AN ORDINANCE establishing the King County children and youth advisory board; and adding a new chapter to K.C.C. Title 2A.

STATEMENT OF FACTS:

1. In 2014, the county enacted Ordinance 17738, establishing the youth action plan task force and providing policy direction regarding the development of a youth action plan.
2. In April 2015, the metropolitan King County council approved Motion 14378, adopting the Youth Action Plan. The Youth Action Plan recommends that King County create an advisory board to support the county's system wide accountability for serving children and families and youth and young adults. The task force recommends this be "an inclusive body comprised of a

wide array of citizens, stakeholders, and entities that can draw upon experience, knowledge and information to assist King County policymakers as they consider outcomes, policies, and investments for children and families and youth and young adults."

3. The specific tasks for an advisory board envisioned by the Youth Action Plan are:

- a. Receive and review King County outcomes and data, recommending improvements and modifications to achieve outcomes and support strong data collection/indicator protocols;
- b. Assist with the comprehensive review and analysis of King County government's programs, services and outcomes for children and families and youth and young adults for alignment with other initiatives and coalitions that have outcomes identified for children and families and youth and young adults;
- c. Recommend policy, budget and other findings to the King County executive and council, ensuring alignment with other initiatives and coalitions that have outcomes identified for children and families and youth and young adults;
- d. Participate with, track and report on efforts of partnerships, coalitions, and networks throughout the region to inform the development of an aligned, region wide response that leads to improved outcomes; and
- e. Be a forum for discussion and exchange of ideas in response to emergent needs, promising practices, and continuous improvement.

4. In July 2015, Ordinance 18088 submitted to the voters of King County a proposition known as "best starts for kids levy," authorizing a regular property tax levy in excess of the levy limitation for six consecutive years, commencing in 2016, at a rate not to exceed fourteen cents per one thousand dollars of assessed value in the first year and an increase of up to three percent in the five succeeding years, for the purpose of funding prevention and early intervention strategies to improve the health and well-being of children, youth and their communities. The

youth action plan task force members helped shape the best starts for kids levy proposition.

5. Ordinance 18088 also directs the executive to transmit to the council by December 1, 2015, a plan relating to an oversight and advisory board for the portion of the best starts for kids levy proceeds related to children and youth strategies and a proposed ordinance identifying the duties and composition of the oversight and advisory board. Ordinance 18088 requires that the oversight and advisory plan be consistent with the recommendations in the county's youth action plan and that the oversight and advisory board shall be comprised of a wide array of King County residents and stakeholders with geographically and culturally diverse perspectives.
