A. "Community" means a group of people who share some or all of the following: geographic boundaries, sense of membership, culture, language, common norms and interests.

B. "Determinants of equity" means the social, economic, geographic, political and physical environment conditions in which people in our county are born, grow, live, work and age that lead to the creation of a fair and just society. Access to the determinants of equity is necessary to have equity for all people regardless of race, class, gender or language spoken. Inequities are created when barriers exist that prevent individuals and communities from accessing these conditions and reaching their full potential. The determinants of equity are:

1. Community economic development that supports local ownership of assets, including homes and businesses, and assures fair access for all to business development and business retention opportunities;

2. Community and public safety that includes services such as fire, police, emergency medical services and code enforcement that are responsive to all residents so that everyone feels safe to live, work and play in any neighborhood of King County;

"Equity and social justice foundational practices" means those practices that can increase the county's influence on access to the determinants of equity when applied to the county's actions in: siting and delivery of services; policy development and decision making; education and communication within county government; and community engagement and partnerships. Equity and social justice foundational practices are goals for all governmental actions; across countywide strategic plan goals, objectives and strategies; and across agencies, programs and services. The equity and social justice foundational practices are efforts that enable King County government to:

1. Raise and sustain the visibility of the countywide strategic plan's "fair and just" principle and equity and social justice values, policies and foundational practices;

2. Increase focus on the determinants of equity in order to make progress in the elimination of the root cause of inequities;

5. Collaborate across agencies, departments and other organizations;

6. Build capacity to engage all communities in a manner that: promotes and foster trust among people across geographic, race, class and gender lines; results in more effective policies, processes and services; and supports communities' efforts to develop solutions.

F. "Fair and just" means the county serves all residents by promoting fairness and opportunity and eliminating inequities through actions to which equity and social justice foundational practices are applied.

G. "Inequity" means differences in well-being that disadvantage one individual or group in favor of another. These differences are systematic, patterned and unfair and can be changed. Inequities are not random; they are caused by past and current decisions, systems of power and privilege, policies and the implementation of those policies.

H. "Social justice" means all aspects of justice, including legal, political and economic, and requires the fair distribution of public goods, institutional resources and life opportunities for all people.

SECTION 21. Ordinance 16679, Section 22, as amended, and K.C.C. 2.12.250 are each hereby amended to read as follows:

A. Each agency shall provide full access to public records that are not exempt from disclosure under applicable law, protect records from damage or disorganization, prevent excessive interference with other essential functions of the agency, provide fullest assistance to requestors and provide the most-timely possible action on public records requests.

B. The public records officer or designee shall process requests in the order allowing the most requests to be processed in the most efficient manner; in order to process requests as efficiently as possible, smaller requests may be processed before substantially larger requests that were received earlier.

C.1. Within five business days of receipt of the request, the public records officer shall do one or more of the following:

a. make the records available to the requestor for inspection or copying;

- b. if copies are requested and payment of a deposit for the copies, if any, is made or terms of payment are agreed upon, send the copies to the requestor;
- c. provide to the requestor a reasonable estimate of when records will be available;
- d. if the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. The clarification may be requested and provided by telephone, in which case the public records officer shall make a written record of the clarification. The public records officer or designee may revise the estimate of when records will be available. If the requestor fails to clarify the request, the agency need not respond to it; or
- e. deny the request and notify the requestor of the denial. Denials of requests shall be accompanied by a written statement of the specific reasons therefor.

2. Additional time required to respond to a request may be based upon the need to clarify the intent of the request, to locate and assemble the information requested, to notify third persons or agencies affected by the request or to determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request.

D. In the event that the requested records contain information that affects other agencies or third persons, the public records officer may, before providing the records, give notice to those persons in accordance with RCW 42.56.540. The notice shall include a copy of the request.

E. Some records are exempt from disclosure, in whole or in part. If the agency believes that a record or any part of a record is exempt from disclosure and should be withheld, the public records officer shall provide to the requestor a writing identifying the record or portion withheld, the specific exemption relied upon and the authority for the exemption, and briefly explaining how the exemption applies to the record or portion withheld, including enough information for a requestor to make a threshold determination of whether the claimed exemption is proper. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer shall redact the exempt portions and provide the nonexempt portions.

F.1. The agency shall promptly provide space to inspect public records except when and to the extent that it would cause excessive interference with other essential functions of the agency or unreasonably disrupt agency operations. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor shall indicate which documents the requestor wishes the agency to copy.

2. The requestor must claim or review the assembled records within thirty days of the agency's notification to the requestor that the records are available for inspection or copying. The agency shall notify the requestor in writing of this requirement and inform the requestor that the requestor should contact the agency to make arrangements to claim or review the records. If the requestor or a representative of the requestor fails to claim or review the records within the time prescribed in this subsection F.2. or make other arrangements, the agency may close the request. Other public records requests may be processed ahead of a subsequent request by the same person for the same or almost identical records, which may be processed as a new request.

G. After inspection is complete, the public records officer or designee shall make the requested copies or arrange for copying.

H. When the request is for a large number of records, the public records officer or designee shall provide access for inspection and copying in installments, if the public records officer or designee reasonably determines that it would be practical to provide the records in that way. If, within thirty days after notification that the records are available for inspection or copying under subsection C., D. or E. of this section, the requestor fails to inspect the entire set of records or one or more of the installments, as applicable, the public records officer or designee may stop searching for the remaining records and close the request. The requestor shall be notified in writing of this action.

I. When the requestor either withdraws the request or fails to fulfill ~~((his or her))~~ the requestor's obligations to inspect the records or pay the deposit or final payment for the requested copies, the public records officer shall close the request and indicate to the requestor that the agency has closed the request.

J. If, after the agency has informed the requestor that the agency has provided all available records, the

agency becomes aware of additional responsive documents existing at the time of the request, the agency shall promptly inform the requestor of the additional documents and provide the documents on an expedited basis.

K. If a public records officer or designee responding to a public records request believes that one or more other agencies are likely to have records that are responsive to the request, ~~((he or she))~~ the public records officer or designee should, in writing, so inform the requestor and provide the requestor with the name and contact information of the public records officer of each such agency, including the officer's title, office phone number, office address, and email address. The public records officer is not required to review records or otherwise investigate for the purpose of determining whether other agencies are likely to have additional records that are responsive to the request. This subsection is intended to enhance the public's access to public records, not to impose any legal obligation on agencies beyond those imposed by chapter 42.56 RCW.

H. The board may adopt rules and regulations by which affected employees may request suspension or modification of the requirements to disclose financial and other interests set forth in this section if the literal

The ombuds((~~man~~)) shall provide a copy of the order to the prosecuting attorney's office. Such a reasonable cause order shall include:

8. Within thirty business days after the hearing, the manager of the finance and business operations division shall issue an administrative order that determines the final amount of the overpayment, if any, received by the nonrepresented employee. The manager of the finance and business operations division shall send a copy of the administrative order, by certified mail, return receipt requested, to the nonrepresented employee at the employee's last known address, to the agency and to the manager of benefits, payroll and retirement operations section of the finance and business operations division; however, the manager of the finance and business operations division may, under extenuating circumstances, issue an administrative order more than thirty days after the hearing;

12. The manager of the finance and business operating division may be recused (~~((himself or herself))~~) from conducting an adjudicative hearing, at (~~((his or her))~~) the manager's discretion, to avoid any real conflict of interest. F. Exempt employees in regular positions, other than provisional or probationary employees, may take and upon leaving county employment be paid for accrued vacation leave as approved by their appointing authorities.

G. Career service employees, provisional, probationary and term-limited temporary employees, shall not be eligible to take or be paid for vacation leave until they have successfully completed their first six months of county service, and if they leave county employment before successfully completing their first six months of county service, shall forfeit and not be paid for accrued vacation leave.

H. A furloughed employee shall not be eligible to take or be paid for vacation in lieu of taking a budgetary furlough day.

In lieu of the remuneration for fifty percent of unused accrued vacation leave at retirement, the manager of the human resources division((;)) or ((the manager's)) designee((;)) may, with equivalent funds and in accordance with the procedures in K.C.C. 3.12.220.F.2.b, provide eligible employees with a voluntary employee beneficiary association plan that provides for reimbursement of retiree and other qualifying medical expenses.

I. An employee who is eligible for leave benefits shall be paid for accrued vacation leave to the employee's date of separation up to the maximum accrual amount if the employee has successfully completed ((~~his or her~~)) the employee's first six months of county service and is in good standing. Except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cash out. Payment shall be the accrued vacation leave multiplied by the employee's rate of pay in effect upon the date of leaving county employment less mandatory withholdings.

J. Employees shall not use or be paid for vacation leave until it has accrued and the use or payment is consistent with the provisions of this section.

K. Employees shall not work for compensation for the county in any capacity during the time that the employees are on vacation leave.

L. For employees covered by the overtime requirements of the Fair Labor Standards Act, vacation leave may be used in one-half hour increments, at the discretion of the appointing authority.

M. In cases of separation from county employment by death of an employee with accrued vacation leave and who has successfully completed ((~~his or her~~)) the employee's first six months of county service, payment of unused vacation leave up to the maximum accrual amount shall be made to the employee's estate, or, in applicable cases, as provided for by state law, Title 11 RCW. Except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cashout.

N. If an employee resigns from a full-time regular or part-time regular position with the county in good standing or is laid off and subsequently returns to county employment within two years from the resignation or layoff, as applicable, the employee's prior county service shall be counted in determining the vacation leave accrual rate under subsection A. of this section.

SECTION 80. Ordinance 12014, Section 21, as amended, and K.C.C. 3.12.220 are each hereby

amended to read as follows:

A. Except for employees covered by subsection G. of this section, employees eligible for leave benefits shall accrue sick leave benefits at the rate of 0.04616 hours for each hour in pay status exclusive of overtime up to a maximum of eight hours per month; except that sick leave shall not begin to accrue until the first of the month following the month in which the employee commenced employment. No adjustment to reduce sick leave accruals for furloughed employee shall be made as a result of a budgetary furlough. The employee is not entitled to use sick leave if not previously earned.

B. During the first six months of service, employees eligible to accrue vacation leave may, at the appointing authority's discretion, use any accrued days of vacation leave as an extension of sick leave. If an employee does not work a full six months, any vacation leave used for sick leave must be reimbursed to the county upon termination.

C. For employees covered by the overtime requirements of the Fair Labor Standards Act, sick leave may be used in fifteen-minute increments or as specified in the collective bargaining agreement.

D. There shall be no limit to the hours of sick leave benefits accrued by an eligible employee.

E. Separation from or termination of county employment except by reason of retirement or layoff due to lack of work, funds, efficiency reasons or separation for medical reasons, shall cancel all sick leave accrued to the employee as of the date of separation or termination. Should the employee resign in good standing, be separated for medical reasons or be laid off, and return to county employment within two years, accrued sick leave shall be restored, but the restoration shall not apply where the former employment was in a term-limited temporary position.

F.1. Except for employees covered by subsection G. of this section, employees eligible to accrue sick leave and who have successfully completed at least five years of county service and who retire as a result of length of service or who terminate by reason of death shall be paid, or their estates paid or as provided for by Title 11 RCW, as applicable, an amount equal to thirty-five percent of their unused, accumulated sick leave

multiplied by the employee's rate of pay in effect upon the date of leaving county employment less mandatory withholdings. This provision is predicated on the requirement that, except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cash out. For the purposes of this subsection F.1., "retire as a result of length of service" means an employee is eligible, applies for and begins drawing a pension from the Law Enforcement Officers and Firefighters (LEOFF), Public Employees' Retirement System (PERS), Public Safety Employees' Retirement System (PSERS) or the city of Seattle Retirement Plan immediately upon terminating county employment.

2.a. In lieu of the remuneration for unused sick leave at retirement, the manager of the human resources division((;)) or ((the manager's)) designee((;)) may, with equivalent funds, provide eligible employees with a voluntary employee beneficiary association plan that provides for reimbursement of retiree and other qualifying medical expenses. Under K.C.C. 3.12.190.H., in lieu of the remuneration for fifty percent of unused vacation leave at retirement, the manager may also fund the voluntary employee beneficiary association plan.

b. The manager shall adopt procedures for the implementation of all voluntary employee beneficiary association plans. At a minimum, the procedures shall provide that:

(1) each group of employees hold an election to decide whether to implement a voluntary employee beneficiary association plan for a defined group of employees. The determination of the majority of voting employees in a group shall bind the remainder. Elections for represented employees shall be conducted by the appropriate bargaining representative. Elections for nonrepresented employees shall be conducted in accordance with procedures established by the manager;

(2) the manager has discretion to determine the scope of employee groups voting on whether to adopt a voluntary employee beneficiary association plan. The manager shall consult with bargaining representatives and elected officials in determining the scope of voting groups;

(3) any voluntary employee beneficiary association plan implemented in accordance with this

subsection F.2. complies with federal tax law. Disbursements in accordance with this subsection F.2. shall be exempt from withholdings, to the extent permitted by law; and

(4) employees shall forfeit remuneration under subsections F.1. and 2. of this section if the employee belongs to a group that has voted to implement a voluntary employee beneficiary association plan and the employee fails to execute forms that are necessary to the proper administration of the plan within twelve months of retirement by reason of length of service, as defined in subsection F.1. of this section.

G. Uniformed employees covered under the LEOFF Retirement System-Plan I shall apply for disability retirement under RCW 41.26.120.

H.1. An employee must use all of ~~((his or her))~~ the employee's accrued sick leave and any donated sick leave before taking unpaid leave for ~~((his or her))~~ the employee's own health reasons. If the injury or illness is compensable under the county's workers compensation program, then the employee has the option to augment or not augment wage replacement pay with the use of accrued sick leave. A furloughed employee shall not be eligible to take or be paid for sick leave in lieu of taking a budgetary furlough day.

2. For a leave for family reasons, the employee shall choose at the start of the leave whether the particular leave would be paid or unpaid; but when an employee chooses to take paid leave for family reasons ~~((he or she))~~ the employee may set aside a reserve of up to eighty hours of accrued sick leave. A furloughed employee who is on county family medical leave as provided for in this section shall retain county benefits during furlough days.

3. An employee who has exhausted all of ~~((his or her))~~ the employee's accrued sick leave may use accrued vacation leave before going on leave of absence without pay, if approved by ~~((his or her))~~ the employee's appointing authority. A furloughed employee shall not be eligible to take or be paid for vacation leave in lieu of sick leave in lieu of taking a furlough day.

I. Sick leave may be used only for the following reasons:

1. The employee's bona fide illness, but an employee who suffers an occupational illness may not

simultaneously collect sick leave and worker's compensation payments in a total amount greater than the net regular pay of the employee;

2. The employee's incapacitating injury, but:

a. an employee injured on the job may not simultaneously collect sick leave and workers' compensation payments in a total amount greater than the net regular pay of the employee, though an employee who chooses not to augment (~~(his or her)~~) the employee's workers' compensation wage replacement pay through the use of sick leave shall be deemed on unpaid leave status;

b. an employee who chooses to augment workers' compensation payments with the use of accrued sick leave shall notify the safety and workers' compensation program office in writing at the beginning of the leave; and

c. an employee may not collect sick leave and workers' compensation wage replacement pay for physical incapacity due to any injury or occupational illness that is directly traceable to employment other than with the county;

3. The employee's exposure to contagious diseases and resulting quarantine;

4. An ~~((female))~~ employee's temporary disability caused by or contributed to by pregnancy and childbirth;

5. The employee's medical or dental appointments but only if the employee's appointing authority has approved the use of sick leave for those appointments;

6. To care for the employee's child as defined in this chapter if the child has an illness or health condition which requires treatment or supervision from the employee; or

7. For family and medical leave available under federal law, state law or King County ordinance.

J. Department management is responsible for the proper administration of the sick leave benefit.

Verification from a health care provider may be required to substantiate the health condition of the employee or family member for leave requests.

K. Failure to return to work by the expiration date of a leave of absence may be cause for removal and result in termination of the employee from county service.

SECTION 81. Ordinance 12014, Section 22, as amended, and K.C.C. 3.12.223 are each hereby amended to read as follows:

A.1. Any employee eligible for leave benefits may donate a portion of ~~((his or her))~~ the employee's accrued vacation leave to another employee eligible for leave benefits. Such a donation will occur upon written request to and approval of the donating and receiving employees' department director or directors, except that requests for vacation donation made for the purposes of supplementing the sick leave benefits of the receiving employee shall not be denied unless approval would result in a departmental hardship for the receiving department.

2. The number of hours donated shall not exceed the donor's accrued vacation credit as of the date of the request. No donation of vacation hours shall be permitted where it would cause the employee receiving the transfer to exceed ~~((his or her))~~ that employee's maximum vacation accrual.

3. A furloughed employee shall not be eligible to take or be paid for donated vacation in lieu of taking a furlough day, except as provided in K.C.C. 3.12F.040.

4. Donated vacation leave hours must be used within ninety calendar days following the date of donation. Donated hours not used within ninety days or due to the death of the receiving employee shall revert to the donor. Donated vacation leave hours shall be excluded from vacation leave payoff provisions in this chapter. For purposes of this section, the first hours used by an employee shall be accrued vacation leave hours.

B.1. Any employee eligible for leave benefits may donate a portion of ~~((his or her))~~ the employee's accrued sick leave to another employee eligible for leave benefits upon written notice to the donating and receiving employees' department director or directors.

2. No donation shall be permitted unless the donating employee's sick leave accrual balance immediately subsequent to the donation is one hundred hours or more. No employee may donate more than

twenty-five hours of ~~((his or her))~~ the employee's accrued sick leave in a calendar year.

3. Donated sick leave hours must be used within ninety calendar days. Donated hours not used within ninety days or due to the death of the receiving employee shall revert to the donor. Donated sick leave hours shall be excluded from the sick leave payoff provisions contained in this chapter, and sick leave restoration provisions contained in this chapter. For purposes of this section, the first hours used by an employee shall be accrued sick leave hours.

C. All donations of vacation and sick leave made under this chapter are strictly voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other compensation or benefits in exchange for donating vacation or sick leave hours.

D. All vacation and sick leave hours donated shall be converted to a dollar value based on the donor's straight time hourly rate at the time of donation. Such dollar value will then be divided by the receiving employee's hourly rate to determine the actual number of hours received. Vacation leave donated to a furloughed employee, who is designated by a department director and confirmed by the chief administrative officer as eligible to use donated leave on a furlough day, is donated on an hour-for-hour basis, without an hourly rate conversion. Unused donated vacation and sick leave shall be reconverted based on the donor's straight time hourly rate at the time of reversion. Vacation leave donated to a furloughed employee who is designated by the department director and confirmed by the chief administrative officer as eligible to use donated leave on a furlough day shall not revert back to the donor.

SECTION 82. Ordinance 13743, Section 1, as amended, and K.C.C. 3.12.224 are each hereby amended to read as follows:

Notwithstanding K.C.C. 3.12.190, if an employee dies while engaged within the scope of ~~((his or her))~~ the employee's employment, the executive may implement a process providing a one-time opportunity to allow employees eligible for benefits to convert either accrued vacation or accumulated compensatory time hours, or both, to cash to benefit any children of the deceased employee who are under twenty-three years old at the time

of the employee's death. This process must conform to the following requirements:

- A. The executive shall establish a forty-five-day period during which time employees may sign a written request, subject to approval by the executive, to convert either accrued vacation or accumulated compensatory time hours, or both, to cash and to authorize a payroll deduction of the cash to benefit the children of the deceased employee who are under twenty-three years old at the time of the employee's death. The hours must be in full-hour increments, with a minimum of four;
- B. The executive shall determine the maximum hours that any employee can convert to cash, but the maximum may not be greater than a total of forty by each employee;
- C. The value of the hours must be determined based on the regular hourly rate of the employee in effect at the time the approved conversion request is received by the county's payroll office;
- D. If employees elect to convert either accrued vacation or accumulated compensatory time hours, or both, to cash as set forth in this section, the executive shall identify one or more support accounts or programs to which the cash may be paid for the benefit of the children. Unless the executive determines that another support account or program is more suitable given the circumstances of the children, the executive shall first insure the establishment of a Washington state college tuition prepaid program-guaranteed education tuition (GET) account with the state of Washington treasury to benefit the children of the deceased employee. In addition to or in lieu of the GET program, the executive may direct that some or all of the cash collected under this section be paid to other support accounts or programs that the executive has determined:
1. Are established in the names of the children or their legal guardian for the benefit of the children;
 2. Are held by a governmental agency, nonprofit organization, bank, trust or lawful entity other than an individual;
 3. Contain adequate safeguards against theft, diversion, loss or wasting of the funds paid under this section; and
 4. Restrict the permissible use of funds paid under this section to paying for minimal, if any,

administrative expenses and providing for the children's reasonable food, shelter and educational expenses;

E. The cash resulting from converted accrued vacation or compensatory time hours, or both, net of all mandatory deductions, including, but not limited to, deductions for retirement plans and federal income tax and the Federal Insurance Contributions Act, must be transmitted to the Washington state college tuition prepaid program-guaranteed education tuition (GET) account established by the executive, or such other accounts or programs as may be determined by the executive, under subsection D₂ of this section; and

F. Employees governed by a collective bargaining agreement may convert to cash either accrued vacation or accumulated compensatory time hours, or both, only if the existing agreement allows for or the collective bargaining agreement is amended to allow for conversions as authorized in this section.

SECTION 83. Ordinance 12014, Section 23, as amended, and K.C.C. 3.12.230 are each hereby amended to read as follows:

A. The following days are hereby designated as official county holidays:

1. January 1, New Year's Day;
2. Third Monday in January, Martin Luther King, Jr. Birthday;

12. An employee who is eligible for leave benefits shall be granted two personal holidays to be administered through the vacation plan, though the hours granted to an employee working less than a full-time schedule shall be prorated to reflect ~~((his or her))~~ that employee's normally scheduled work day. One day shall be credited to the employee's leave balance on the first of October and one day on the first of November.

B. For holidays falling on a Saturday, the Friday before shall be a paid holiday. For holidays falling on a Sunday, the Monday following shall be a paid holiday.

C. An employee must be eligible for leave benefits and in a pay status on the day before and the day following a holiday to be eligible for holiday pay. However, an employee who has successfully completed at least five years of county service and who retires at the end of a month in which the last regularly scheduled working day is observed as a holiday, shall be eligible for holiday pay if the employee is in a pay status the day before the day observed as a holiday. An employee otherwise eligible for holiday pay shall not be ineligible as a result of not being in a pay status on the day before or after the holiday due to budgetary furlough.

SECTION 84. Ordinance 12077, Section 5, as amended, and K.C.C. 3.12.240 are each hereby amended to read as follows:

Any employee eligible for leave benefits who is ordered on a jury shall be entitled to ~~((his or her))~~ the employee's regular county pay but only if any fees received for jury duty are deposited, exclusive of mileage, with the department of finance. A furloughed employee shall not be eligible to take or be paid for jury duty leave in lieu of taking a furlough day. Employees shall report to their work supervisor when dismissed from jury service.

SECTION 85. Ordinance 12014, Section 24, and K.C.C. 3.12.247 are each hereby amended to read as follows:

A. ~~((Findings.))~~ The council finds that:

1. The county is committed to affirmative action in hiring and the full participation of ~~((women))~~ pregnant county employees in all occupations throughout the county's work force.

2. Pregnancy is a normal occurrence ~~((in a woman's life))~~.

3. The county has already established maternity and parental leaves for its employees.

4. It is desirable to establish a policy to reasonably accommodate pregnant ~~((female))~~ county employees in a medically approved limited duty assignment.

B. ~~((Definition.))~~ For the purposes of this section, "((E))employee"~~((, for purposes of this limited duty assignment policy,))~~ means a full-time regular employee or a part-time regular employee. Promotional probation may be extended at the discretion of the director and after consultation with an employee's appointing authority so an employee who utilizes the limited duty provisions of this section has the opportunity to perform for the established promotional probationary period.

C. ~~((Establishment of Policy.))~~ 1. It is the policy of the county to recognize that pregnancy is a normal event ~~((in a woman's life))~~ and that provisions shall be made to provide ~~((all female))~~ every employee~~((s))~~ the opportunity to continue to participate in the work force during and up to three months after ~~((a))~~ the employee's pregnancy.

2. An ~~((female))~~ employee, who upon the advice of ~~((her))~~ the employee's physician, cannot safely perform all of the normal duties of ~~((her))~~ the employee's job due to pregnancy and who indicates a desire to continue working ~~((prior to))~~ before taking sick or maternity leave for which ~~((she))~~ the employee may otherwise be eligible, shall upon concurrence of the director receive consideration for temporary reassignment. The county shall, where reasonably possible, accommodate an ~~((female))~~ employee's desire for medically approved continued employment during the employee's pregnancy and up to three months thereafter via one or more of the three alternatives listed. The first alternative shall have preference, and either assignments ~~((and/))~~ or reassignments, or both, shall be given within ~~((an))~~ the employee's department where possible. 2. For the purposes of this section, "temporary incapacity" ~~((is defined as))~~ means the period during which because of pregnancy the employee cannot perform all of ~~((her))~~ the employee's regular duties but is capable of performing a temporary limited duty assignment provided by the county as listed in ~~((K.C.C. 3.12.247))~~ subsection C. of this section and, for purposes of this policy, in no instance shall such a temporary incapacity extend more than three months after termination of the pregnancy.

The paid leave of absence shall continue until the lesser of the conclusion of the employee's service in the United States Uniformed Services, or until the employee has exhausted (~~(his or her)~~) the employee's employment and reemployment rights under the Uniform Services Employment and Reemployment Rights Act of 1994, 38 U.S.C. Secs. 4301 through 4335, which is generally up to five years, subject to certain exceptions provided under federal law.

SECTION 90. Ordinance 12943, Section 17, and K.C.C. 3.12A.050 are each hereby amended to read as follows:

A. Part-time and temporary employees, other than probationary and provisional employees, who exceed the calendar-year working-hour thresholds set forth in the definitions contained in K.C.C. chapter 3.12

may seek conversion of a body of work in which they perform into a part-time or full-time regular career service position by appeal to the committee. Conversion decisions shall be based on whether the work performed by the employee is an ongoing, relatively stable, and predictable body of work that is half time or more, even though the work was not perceived as such previously, and whether it should be performed by a regular part-time or full-time career service employee. The committee shall also decide, if the body of work does not warrant a career service position, whether the position should be converted to a term-limited temporary employee position. The committee shall determine whether the work performed by the employee shall:

- ~~((1))~~ 1. ~~((f))~~ Remain outside career service as part-time or temporary~~((,2))~~
2. ~~((b))~~ Be converted to a term-limited temporary employee position that receives benefits~~((,))~~ or
- ~~((3))~~ 3. ~~((b))~~ Be converted to a part-time or full-time regular career service position.

The committee shall make its determination within ~~((45))~~ forty-five days of the employee's request. In the event of a tie vote by the committee, where half the committee finds that the body of work should be converted, the appeal shall be deemed to have prevailed. The committee shall make a recommendation to the executive for recommendation to the council. The executive's recommendation shall be submitted to the council if the executive decides the body of work should be performed by a career service employee and that further position authority is required. If the council does not approve the additional position, the work shall promptly be discontinued and not performed by temporary or part-time employees.

If the committee finds that the work performed by the employee should remain part-time or temporary, the employee may appeal within ten days from the date of receipt of the committee's finding by filing a notice of appeal with the committee. The committee shall direct the appeal to be considered by a hearing examiner of the county or, at its option, the committee may direct the appeal be considered by an independent, neutral arbitrator who will make a final determination. The arbitrator shall be chosen by the director and the appellant, and shall be paid by the employing department or administrative office. The hearing examiner's or arbitrator's

decision shall be limited to either upholding the committee's finding or overturning the committee's finding. The decision shall be based on whether the work performed by the employee is an ongoing, relatively stable, and predictable body of work and is half-time or more, under the same standards applicable to the committee, or on whether the work meets the definition of term-limited temporary position. Employees covered by a grievance procedure contained in a collective bargaining agreement may elect either to use the grievance procedure, if the applicable collective bargaining agreement permits it, or to use the appeal procedure described above, but not both procedures.

If the hearing examiner or arbitrator overturns the committee's findings, any new career service or term-limited temporary position must be absorbed by the department within its authorized position level, or within funds available for term-limited temporary position work, provided that the department may request additional position or budget authority. The appealing employee will be placed in the career service position as a provisional appointee, with insured benefits and leave benefits, until a competitive hiring process, which substantially takes into account and weighs the experience of the employee performing the tasks of the position, is completed. If the appealing employee is selected for the position, ~~((his or her))~~ the employee's start date will be the date of the provisional appointment for all purposes, including seniority and/or a probationary period, except that those employees covered by a collective bargaining agreement the date of the appointment shall be determined in accordance with the collective bargaining agreement or by the collective bargaining process. If the employee is placed in a term-limited temporary position, ~~((his or her))~~ the employee's start date will be the date of ~~((his or her))~~ the employee's appointment to the term-limited temporary position for all purposes, except for those employees covered by collective bargaining agreements, whose start date will be determined by the collective bargaining agreement or by the collective bargaining agreement process.

B. Appeal Procedure For Term-Limited Temporary Employees. A term-limited temporary employee who exceeds ~~((his or her))~~ the employee's term may appeal to the committee to have the body of work converted to a career service position. The committee shall decide whether the body of work still warrants a

term-limited temporary position designation or should be converted to a career service position. If a majority of the committee finds that the body of work should continue as a term-limited temporary position, the employee may appeal within ten days from the date of receipt of the committee's finding by filing a notice of appeal with the committee. In the event of a tie vote, the appeal shall be deemed to prevail. The appeal process shall be the same as for part-time and temporary employees (other than probationary and provisional employees), provided, however, if the employee prevails in the appeal, the employee shall be placed in a career service position, not a provisional appointment, and the employee shall not be required to serve a probationary period.

SECTION 91. Ordinance 16339, Section 20, as amended, and K.C.C. 3.12F.040 are each hereby amended to read as follows:

An employee who was not employed by King County in 2009 shall not receive furlough replacement time. An employee who left King County employment before April 11, 2010, shall not receive furlough replacement time. Furlough replacement time may not be carried over to another calendar year, it may not be cashed out, it has no cash value and it may not be donated; and
4. The furlough administrator must provide for the effective direction, control and coordination of furlough replacement time.

SECTION 92. Ordinance 12014, Section 50, as amended, and K.C.C. 3.15.020 are each hereby amended to read as follows:

In the event of the completion of the probationary period by a division of human resources employee, the county administrative officer must provide prior written approval for probationary-period pay increases exceeding Step 5. A written report listing the number of employees who have received probationary increases above Step 5 must be filed with the clerk of the council for distribution to the chair of the labor, operations and technology committee or its successor committee on February 15 and August 15 of each year;

2. Employees may be eligible to receive increases annually in accordance with the following principles:

Incentive increases shall be prospective only and shall be effective on January 1 following the year on which the appraisal was based;

b. For employees currently in Steps 1 through 4 in the pay range, the appointing authority may grant an increase of a single step for standard performance and may grant an increase exceeding a single step for above-standard or outstanding performance, as defined by the manager of the human resources management division;

c. For employees currently in Steps 5 through 7 in the pay range, the appointing authority may grant an increase of one or more steps for above-standard performance; and

d. For employees currently in Steps 8 through 9 in the pay range, the appointing authority may grant an increase of one step, not to exceed the top of the pay range, for outstanding performance;

b. A pay increase as a result of reclassification may not exceed the top step of the new range, unless the employee's former pay includes an above-Step-10 amount as a result of an incentive increase. If the employee's former pay includes an above-Step-10 amount as a result of an incentive increase, the employee's new pay is calculated upon the above-Step-10 amount. If the increase from reclassification results in pay that is above the top step of the new range, the pay shall be reduced to the top step of the new range at the end of the incentive period unless the employee requalifies for an above-Step-10 incentive award.

c. Implementation of a reclassification and any related pay change shall be prospective and is effective when the classification is approved by the manager of the human resources management division. The pay increase as a result of reclassification may not exceed five percent above the top step in any case; and

6. When the manager of the human resources management division adjusts the pay range of a classification, the incumbent employee shall be placed at the same step in the new pay range as the employee was in the previous range. Implementation of any pay range adjustment shall be prospective and is effective when approved by the manager of the human resources management division or, if required by K.C.C.

3.15.040, by the labor, operations and technology committee or its successor committee.

If responding with a preliminary report, the official shall include a summary of the status of the investigation and information obtained thus far, and identifying matters for further research or inquiry. If the identity of the reporting employee is not known, the response shall be sent to the ombuds((~~man~~)).

C. The investigating official shall complete the investigation and issue a final report no later than one year from when the report of improper governmental action was received. If the final report concludes that there was improper governmental action, it shall include an action plan for addressing the improper governmental action and provide reasonable timelines for completing corrective actions.

D. The investigating official shall send a copy of the final report to the reporting employee and the ombuds(~~man~~).

E. When conducting an investigation of improper governmental action occurring within the legislative branch, the prosecutor may at any stage, issue subpoenas, administer oaths, examine witnesses, and compel the production of documents or other evidence; refer the matter to the state auditor, law enforcement authorities or other governmental agency; and issue reports; or any combination thereof, each as deemed appropriate.

F. If the investigating official deems it necessary, the investigating official's recommendation may be made to the executive. Such a temporary preventative action may continue until the conclusion of any investigation and a permanent resolution of the matter.

G. To the extent allowed by law, investigating officials are encouraged to enter into cooperative agreements or arrangements for receiving and processing complaints with other agencies or entities that are investigating related complaints, so that duplication of functions shall be minimized and multiple redundant investigations avoided.

SECTION 100. Ordinance 16580, Section 7, and K.C.C. 3.42.057 are each hereby amended to read as follows:

A. The procedures in this section apply to the ombuds(~~man~~) when the ombuds(~~man~~) is investigating a report of an improper governmental action that is not investigated according to the rules applicable to K.C.C. chapter 3.04, the Employee Code of Ethics.

B. In determining whether to conduct an investigation, the ombuds(~~man~~) may consider factors including, but not limited to, the nature and quality of the evidence and the existence of relevant laws and rules;

whether the alleged improper governmental action was isolated or systematic; the history of previous assertions regarding the same subject or subject matter; whether other avenues are available for addressing the matter; whether the matter has already been investigated or is in litigation; the seriousness or significance of the asserted improper governmental action; and the cost and benefit of the investigation. The ombuds((~~man~~)) has the sole discretion to determine the priority and weight given to these or any other relevant factors and to decide whether a matter is to be investigated.

C. If the ombuds((~~man~~)) elects not to investigate the matter, the ombuds((~~man~~)) shall, before making a final decision to close the investigation, send a notice to the person who made the report explaining the factors considered and the analysis applied, summarizing allegation deficiencies if any, and providing a reasonable opportunity to reply. The notification may be by electronic means.

D. If the ombuds((~~man~~)) determines that that the employee reporting improper governmental action has been retaliated against or is at great risk of retaliation, the ombuds((~~man~~)) may recommend to the head of the department that temporary preventive action be taken, including but not limited to transferring the reporting employee at the reporting employee's request to another department or authorizing leave with pay for the reporting employee. If the ombuds((~~man~~)) deems it necessary, the ombuds's((~~man's~~)) recommendation may be made to the executive instead. Such temporary preventative action may continue until the conclusion of any investigation and a permanent resolution of the matter.

E. If the ombuds((~~man~~)) elects to conduct an investigation and it appears to the ombuds((~~man~~)) that the investigation will take longer than thirty days to complete, the ombuds((~~man~~)) shall, within thirty days after receiving the report of alleged improper governmental action, provide the complainant with a preliminary written report that summarizes the procedural status of the investigation, the information obtained thus far, any preliminary findings as the ombuds((~~man~~)) deems appropriate, and identifying matters for further research or inquiry. The ombuds((~~man~~)) shall also notify the subject or subjects of the investigation and the agency head of the need for continued investigation.

F. When conducting an investigation, the ombuds((~~man~~)) may at any stage issue subpoenas, administer oaths, examine witnesses, and compel the production of documents or other evidence; refer the matter to the state auditor, law enforcement authorities or other governmental agency; and issue reports; or any combination thereof, each as deemed appropriate.

G. Upon completion of an investigation, the ombuds((~~man~~)) shall make a final written report that summarizes the results of the investigation, including findings with regard to each assertion of improper governmental action and recommended actions. The ombuds((~~man~~)) shall complete the investigation and issue a final report within one year of receipt of the report of improper governmental action.

1. If the ombuds((~~man~~)) determines that no improper governmental action has occurred, the ombuds((~~man~~)) shall send the report to the complainant, the subject or subjects of the investigation and the agency head.

2. If the ombuds((~~man~~)) determines that an improper governmental action has occurred:

a. The ombuds((~~man~~)) shall give the subject of the report an opportunity to respond before issuing a final report.

b. The ombuds((~~man~~)) shall send the report to: the complainant; the head of the department with responsibility for the action or if a department head is implicated, to the executive and county council; and such other governmental officials or agencies as the ombuds((~~man~~)) deems appropriate. The ombuds((~~man~~)) shall also send a copy of the written report to the executive or the county council if requested to do so by the complainant, if the ombuds((~~man~~)) has not already done so.

c. The department with responsibility for the improper governmental action shall report back to the ombuds((~~man~~)) and complainant with an action plan for addressing the improper governmental action and provide reasonable timelines for completing its corrective actions. The department's response should be made within fourteen days of receipt of the ombuds((~~man~~))'s report. If the ombuds((~~man~~)) deems that satisfactory action within a reasonable timeframe has not been achieved, the ombuds((~~man~~)) shall report ~~((his or her))~~ the ombuds's determination to the executive and the county council.

d. The ombuds((~~man~~)) may impose a fine of not greater than ten thousand dollars on the department within which the improper governmental action occurred. A fine should be imposed for improper governmental actions that are exceptionally egregious or for which corrective actions have been highly unsatisfactory. The department shall be given a reasonable opportunity to be heard before imposition of any fine. Proceeds collected from any fine shall be deposited into an account to be used for the purpose of educating employees about this chapter or may be applied by the department toward the cost of administrative leave paid to the employee reporting the improper governmental action where the reason for the administrative leave is related to the employee's reporting.

H. At any stage in the investigation, the ombuds((~~man~~)) may, with the agreement of the parties, recommend, arrange for, convene, or conduct voluntary mediation between the employee and either the subject of the investigation or agency head, or both, with cost sharing, if any, to be determined by the parties.

1. If the parties reach agreement as a result of mediation, the ombuds((~~man~~)) may close the investigation.

2. The response times from subsection E. of this section shall be tolled for the duration of the mediation process.

3. Mediation and other informal resolution processes are voluntary. No employer or employee shall be pressured into participating in such processes, and no negative inferences shall be drawn if any party declines to participate in such processes. If a party agrees to participate in voluntary mediation or other informal resolution process, that party is under no obligation to accept the resolution recommended by the mediator, the ombuds((~~man~~)), or any other person participating in this process, and no negative inferences shall be drawn as a result of a refusal to accept such recommendations.

I. The ombuds((~~man~~)) may close an investigation at any time the ombuds((~~man~~)) determines that no further action is warranted and shall so notify the complainant, the subject or subjects of the investigation and the agency head. The ombuds((~~man~~)) shall also issue any reports as required by this section.

J. Decisions of the ombuds(~~man~~) under this section may not be appealed to the board of ethics.

E. The ombuds(~~man~~) or prosecutor shall, within forty-five days after receiving the report of alleged retaliatory action, provide the complainant with a written report that summarizes the results of the investigation, including findings with regard to each assertion of retaliation and recommended actions. The ombuds(~~man~~) or prosecutor shall also send a copy of the written report to any governmental officials or agencies as (~~he or she~~) the ombuds or prosecutor deems appropriate. If the ombuds(~~man~~) or prosecutor finds that additional

time is needed to complete the report, ~~((he or she))~~ the ombuds or prosecutor shall notify the complainant in writing before the expiration of the forty-five day response period, and shall specify the reasons that additional time is required. The effect of the notice is to extend for forty-five days the time period in which a response must be made. Only two such extensions may be made.

F. The following apply to investigations by the ombuds~~((man))~~ under this section.

1. If it appears to the ombuds~~((man))~~ at any stage in the process that the complainant is at great risk of retaliation, the ombuds~~((man))~~ may recommend to the head of the department that temporary preventive action be taken, including but not limited to transferring the individual to another department or authorizing leave with pay. If the ombuds~~((man))~~ deems it necessary, the ombuds~~((man))~~ recommendation may be made to the executive instead. Such temporary preventative action may continue until the conclusion of any investigation and a permanent resolution of the matter;

2. If the ombuds~~((man))~~ determines that no retaliatory action has occurred, the ombuds~~((man))~~ shall send the report to the complainant, the subject or subjects of the investigation and the agency head; and

b. The ombuds~~((man))~~ shall send the report to: the complainant; the head of the department with responsibility for the action or if a department head is implicated, to the executive and county council, and to such other governmental officials or agencies as the ombuds~~((man))~~ deems appropriate. c. The department with responsibility for the retaliatory action shall report back to the ombuds~~((man))~~ and complainant with an action plan for addressing the retaliatory action and provide reasonable timelines for when the corrective actions will occur. The department's response should be made within fourteen days of

2. If the employer and employee fail to reach agreement, the response times from subsection C. of this section shall be tolled for the duration of the mediation process.

3. Mediation and other informal resolution processes are voluntary. No employer or employee shall be pressured into participating in such processes, and no negative inferences shall be drawn if any party declines to participate in such processes. If a party agrees to participate in voluntary mediation or other informal resolution process, that party is under no obligation to accept the resolution recommended by the mediator, the ombuds((man)), or any other person participating in this process, and no negative inferences shall be drawn as a result of a refusal to accept such recommendations.

H. The ombuds(~~man~~) or prosecutor may close an investigation at any time (~~he or she~~) the ombuds or prosecutor determines that no further action is warranted and shall so notify the complainant, the subject or subjects of the investigation and the agency head. The ombuds(~~man~~) or prosecutor shall also issue any reports as required by this section.

I. Decisions of the ombuds(~~man~~) under this section may not be appealed to the board of ethics.

L. To the extent allowed by law, investigating officials are encouraged to enter into cooperative agreements or arrangements for receiving and processing complaints with other agencies or entities that are investigating related complaints, so that duplication of functions shall be minimized and multiple redundant investigations avoided.
