AN ORDINANCE providing a supplemental appropriation of \$604,000 to the building repair and replacement fund and amending the 2014 Annual Budget Ordinance, Ordinance 17695, Section 63, as amended, and Attachment B as amended.

PREAMBLE:

Built in 1908 as the new City Hall, the Yesler Building is an historic landmark owned by King County government. Over the years the county has used the building to house various programs and agencies. The recent consolidation of the public defense agencies into the King County department of public defense has created a need for contiguous space to accommodate the new county employees. Predevelopment work will determine the feasibility of the adaptive reuse of the Yesler Building as a cost-efficient, long-term solution for collocating this vital public service.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 17695, Section 63, as amended, is hereby amended by adding thereto and inserting the following:
