect rates and charges for sewage disposal service that will provide in each calendar year Net

Revenue in an amount that, together with the interest earned during that calendar year on investments of money in the Parity Bond Fund, Parity Bond Reserve Account and Construction Account, will equal or exceed 1.15 times the amount required to pay the Annual Parity Debt Service for such calendar year.

At all times and in any event, rates and charges for sewage disposal service will be sufficient to provide funds adequate to operate and maintain the System, to make all payments and to establish and maintain all reserves required by this or any other ordinance authorizing obligations of the county payable from Revenue of the System, to make up any deficit in such payments remaining from prior years and to pay all costs incurred in the construction or acquisition of any portion of the Comprehensive Plan that may be ordered by the county and for the payment of which sewer revenue bonds (or other obligations payable from Revenue of the System) are not issued.

B. **Parity Lien Obligations.** The county hereby covenants with the Registered Owner of each of the Bonds issued as Parity Lien Obligations that, for so long as any of the same are outstanding, the county will at all times establish, maintain and collect rates and charges for sewage disposal service that will be fair and nondiscriminatory and adequate to provide Revenue of the System sufficient for the proper operation and maintenance of the System; for the punctual payment of the principal of and interest on all outstanding Parity Bonds for which payment has not otherwise been provided and all amounts that the county is obligated to set aside in the Parity Bond Fund securing the Parity Bonds; for the punctual payment of the principal of and interest on all outstanding Parity Lien Obligations and for all amounts that the county is obligated to set aside in the Parity Lien Obligation Bond Fund; and for the payment of any and all other amounts that the county is now or may hereafter become obligated to pay from Revenue of the System.

The county hereby further covenants with the Registered Owner of each of the Bonds issued as Parity Lien Obligations for so long as any of the same are outstanding that the county will at all times establish, maintain and collect rates and charges for sewage disposal service that will provide in each calendar year Net Revenue in an amount that, together with the interest earned during that calendar year on investments made of

money in the Parity Bond Fund, Parity Bond Reserve Account, Parity Lien Obligation Bond Fund and Construction Account, is equal to at least 1.15 times the amounts required to pay the Annual Debt Service for such calendar year.

C. **Rate Stabilization Fund.** In determining compliance with the requirements of this section, Revenue of the System and Net Revenue shall be calculated by taking into account deposits and withdrawals from the Rate Stabilization Fund as provided in Section 13.B. of this ordinance.

SECTION 19. Certain Other Covenants of the County Regarding the Bonds. The county hereby covenants with the Registered Owner of each of the Bonds for as long as any of the Bonds are outstanding, as follows:

A. **Maintain in Good Order.** The county will cause the System and the business in connection therewith to be operated in a safe, sound, efficient, and economic manner in compliance with all health, safety, and environmental laws, regulatory body rules, regulatory body orders and court orders applicable to the county's operation of the System, and will cause the System to be maintained, preserved, reconstructed, expanded and kept, with all appurtenances and every part and parcel thereof, in good repair, working order and condition, and will from time to time cause to be made, without undue deferral, all necessary or proper repairs, replacements and renewals, so that at all times the operation of the System will be properly and advantageously conducted.

B. **Books and Records.** The county will cause proper books of record and accounts of operation of the System to be kept, including an annual financial report.

C. **Annual Audit.** The county will cause its books of accounts, including its annual financial report, to be audited annually by the State auditor's office or other State department or agency as may be authorized and directed by law to make such audits, or if such an audit is not made for twelve months after the close of any fiscal year of the county, by a Certified Public Accountant. The county will furnish the audit to the Owner of any Bond upon written request therefor.

D. **Insurance.** The county will at all times carry fire and extended coverage and such other forms of insurance on such of the buildings, equipment, facilities and properties of the System as under good practice are ordinarily carried on such buildings, equipment, facilities and properties by municipal or privately owned utilities engaged in the operation of sewer systems and will also carry adequate public liability insurance at all times, provided that the county may, if deemed advisable by the council, institute or continue a self-insurance program for any or all of the aforementioned risks.

E. **Construction.** The county will cause the construction of any duly authorized and ordered portions of the Comprehensive Plan to be performed and completed within a reasonable time and at the lowest reasonable cost.

F. **Collection of Revenue.** The county will operate and maintain the System and conduct its affairs so as to entitle it at all times to receive and enforce payment to it of sewage disposal charges payable: (a) pursuant to the ordinance or ordinances establishing a tariff of rates and charges for sewage disposal services; and (b) under any Service Agreement that the county has now or may hereafter enter into and to entitle the county to collect all revenues derived from the operation of the System. The county shall not release the obligations of any person, corporation or political subdivision under such tariff of rates and charges or the Service Agreements and shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the county and of the registered owners of the Parity Bonds and Parity Lien Obligations under or with respect thereto.

In accordance with RCW 35.58.200(3), the county shall require any county, city, special district or other political subdivision to discharge to the System all sewage collected by that entity from any portion of the Seattle metropolitan area that can drain by gravity flow into facilities of the System that serve such areas if the council declares that the health, safety or welfare of the people within the metropolitan area require such action.

G. **Legal Authority.** The county has full legal right, power and authority to adopt this ordinance, to sell, issue and deliver the Bonds as provided herein, and to carry out and consummate all other transactions

contemplated by this ordinance.

H. **Due Authorization.** By all necessary official action prior to or concurrently herewith, the county has duly authorized and approved the execution and delivery of, and the performance by the county of its obligations contained in, the Bonds and this ordinance and the consummation by it of all other transactions necessary to effectuate this ordinance in connection with the issuance of Bonds, and such authorizations and approvals are in full force and effect and have not been amended, modified or supplemented in any material respect.

I. **Binding Obligation.** This ordinance constitutes a legal, valid and binding obligation of the county.

J. **No Conflict.** The county's adoption of this ordinance and its compliance with the provisions contained herein will not conflict with or constitute a breach of or default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, ordinance, motion, agreement or other instrument to which the county is a party or to which the county or any of its property or assets are otherwise subject, nor will any such adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the county or under the terms of any such law, regulation or instrument, except as permitted by this ordinance and the ordinances authorizing the issuance of other Parity Bonds and Parity Lien Obligations.

K. **Performance under Ordinance.** None of the proceeds of the Bonds will be used for any purpose other than as provided in this ordinance, and except as otherwise expressly provided herein, the county shall not suffer any amendment or supplement to this ordinance, or any departure from the due performance of the obligations of the county hereunder, that might materially adversely affect the rights of the Registered Owners from time to time of the Bonds.

L. **Sale or Disposition.** The county will not sell or voluntarily dispose of all of the operating

properties of the System unless provision is made for payment into the Parity Bond Fund and the Parity Lien Obligation Bond Fund of a sum sufficient to pay the principal of and interest on all outstanding Parity Bonds and Parity Lien Obligations in accordance with the terms thereof, nor will the county sell or voluntarily dispose of any part of the operating properties of the System unless provision is made: (a) for payment into the Parity Bond Fund of an amount that will bear at least the same proportion to the amount of the outstanding Parity Bonds that the estimated amount of any resulting reduction in Revenue of the System for the twelve months following such sale or disposition bears to the Revenue of the System that would have been realized if such sale or disposition had not been made; and (b) for payment into the Parity Lien Obligation Bond Fund of an amount that will bear at least the same proportion to the amount of the outstanding Parity Lien Obligations that the estimated amount of any resulting reduction in Revenue of the System for the twelve months following such sale or disposition bears to the Revenue of the System that would have been realized if such sale or disposition had not been made. Those estimates must be made by a Professional Utility Consultant. Any money so paid into the Parity Bond Fund and the Parity Lien Obligation Bond Fund must be used to retire outstanding Parity Bonds and Parity Lien Obligations as provided herein at the earliest possible date; provided, however, that the county may sell or otherwise dispose of any of the works, plant, properties and facilities of the System or any real or personal property comprising a part of the System with a value of less than 5% of the net utility plant of the System or that have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the System, or no longer necessary, material to or useful in such operation, without making any deposit into the Parity Bond Fund or Parity Lien Obligation Bond Fund.

SECTION 20. Certain Other Covenants of the County Regarding the Bonds Issued as Parity Lien Obligations. The county makes the following covenants and warranties to the Registered Owner of each of the Bonds issued as Parity Lien Obligations:

A. The Bonds issued as Parity Lien Obligations, when issued, sold, authenticated and delivered, will constitute legal, valid and binding general obligations of the county.

B. The county covenants that the Bonds issued as Parity Lien Obligations will be issued within all statutory and constitutional debt limitations applicable to the county.

SECTION 21. Tax Covenants. The county will take all actions necessary to assure the exclusion of interest on any Tax-Exempt Obligations from the gross income of the Owners of such Tax-Exempt Obligations to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of such Tax-Exempt Obligations, including but not limited to the following:

A. **Private Activity Bond Limitation.** The county will assure that the proceeds of the Tax-Exempt Obligations are not so used as to cause the Tax-Exempt Obligations to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code, as applicable.

B. **Limitations on Disposition of Project.** The county will not sell or otherwise transfer or dispose of: (a) any personal property components of the project financed or refinanced with Tax-Exempt Obligations other than in the ordinary course of an established government program under Treasury Regulation 1.141-2(d) (4); or (b) any real property components of the project financed or refinanced with Tax-Exempt Obligations, unless it has received an opinion of nationally recognized bond counsel to the effect that such disposition will not adversely affect the treatment of interest on the Tax-Exempt Obligations as excludable from gross income for federal income tax purposes.

C. **Federal Guarantee Prohibition.** The county will not take any action or permit or suffer any action to be taken if the result of such action would be to cause any of the Tax-Exempt Obligations to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

D. **Rebate Requirement.** The county will take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Tax-Exempt Obligations.

E. **No Arbitrage.** The county will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Tax-Exempt Obligations which, if such action had been reasonably expected to have been

taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Obligations would have caused the Tax-Exempt Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code, as applicable.

F. **Registration Covenant.** The county will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code until all Tax-Exempt Obligations have been surrendered and canceled.

G. **Record Retention.** The county will retain its records of all accounting and monitoring it carries out with respect to the Tax-Exempt Obligations for at least three years after the Tax-Exempt Obligations mature or are redeemed (whichever is earlier); however, if the Tax-Exempt Obligations are redeemed and refunded, the county will retain its records of accounting and monitoring at least three years after the earlier of the maturity or redemption of the obligations that refunded the Tax-Exempt Obligations.

H. **Compliance with Tax Certificate.** The county will comply with the provisions of the Tax Certificate with respect to the Tax-Exempt Obligations, which are incorporated herein as if fully set forth herein. In the event of any conflict between this Section and the Tax Certificate, the provisions of the Tax Certificate will prevail. Additional tax covenants as necessary or desirable for any Series of Bonds may be set forth in the Sale Motion or Tax Certificate for that Series of Bonds.

The covenants of this Section will survive payment in full or defeasance of the Tax-Exempt Obligations.

SECTION 22. Trustee for Registered Owners of Parity Bonds.

A. **Appointment of Trustee.** Upon the occurrence of any "event of default" described in Section 23.A. of this ordinance, the Registered Owners of a majority in principal amount of the outstanding Parity Bonds may appoint a Trustee by an instrument or concurrent instruments in writing signed and acknowledged by such Registered Owners or by their attorneys-in-fact duly authorized and delivered to the Trustee, notification thereof being given to the county. Any appointment of a Trustee under the provisions of this subsection A. must be a bank or trust company organized under the laws of the State or the State of New York

or a national banking association. The fees and expenses of a Trustee must be borne by the owners of the Parity Bonds and not by the county. The bank or trust company acting as a Trustee may be removed at any time and a successor Trustee may be appointed by the Registered Owners of a majority in principal amount of the outstanding Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such Registered Owners or by their attorneys-in-fact duly authorized.

The Trustee appointed in the manner herein provided, and each successor thereto, is hereby declared to be a trustee for the Registered Owners of all the Parity Bonds and is empowered to exercise all rights and powers herein conferred on the Trustee.

B. Certain Rights and Obligations of Trustee. The Trustee will not be responsible for recitals in any ordinance or in the Parity Bonds, or for the validity of any Parity Bonds, nor will the Trustee be responsible for insuring the System or for collecting any insurance money or for the title to any property of the System.

The Trustee will be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter or other paper or document believed by it to be genuine and correct and to have been signed, sent or delivered by the person or persons by whom such paper or document is purported to have been signed, sent or delivered.

The Trustee will not be answerable for any neglect or default of any person, firm or corporation employed and selected by it with reasonable care.

The Trustee will permit the owner of any Parity Bonds to inspect any instrument, opinion or certificate filed with the Trustee by the county or by any person, firm or corporation acting for the county.

The Trustee will not be bound to recognize any person as an owner of any Parity Bond until such person's title thereto, if disputed, has been established to the Trustee's reasonable satisfaction.

The Trustee may consult with counsel, and the opinion of such counsel will be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel.

SECTION 23. Events of Default for Parity Bonds; Powers and Duties of Trustee.

A. **Events of Default.** The occurrence of one or more of the following is an "event of default" with respect to any Bonds issued as Parity Bonds under this ordinance:

1. default in the payment of principal of or interest on any Parity Bonds when the same becomes due; or
2. default in the observance or performance of any of the other covenants applicable to Parity Bonds herein contained, and the default continues for a period of six months after written notice to the county from the registered owner of a Parity Bond specifying the default and requiring that it be remedied.

B. **Powers of Trustee.** The Trustee in its own name and on behalf of and for the benefit and protection of the registered owners of all Parity Bonds may proceed, and upon the written request of the Registered Owners of not less than 25% in principal amount of the Parity Bonds then outstanding must proceed, to protect and enforce any rights of the Trustee and, to the full extent that Registered Owners of Parity Bonds themselves might do, the rights of such Registered Owners of Parity Bonds under the laws of the State or under the ordinances providing for the issuance of the Parity Bonds, by such suits, actions or proceedings in equity or at law, either for the specific performance of any covenant contained herein or in aid or execution of any power herein granted or for any proper legal or equitable remedy as the Trustee may deem most effectual to protect and enforce the rights of the Trustee and the Registered Owners of Parity Bonds. In the enforcement of any such rights under this or any other ordinance of the county, the Trustee is entitled to sue for, to enforce payment of and to receive any and all amounts due from the county for principal, interest or otherwise under any of the provisions of such ordinance, with interest on overdue payments at the rate or rates set forth in such Parity Bond or Parity Bonds, together with any and all costs and expenses of collection and of all proceedings taken by the Trustee without prejudice to any other right or remedy of the Trustee or of the owners of the Parity Bonds.

If default is made in the payment of principal of any Parity Bond and the default continues for a period

of 30 days, the Trustee may not accelerate payment of any Parity Bonds but may proceed to enforce payment thereof as hereinabove provided. If, in the sole judgment of the Trustee, any default is cured and the Trustee furnishes the county a certificate so stating, that default is conclusively deemed to be cured, and the county, Trustee and owners of Parity Bonds will be restored to the same rights and position they would have held if no event of default had occurred.

C. **Actions in Name of Trustee.** All rights of action under this ordinance or upon any of the Parity Bonds enforceable by the Trustee may be enforced by the Trustee without the possession of any Parity Bonds or the production thereof in the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee will be brought in its name for the ratable benefit of the Registered Owners of all Parity Bonds, subject to the provisions of this ordinance.

D. **Procedure by Bond Owners.** No owner of any one or more of the Parity Bonds has any right to institute any action, suit or proceedings at law or in equity for the enforcement of the same, unless an event of default occurs and no Trustee has been appointed as herein provided, but any remedy herein authorized to be exercised by a Trustee may be exercised individually by any registered owner of a Parity Bond, in such Registered Owner's own name and on such Registered Owner's own behalf or for the benefit of all registered owners of Parity Bonds, if no Trustee is appointed, or with the consent of the Trustee if such Trustee has been appointed.

E. **Application of Money Collected by Trustee.** Any money collected by the Trustee at any time pursuant to this section will be applied, first, to the payment of its charges, expenses, advances and compensation and the charges, expenses, counsel fees, disbursements and compensation of its agents and attorneys, and, second, toward payment of the amount then due and unpaid upon the Parity Bonds, ratably and without preference or priority of any kind not expressly provided in this ordinance, according to the amounts due and payable on the Parity Bonds at the date fixed by the Trustee for the distribution of such money, upon presentation of the several Parity Bonds and upon causing such payment to be stamped thereon, if partly paid,

and upon surrender thereof, if fully paid.

SECTION 24. Future Parity Bonds. The county further covenants and agrees with the Registered Owner of each of the Bonds issued as Parity Bonds for as long as the same are outstanding that it will not create any special fund for the payment of the principal of and interest on any revenue bonds that will rank on a parity with or have any priority over the payments out of Revenue of the System required to be made into the Parity Bond Fund and the accounts therein to pay or secure the payment of the outstanding Parity Bonds. The county reserves the right for: (a) the purpose of acquiring, constructing and installing any portion of the Comprehensive Plan; (b) the purpose of acquiring, constructing and installing any necessary renewals or replacements of the System; or (c) the purpose of refunding or purchasing and retiring at or prior to their maturity any outstanding obligations of the county payable from Revenue of the System, to issue additional or refunding Parity Bonds (including Variable Rate Parity Bonds) and to make payments into the Parity Bond Fund out of the Revenue Fund that will be sufficient to pay the principal of and interest on those additional or refunding Parity Bonds and to maintain required reserves, such payments out of the Revenue Fund to rank equally with the payments out of the Revenue Fund required to be made into the Parity Bond Fund and the accounts therein for the payment of the principal of and interest on outstanding Parity Bonds, but only upon compliance with the following conditions:

A. At the time of the issuance of any Future Parity Bonds there is no deficiency in the Parity Bond Fund or any account therein.

B. Each ordinance providing for the issuance of any Future Parity Bonds that are refunding bonds must require that all money held in any fund or account of the county created for the purpose of paying the principal of and interest on the bonds being refunded either be used to pay the principal of and interest on such bonds or be transferred or paid into the Parity Bond Fund.

C. Each ordinance providing for the issuance of Future Parity Bonds must provide for the payment of the principal thereof and interest thereon out of the Parity Bond Fund. The Future Parity Bonds may bear

such date of issue, interest payment dates, and principal payment dates, and may mature in such year or years, as the council provides. Each such ordinance will further provide that upon the issuance of any Future Parity Bonds, the county will pay into the Parity Bond Reserve Account an amount that will be sufficient to satisfy the Reserve Requirement then applicable or provide Qualified Insurance or a Qualified Letter of Credit to satisfy the Reserve Requirement.

D. At the time of the issuance of any Future Parity Bonds, the county must have on file a certificate from a Professional Utility Consultant (dated no more than 90 days prior to the date of delivery of such Future Parity Bonds) showing that, in the Professional Utility Consultant's professional opinion, the "annual income available for debt service on Parity Bonds" for each year during the life of such Future Parity Bonds shall be at least equal to 1.25 times the amount required in each such year to pay the Annual Parity Debt Service for such year. Such "annual income available for debt service on Parity Bonds" must be determined as follows for each year following the proposed date of issue of such Future Parity Bonds:

1. The Revenue of the System must be determined for a period of any 12 consecutive months out of the 18 months immediately preceding the delivery of the Future Parity Bonds being issued.
2. Such revenue may be adjusted to give effect on a 12-month basis to the rates in effect on the date of such certificate.
3. If there were any Customers added to the System during such 12-month period or thereafter and prior to the date of the Professional Utility Consultant's certificate, such revenue may be further adjusted on the basis that added Customers were Customers of the System during the entire 12-month period.
4. There will be deducted from such revenue the amount expended for Operating and Maintenance Expenses during such period.
5. For each year following the proposed date of issuance of such Future Parity Bonds the Professional Utility Consultant may add to the annual revenue determined in subsection D.1. through 4. of this section an estimate of the income to be received in each such year from the investment of money in the Parity

Bond Fund and any account therein, and the Construction Account, which is to be determined by and in the sole discretion of a firm of nationally recognized financial consultants selected by the county.

6. Beginning with the second year following the proposed date of issue of such Future Parity Bonds and for each year thereafter, the Professional Utility Consultant may add to the annual revenue determined in subsection D.1. through 5. of this section the Professional Utility Consultant's estimate of any additional annual revenue to be received from anticipated growth in the number of Customers within the area served by the System on the date of such certificate, after deducting therefrom any increased Operating and Maintenance Expenses estimated to be incurred as a result of such growth; provided, that the Professional Utility Consultant's estimate of the number of Customers served may not assume growth of more than 1/4 of 1% over and above the number of Customers served or estimated to be served during the preceding year.

7. If extensions of or additions to the System are in the process of construction at the time of such certificate, or if the proceeds of the Future Parity Bonds being issued are to be used to acquire or construct extensions of or additions to the System, there may be added to the annual net revenue as above determined any revenue not included in subsection D.1. through 6. of this section that will be derived from such additions and extensions after deducting therefrom the estimated additional Operating and Maintenance Expenses to be incurred as a result of such additions and extensions; provided, that such estimated annual revenue will be based upon 75% of any estimated Customer growth in the four years following the first full year in which such additional revenue is to be collected and thereafter the estimated Customer growth may not exceed 1/4 of 1% per year over and above such reduced estimate.

E. Instead of the certificate described in subsection D. of this section, the county may elect to have on file a certificate of the Finance Director demonstrating that during any 12 consecutive calendar months out of the immediately preceding 18 calendar months Net Revenue was at least equal to 1.25 times the amount required to pay, in each year that such Future Parity Bonds would be outstanding, the Annual Parity Debt Service for such year.

F. For the purpose of refunding at or prior to their maturity any outstanding Parity Bonds or any bonds or other obligations of the county payable from Revenue of the System, the county may at any time issue Future Parity Bonds without complying with the provisions of subsection D. or E. of this section; provided, that the county may not issue Future Parity Bonds for such purpose under this subsection F. unless the Finance Director certifies that upon the issuance of such Future Parity Bonds: (a) total debt service required for all Parity Bonds (including the refunding bonds and not including the bonds to be refunded thereby) will decrease; and (b) the Annual Parity Debt Service for each year that any Parity Bonds (including the refunding bonds and not including the bonds to be refunded thereby) are then outstanding will not be increased by more than \$5,000 by reason of the issuance of such Future Parity Bonds.

The principal amount of Future Parity Bonds issued pursuant to this subsection F. may include amounts necessary to pay the principal of the Parity Bonds or other obligations to be refunded, interest thereon to the date of payment or redemption thereof, any premium payable thereon upon such payment or redemption and the costs of issuance of such Future Parity Bonds, and if a Payment Agreement has been provided with respect to the obligations to be refunded, may include amounts necessary to make the payment of all amounts, if any, due and payable by the county under such Payment Agreement. The proceeds of such Future Parity Bonds will be held and applied in such manner as is provided for in the ordinance authorizing the issuance of the Parity Bonds or other obligations to be refunded, so that upon the delivery of such Future Parity Bonds, the Parity Bonds or other obligations to be refunded thereby will be deemed no longer outstanding in accordance with the ordinance authorizing their issuance.

G. . Nothing contained in this ordinance prevents the county from issuing revenue bonds that are a charge on Revenue of the System and money in the Revenue Fund junior or inferior to the payments required to be made therefrom into the Parity Bond Fund and any account therein, nor shall anything herein contained prevent the county from issuing Future Parity Bonds to refund maturing Parity Bonds for the payment of which money is not otherwise available.

SECTION 25. Additional Parity Lien Obligations. The county expressly reserves the right to issue additional Parity Bonds in accordance with the ordinances, including this ordinance, authorizing the Parity Bonds. Subject to this reservation of rights with respect to Parity Bonds, the county hereby covenants and agrees with the Registered Owner of each of the Bonds issued as Parity Lien Obligations, so long as such Bonds are outstanding, that it will not issue or incur any other additional indebtedness secured in whole or in part by a lien on Revenue of the System superior to the lien of such Bonds issued as Parity Lien Obligations.

A. **Parity Lien Obligations Other Than Refunding Bonds.** The county expressly reserves the right to issue or enter into additional Parity Lien Obligations (including Variable Rate Parity Lien Obligations as defined herein) for any lawful purpose of the county related to the System if at the time of issuing or entering into such Parity Lien Obligations:

1. There is no deficiency in the Parity Bond Fund, the Parity Lien Obligation Bond Fund or any other bond fund or account securing Parity Lien Obligations.

2. The county has on file a certificate from a Professional Utility Consultant (dated no more than 90 days prior to the date of delivery of such Parity Lien Obligations) showing that, in the Professional Utility Consultant's professional opinion, the "annual income available for debt service on Parity Bonds and Parity Lien Obligations" for each year during the life of such Parity Lien Obligations is at least equal to 1.25 times the amount required to pay Annual Debt Service in each such year. Such "annual income available for debt service on Parity Bonds and Parity Lien Obligations" shall be determined as follows for each year following the proposed date of issue of such additional Parity Lien Obligations:

a. The Revenue of the System must be determined for a period of any 12 consecutive months out of the 18 months immediately preceding the delivery of the Parity Lien Obligations being issued.

b. Such revenue may be adjusted to give effect on a 12-month basis to the rates in effect on the date of such certificate.

c. If there were any Customers added to the System during such 12-month period or thereafter and prior to the date of the Professional Utility Consultant's certificate, such revenue may be further adjusted on the basis that added Customers were Customers of the System during the entire 12-month period.

d. There will be deducted from such revenue the amount expended for Operating and Maintenance Expenses during such period.

e. For each year following the proposed date of issuance of such Parity Lien Obligations the Professional Utility Consultant may add to the annual revenue determined in clauses a through d of this paragraph 2 an estimate of the income to be received in each such year from the investment of money in the Parity Bond Fund, the Parity Lien Obligation Bond Fund and the Construction Account, which is to be determined by and in the sole discretion of a firm of nationally recognized financial consultants selected by the county.

f. Beginning with the second year following the proposed date of issue of such Parity Lien Obligations and for each year thereafter the Professional Utility Consultant may add to the annual revenue determined in clauses a through e of this paragraph 2 the Professional Utility Consultant's estimate of any additional annual revenue to be received from anticipated growth in the number of Customers within the area served by the System on the date of such certificate, after deducting therefrom any increased Operating and Maintenance Expenses estimated to be incurred as a result of such growth; provided, that the Professional Utility Consultant's estimate of the number of customers served may not assume a growth of more than 1/4 of 1% over and above the number of customers served or estimated to be served during the preceding year.

g. If extensions of or additions to the System are in the process of construction at the time of such certificate, or if the proceeds of the Parity Lien Obligations being issued are to be used to acquire or construct extensions of or additions to the System, there may be added to the annual net revenue as above determined any revenue not included in clauses a through f of this paragraph 2 that will be derived from such additions and extensions after deducting therefrom the estimated additional Operating and Maintenance

Expenses to be incurred as a result of such additions and extensions; provided, that such estimated annual revenue must be based upon 75% of any estimated Customer growth in the four years following the first full year in which such additional revenue is to be collected and thereafter the estimated Customer growth may not exceed 1/4 of 1% per year over and above such reduced estimate.

3. Instead of the certificate described in subsection A.2. of this section, the county may elect to have on file a certificate of the Finance Director demonstrating that during any 12 consecutive calendar months out of the immediately preceding 18 calendar months Net Revenue was at least equal to 1.25 times the amount required to pay, in each year that such Parity Lien Obligations would be outstanding, the Annual Debt Service for such year.

B. Parity Lien Obligations That Are Refunding Bonds.

1. The county may at any time, for the purpose of refunding at or prior to their maturity any outstanding Parity Lien Obligations, Parity Bonds, or any bonds or other obligations of the county payable from Revenue of the System, issue additional Parity Lien Obligations without complying with the provisions of subsection A.2. and 3. of this section if there is filed with the clerk of the council a certificate of the Finance Director stating that upon the issuance of such additional Parity Lien Obligations: (a) total debt service on all Parity Bonds and Parity Lien Obligations (including the refunding bonds but not including the bonds to be refunded thereby) will decrease; and (b) the Annual Debt Service for each year that any Parity Bonds and any Parity Lien Obligations (including the refunding bonds but not including the bonds to be refunded thereby) are then outstanding will not be increased by more than \$5,000 by reason of the issuance of such additional Parity Lien Obligations.

2. The principal amount of such Parity Lien Obligations may include amounts necessary to pay the principal of the bonds or other obligations to be refunded, interest thereon to the date of payment or redemption thereof and any premium payable thereon upon such payment or redemption and the costs of issuance of such Parity Lien Obligations and, if a Payment Agreement has been provided with respect to the

obligations to be refunded, may include amounts necessary to make the payment of all amounts, if any, due and payable by the county under such Payment Agreement. The proceeds of such Parity Lien Obligations will be held and applied as provided in the ordinance authorizing the issuance of such Parity Lien Obligations, so that upon the delivery of such Parity Lien Obligations, the bonds or other obligations to be refunded thereby will be deemed no longer outstanding in accordance with the ordinance authorizing their issuance.

3. At the election of the county, the provisions of this subsection B. need not apply to the refunding at one time of all the Parity Lien Obligations then outstanding.

4. Nothing contained in this ordinance prohibits or prevents, or will be deemed or construed to prohibit or prevent, the county from issuing Parity Lien Obligations to refund maturing Parity Lien Obligations of the county for the payment of which money is not otherwise available.

C. **Subordinate Obligations.** Nothing in this ordinance prohibits, or will be deemed or construed to prohibit, the county from authorizing and issuing bonds, notes or other evidences of indebtedness for any purpose of the county related to the System payable in whole or in part from Revenue of the System and secured by a lien on Revenue of the System that is junior, subordinate and inferior to the lien of any Bonds issued as Parity Lien Obligations.

SECTION 26. Reimbursement Obligations. If the county elects to secure any Bonds with a Credit Facility, the county may contract with the entity providing the Credit Facility that the reimbursement obligation, if any, to that entity will be a Parity Bond or Parity Lien Obligation, as applicable.

SECTION 27. Payment Agreements.

A. **General.** To the extent and for the purposes permitted from time to time by chapter 39.96 RCW, as it may be amended, and other applicable provisions of State law, the county may enter into Payment Agreements, subject to the conditions set forth in this section and in other provisions of this ordinance.

B. **Manner and Schedule of Payments.** Each Payment Agreement must set forth the manner in which the Payment Agreement Payments and the Payment Agreement Receipts will be calculated and a

schedule of payment dates.

C. **Authorizing Ordinance.** Prior to entering into a Payment Agreement, the council must adopt an ordinance authorizing such agreement and setting forth such provisions as the county deems necessary or desirable and are not inconsistent with the provisions of this ordinance.

D. **Calculation of Payment Agreement Payments and Debt Service on Bonds with Respect to which a Payment Agreement is in Force.** It is the intent of the county, for purposes of Section 18, 24 or 25 of this ordinance, that debt service on Parity Bonds with respect to which a Parity Payment Agreement is in force will be calculated to reflect the net economic effect on the county intended to be produced by the terms of such Parity Bonds and Parity Payment Agreement and that debt service on Parity Lien Obligation Bonds with respect to which a Parity Lien Obligation Payment Agreement is in force will be calculated to reflect the net economic effect on the county intended to be produced by the terms of such Parity Lien Obligation Bonds and Parity Lien Obligation Payment Agreement. In calculating such amounts, the county will be guided by the following requirements.

1. The amount of interest deemed to be payable on any Bonds with respect to which a Payment Agreement is in force will be an amount equal to the amount of interest that would be payable at the rate or rates stated in those Bonds plus Payment Agreement Payments minus Payment Agreement Receipts.

2. For any period during which Payment Agreement Payments are not taken into account in calculating interest on any outstanding Bonds because the Payment Agreement is not then related to any outstanding Bonds, Payment Agreement Payments on that Parity Payment Agreement will be calculated based upon the following assumptions:

a. **County Obligated to Make Payments Based on Fixed Rate.** If the county is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make payments based on a variable rate index, payments by the county will be based on the assumed fixed payor rate, and payments by the Qualified Counterparty will be based on a rate equal to the

average rate determined by the variable rate index specified by the Payment Agreement during the fiscal quarter preceding the quarter in which the calculation is made; and

b. **County Obligated to Make Payments Based on Variable Rate Index.** If the county is obligated to make Payment Agreement Payments based on a variable rate index and the Qualified Counterparty is obligated to make payments based on a fixed rate, payments by the county will be based on a rate equal to the average rate determined by the variable rate index specified by the Payment Agreement during the fiscal quarter preceding the quarter in which the calculation is made, and the Qualified Counterparty will make payments based on the fixed rate specified by the Payment Agreement.

E. **Prior Notice to Rating Agencies.** The county will give notice to Moody's and S&P 30 days prior to the date it intends to enter into a Parity Payment Agreement and will give notice to Fitch, Moody's and S&P 30 days prior to the date it intends to enter into a Parity Lien Obligation Payment Agreement.

SECTION 28. Sale of Bonds.

A. **Determination by Finance Director.** The Finance Director shall determine, in consultation with the county's financial advisors, the principal amount of each Series of the Project Bonds, which of the Refunding Candidates will be refunded, whether any Series of Project Bonds or Refunding Bonds will be sold separately or in one or more combined Series, whether each Series of Bonds will be structured as Tax-Exempt Obligations or otherwise, and whether each Series of Bonds will be sold by negotiated sale, competitive bid or to the federal government or another purchaser, and for current or future delivery. The Finance Director is authorized to designate any or all of a Series of Bonds as "green bonds" or any similar designation indicating the purpose for which the proceeds of the Bonds are to be used. The authority to sell (e.g., enter into a purchase contract, accept a bid for or enter into a loan or other agreement for) any of the Bonds authorized hereunder will terminate December 31, 2022, but all other provisions of this ordinance will remain in full force and effect. The authority of the county to sell (e.g., enter into a bond purchase contract, accept a bid to sell any Bonds or enter into a loan or other agreement for the sale of the Bonds) any of the Bonds, as defined in and pursuant to

Ordinance 18587 and Ordinance 18588, will terminate on the effective date of this ordinance, but all other provisions of Ordinance 18587 and Ordinance 18588 will remain in full force and effect.

B. Satisfaction of Additional Bonds Tests. The Finance Director will provide or cause to be provided by a Professional Utility Consultant any certifications required to comply with the tests established in prior ordinances of the county for the issuance of additional Parity Bonds and additional Parity Lien Obligations, as applicable. In each Sale Motion for a Series of Bonds, the council shall make findings regarding the satisfaction of the additional bonds tests applicable to that Series of Bonds.

C. Procedure for Negotiated Sale. If the Finance Director determines that any Series of the Bonds will be sold by negotiated sale, the Finance Director shall, in accordance with applicable county procurement procedures, solicit one or more underwriting firms with which to negotiate the sale of the Bonds. The purchase contract for each Series of the Bonds shall establish the year and Series designation, date, principal amount, interest payment dates, interest rates, maturity schedule and redemption and bond insurance provisions of such Series of Bonds. The bond purchase contract for a Series of Bonds shall not be executed and delivered unless and until the council by a Sale Motion approves the bond purchase contract and ratifies and confirms the terms for the Series of Bonds established therein.

D. Procedure for Sale by Competitive Bid. If the Finance Director determines that any Series of the Bonds will be sold by competitive bid, bids for the purchase of such Series of Bonds will be received at such time or place and by such means as the Finance Director directs. The Finance Director is authorized to prepare an official notice of bond sale for such Series of Bonds, establishing in such notice the year and Series designation, date, principal amount, interest payment dates, maturity schedule and optional redemption and bond insurance provisions of the Bonds. The official notice of bond sale or an abridged form thereof may be published in such newspapers or financial journals as the county's financial advisors deem desirable or appropriate.

Upon the date and time established for the receipt of bids for a Series of the Bonds, the Finance Director

or the Finance Director's designee will review the bids, cause the bids to be mathematically verified and report to the council regarding the bids received. Such bids will then be considered and acted upon by the council in an open public meeting. The council reserves the right to reject any and all bids for such Series of Bonds. The council by a Sale Motion will approve the sale of such Series of Bonds and ratify and confirm the year and Series designation, date, principal amount, interest payment dates, interest rates, maturity schedule, redemption and bond insurance provisions and any other terms of such Series of Bonds.

E. **Other Sales.** If the Finance Director determines that any Series of Bonds will be sold to the federal government or other purchaser to evidence a loan from that purchaser, the Finance Director will negotiate the sale of such Bonds and the terms of any loan or other agreement with the purchaser. The loan agreement or other agreement for such Series of Bonds will identify the year and any applicable Series designation, date, principal amounts and maturity dates, interest rates and interest payment dates, redemption and/or purchase provisions and delivery date for such Series of Bonds. The county council, by Sale Motion, will approve the loan or other agreement and ratify and establish the terms for such Series of Bonds identified in such loan or other agreement as provided in the Sale Motion.

SECTION 29. Delivery of Bonds. Following the sale of each Series of the Bonds, the county will cause definitive Bonds to be prepared, executed and delivered in accordance with the provisions of this ordinance and in a form acceptable to DTC as initial depository for the Bonds, with the approving legal opinion of municipal bond counsel regarding such Series of Bonds.

SECTION 30. Preliminary Official Statement; Official Statement. The county authorizes and directs the Finance Director: (a) to review and approve the information contained in one or more preliminary official statements (each, a "Preliminary Official Statement"), if any, prepared in connection with the sale of a Series of the Bonds; and (b) for the sole purpose of the Bond purchasers' compliance with paragraph (b)(1) of Rule 15c2-12, to deem final that Preliminary Official Statement as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. After each Preliminary Official Statement has been reviewed and

approved in accordance with the provisions of this section, the county hereby authorizes distribution of such Preliminary Official Statement to prospective purchasers of such Series of Bonds.

Following the sale of each Series of the Bonds in accordance with Section 28 of this ordinance, the Finance Director is hereby authorized to review and approve on behalf of the county each final official statement with respect to such Series of Bonds. The county shall cooperate with the purchaser of each Series of Bonds to deliver or cause to be delivered, within seven business days after the date of the Sale Motion (or within such other period as may be required by applicable law) and in sufficient time to accompany any confirmation that requests payment from any customer of the purchaser, copies of any final official statement pertaining to such Series of Bonds in sufficient quantity to comply with paragraph (b)(4) of Rule 15c2-12 and the rules of the MSRB.

SECTION 31. Undertaking to Provide Ongoing Disclosure. If and to the extent required by paragraph (b)(5) of Rule 15c2-12, each Sale Motion will authorize an Undertaking for the applicable Series of the Bonds.

SECTION 32. General Authorization. The appropriate county officials, agents and representatives are hereby authorized and directed to do everything necessary for the prompt sale, issuance, execution and delivery of the Bonds, and for the proper use and application of the proceeds of the sale thereof.

SECTION 33. Investment of Funds and Accounts. Money in the Parity Bond Fund, Parity Bond Reserve Account, Parity Lien Obligation Bond Fund, Revenue Fund and Construction Account may be invested in any Permitted Investments. Obligations purchased as an investment of money in the Parity Bond Fund, Parity Bond Reserve Account, Parity Lien Obligation Bond Fund, Revenue Fund and Construction Account and accounts or subaccounts therein will be deemed at all times to be a part of such respective fund, account or subaccount, and the income or interest earned and profits realized or losses suffered by a fund, account or subaccount due to the investment thereof will be retained in, credited or charged, as the case may be, to such fund or account.

SECTION 34. Refunding or Defeasance of Bonds. The county may issue refunding obligations pursuant to State law or use money available from any other lawful source to carry out a refunding or defeasance plan, which may include: (a) paying when due the principal of and interest on any or all of the Bonds ("the Defeased Bonds"); (b) redeeming the Defeased Bonds prior to their maturity; and (c) paying the costs of the refunding or defeasance. If the county sets aside in a special trust fund or escrow account irrevocably pledged to that redemption or defeasance ("the trust account") money and/or Government Obligations maturing at a time or times and bearing interest in amounts sufficient to redeem, refund or defease the Defeased Bonds in accordance with their terms, then all right and interest of the Owners of the Defeased Bonds in the covenants of this ordinance and in the funds and accounts obligated to the payment of the Defeased Bonds shall cease and become void. Thereafter, the Registered Owners of Defeased Bonds shall have the right to receive payment of the principal of and premium, if any, and interest on the Defeased Bonds solely from the trust account and the Defeased Bonds shall be deemed no longer outstanding. In that event, the county may apply money remaining in any fund or account (other than the trust account) established for the payment or redemption of the Defeased Bonds to any lawful purpose.

Unless otherwise specified by the county in a refunding or defeasance plan, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner prescribed in this ordinance for the redemption of Bonds.

SECTION 35. Supplemental Ordinances.

A. **Without Bondowner Consent.** The council from time to time and at any time may adopt an ordinance or ordinances supplemental to this ordinance, without the consent of owners of any of the Bonds, for any one or more of the following purposes:

1. To add to the covenants and agreements of the county in this ordinance such other covenants and agreements thereafter to be observed that will not adversely affect the interests of the registered owners of any Parity Bonds or Parity Lien Obligations, as applicable, or to surrender any right or power herein

reserved to or conferred upon the county.

2. To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this ordinance or any ordinance authorizing Parity Bonds or Parity Lien Obligations in regard to matters or questions arising under such ordinances as the council may deem necessary or desirable and not inconsistent with such ordinances and that will not adversely affect the interest of the registered owners of Parity Bonds or Parity Lien Obligations, as applicable.

B. With Bondowner Consent.

1. With the consent of the registered owners of not less than 51% in aggregate principal amount of all Parity Bonds at the time outstanding, the council may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this ordinance or of any supplemental ordinance applicable to Parity Bonds, except as described in subsection B.3. of this section.

2. From and after the First Springing Amendment Date (Parity Lien Obligations), with the consent of the registered owners of not less than 51% in aggregate principal amount of all Parity Lien Obligations at the time outstanding, the council may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this ordinance or of any supplemental ordinance applicable to Parity Lien Obligations, except as described in subsection B.3. of this section.

3. No supplemental ordinance entered into pursuant to this subsection B. may:

a. Extend the fixed maturity of any Parity Bonds or Parity Lien Obligations, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the registered owner of each bond so affected; or

b. Reduce the aforesaid percentage of registered owners of Parity Bonds or Parity

Lien Obligations required to approve any such supplemental ordinance, without the consent of the registered owners of all of such bonds.

4. It is not necessary for the consent of registered owners of bonds under this subsection B. to approve the particular form of any proposed supplemental ordinance, but it is sufficient if such consent approves the substance thereof.

C. **Amendments Deemed Approved by Parity Bondowners.** The Registered Owners from time to time of the Bonds issued as Parity Bonds, by taking and holding the same, shall be deemed to have consented to the adoption of an ordinance or ordinances supplemental to this ordinance to amend the definition of Reserve Requirement. From and after the First Springing Amendment Date (Parity Bonds), such supplemental ordinance or ordinances may:

1. Establish one or more separate Reserve Requirements for one or more Series of Parity Bonds, including each Series of the Bonds issued as Parity Bonds;
2. Reduce any Reserve Requirement, including the Reserve Requirement for each Series of the Bonds issued as Parity Bonds, to an amount less than maximum Annual Parity Debt Service in any calendar year, including to zero; and
3. Establish one or more separate subaccounts within the Parity Bond Reserve Account to secure one or more Series of Parity Bonds, including each Series of the Bonds issued as Parity Bonds, with other Series of Parity Bonds not being secured by such separate subaccounts.

The adoption of any such supplemental ordinance or ordinances may result in Bonds issued as Parity Bonds not being secured by any amounts in the Parity Bond Reserve Account.

SECTION 36. Ordinance a Contract; Severability. The covenants contained in this ordinance constitute a contract between the county and: (a) the Registered Owner of each Bond; (b) the Qualified Counterparty to any Payment Agreement entered into with respect to any Bonds; and (c) the provider of any Credit Facility, Qualified Insurance or Qualified Letter of Credit with respect to any Bonds. If any court of

competent jurisdiction determines that any covenant or agreement provided in this ordinance to be performed on the part of the county is contrary to law, then such covenant or agreement shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds.

SECTION 37. Effective Date. This ordinance shall be effective 10 days after its enactment, in accordance with Article II of the county charter.
