A MOTION adopting the King County Strategic Information Technology Plan 2020-2023, which identifies technology objectives and strategies that provide clear direction and guidance for technology efforts and investments in King County.

WHEREAS, the department of information technology is required under K.C.C. 2A.380.200.B. to produce a strategic information technology plan with annual updates for council approval, and

WHEREAS, a draft plan was developed with input from information technology governance bodies, direct community input, business leaders and technology leaders, and

WHEREAS, the draft overview and objectives within the plan were unanimously endorsed by the strategic advisory council consisting of all separately elected or their representatives on October 18, 2019, and

WHEREAS, the prior Strategic Information Technology Plan 2016-2019 saw significant completion as reported in the 2019 Strategic Technology Plan Update that was transmitted to Council on April 30, 2019, and

WHEREAS, the plan demonstrates alignment and support for the King County Strategic Plan and executive priorities;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County Strategic Information Technology Plan 2020-2023, which is Attachment A to this motion, is hereby adopted.
