A MOTION establishing the 2002 work plan for the regional water quality committee of the King County council.

WHEREAS; the regional water quality committee of the King County council is established by the King County charter and may develop, recommend and review regional policies and plans for consideration by the metropolitan county council, and

WHEREAS, the regional water quality committee develops, reviews and recommends countywide policies and plans related to the water pollution control functions formerly provided by the municipality of metropolitan Seattle, and

WHEREAS, plans and policies that are assigned to the committee include, but are not limited to, water quality comprehensive and long-range capital improvement plans, service area and extension policies, rate policies, and the facility siting policy and major facilities siting process;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

A. The work plan for the regional water quality committee for 2002 shall address countywide policies, plans or topics listed in Attachment A to this motion.

B. In addition to the items listed in subsection A of this motion, the work plan shall include countywide policies or plans that respond to current or emergent concerns, that are of regional interest and that relate to multiple jurisdictions. The committee may amend its work plan to include such issues, for consideration by the council.
