AN ORDINANCE relating to reorganization of the department of public safety;
amending Ordinance 1438, Section 3(c), as amended, and K.C.C. 2.16.060 and
adding a new section to K.C.C. chapter 3.16.

PREAMBLE:

State law allows a sheriff with a staff of five hundred one or more employees to have ten positions designated as unclassified service or exempt from the civil service system.

By the power granted in RCW 41.14.070(4), the county legislative authority may grant a sheriff up to twenty additional unclassified positions.

The King County sheriff's office currently has fourteen unclassified positions, which are exempt from the state civil service system for county sheriff's employees.

The positions of communications director, sheriff's aide and the chief of a newly proposed professional standards division in the sheriff's office have a close and confidential relationship with the sheriff.

While these positions are typically exempt from civil service rules, and fall within the type of positions that can be exempt from state civil service, they are not currently included in the positions designated by King County as unclassified and exempt from civil service rules.
