Clerk 09/26/2016

AN ORDINANCE relating to county property tax levies for collection in 2017;  
implementing RCW 84.55.0101, finding substantial need and providing for a  
limit factor of one hundred and one percent in accordance with RCW 84.55.0101.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

**SECTION 1. Findings:**

A. RCW 84.55.0101 allows the county council to set limit factors for regular property tax levies to a maximum of one hundred one percent upon a finding of substantial need.

B. The total adopted King County budget for 2017-2018 is \$10 billion and the total adopted general

fund budget for 2017-2018 is \$1.65 billion.

C. The general fund and other funds are continuing to experience a fiscal shortfall that is the result of revenue growth that is not keeping pace with the increasing costs of providing services.

D. The fiscal shortfall is expected to continue in 2018 and thereafter.

E. King County has aggressively reviewed all expenditures in the general fund and other property-tax-supported funds for reductions and has reviewed possibilities for enhanced revenues.

F. King County has reduced the general fund budget and other property-tax-supported budgets below the amounts necessary to sustain current service levels through direct service reductions and efficiencies.

G. The 2017-2018 Biennial Budget Ordinance assumes that property taxes increase by the one-percent limit factor and any increase less than that would require substantial direct service reductions.

H. Because of the findings in subsections A. through G. of this section, the King County council finds that a substantial need exists for the use of property tax limit factors up to the maximum of one hundred one percent.

SECTION 2. The limit factors to be used for county property tax levies for taxes to be collected in 2017 shall be as follows:

Levy	Limit Factor
Regular Levy	One hundred one percent
Emergency Medical Services (EMS)	One hundred one percent
County Road District	One hundred one percent
Conservation Futures	One hundred one percent
Transit	One hundred one percent
Marine	One hundred one percent
