A MOTION confirming the executive's appointment of Dorothy Frost Teeter, who resides in council district four, to the Harborview Medical Center board of trustees, as a council at-large representative.

WHEREAS, Dorothy Frost Teeter has held an appointment as a clinical assistant professor within the School of Public Health at the University of Washington. In that role, Ms. Frost Teeter lectured from time to time for students earning their master's degrees in health services administration. Ms. Frost Teeter was not compensated for those lectures or for any other work performed for the university. Ms. Frost Teeter has not lectured at the University of Washington in the last three years. NOW, THEREFORE, BE IT MOVED by the Council of King County:
