Clerk 12/20/2016

AN ORDINANCE authorizing the use of an interlocal agreement template for city entities seeking to enter into an agreement for community work program services with King County.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings:

A. King County's department of adult and juvenile detention community work program has been providing services to various cities and public entities in King County for close to sixteen years.

B. Jurisdictions receiving community work program services in 2016 include the cities of Kenmore, Lake Forest Park, Burien, and Newcastle, along with the City of Seattle through Seattle City Light. The

program also provides services to King County facilities management division, the King County transit division and the King County department of natural resources and parks and the unincorporated areas of White Center and Skyway.

C. Other communities have expressed interest over time and this template would make it more efficient for the county to contract when potential customers express interest.

D. The new template provides for a one-year term and a renewal process and spells out the roles of each of the entities.

E. Two cities, SeaTac and Maple Valley, have recently expressed interest in contracting for community work program services with King County.

SECTION 2. The executive is hereby authorized to execute interlocal agreements for community work program services with any city in King County, in substantially the form of Attachment A to this ordinance.
