benefits are provided, prorated to reflect the affected employee's normal work week, for each hour worked thereafter. The additional compensation shall continue until termination of employment or hire into a full-time regular, part-time regular or term-limited position. Further, employees receiving pay in lieu of insured benefits may elect to receive the medical component of the insured benefit plan, with the cost to be deducted from their gross pay, but an employee who so elects shall remain in the selected plan until: termination of employment; hire into a full-time regular, part-time regular or term-limited position; or service of an appropriate notice of change or cancellation during the employee benefits annual open enrollment.

Part-time and temporary employees, other than probationary, provisional and term-limited temporary employees, who exceed the applicable threshold are also eligible for cash in lieu of the bus pass benefit provided to regular employees. The value shall be determined based on the average annual cost per employee as determined in the adopted budget, prorated to an hourly equivalent based on the employee's normal work week, and shall be paid retroactive to the first hour worked and for each hour worked thereafter until termination of employment or hire into a full-time regular, part-time regular or term limited position.

SECTION 3. Ordinance 12077, Section 3, as amended, and K.C.C. 3.12.125 are each hereby amended to read as follows:

A. Notwithstanding any other provision of this chapter, in the event the number of hours in the standard work week of a position occupied by a full-time regular employee, part-time regular employee or, term-limited temporary employee is increased, the sick leave and vacation leave accruals of such employee at the time of the increase shall be adjusted upward so as to insure that the equivalent number of sick leave and vacation leave days accrued does not change. For example, if the standard work week of such a position is increased from thirty-five to forty hours, and if at the time of such change the employee occupying the position had accrued seven hours of sick leave, the sick leave accrual of that employee would be adjusted upward to eight hours. This section shall apply to all employees eligible for comprehensive leave benefits occupying positions where the standard work week of the position was increased on or after July 1, 1991. After such an increase, such

employees shall accrue vacation and sick leave in accordance with the otherwise applicable provisions of K.C.C. chapter 3.12.

B. Separate accounts shall be maintained for any vacation or sick leave accrued before an increase in the number of work-week hours. The "adjusted leave account" shall be used for leave accrued before an increase in the number of work-week hours. The "unadjusted leave account" shall be used for leave accrued subsequent to an increase in the number of work-week hours. Leave in the adjusted leave account shall be used first.

C. In the event the number of work-week hours is reduced for any employee whose vacation and sick leave accruals have been adjusted upward under the terms of this section, the remaining hours in the adjusted leave account shall be reduced in the same proportion as the work-week hours are reduced. Under no circumstances shall the adjusted leave account be reduced by a greater proportion than the proportion of the previous upward adjustment. Any leave accrued in the unadjusted leave account shall not be affected by this reduction.

D. No adjustment to reduce sick leave or vacation accruals for a furloughed employee shall be made as a result of a budgetary furlough.

SECTION 4. Ordinance 12014, Section 36, as amended, and K.C.C. 3.12.188 are each hereby amended to read as follows:

A. Employees eligible for comprehensive leave (~~((and insured))~~) benefits under this chapter, administrative interns, volunteer interns, work study students and eligible department of transportation retirees as defined in this section shall be issued a transit bus pass entitling the holder to ride without payment of fare on public transportation services operated by or under the authority of the county. In addition, such employees shall be entitled to use the transit bus pass to ride without payment of fare on public transportation services operated by or under the authority of Pierce Transit, Kitsap Transit, the King County Ferry District, Sound Transit, Everett Transit, and Community Transit, subject to agreements with such agencies as may be entered

into by the executive. Use of transit bus passes shall be restricted to such employees, administrative interns, volunteer interns, work study students and department of transportation retirees and any unauthorized use shall, at a minimum, result in forfeiture of the passes. With the exception of administrative interns, volunteer interns and work study students, employees not eligible for comprehensive leave (~~((and insured))~~) benefits under this chapter shall not receive transit bus passes or any transit bus pass subsidy.

B. The executive shall cause an appropriate survey to be conducted biennially of the use of public transportation services by county employees and volunteer interns. Based on the results of the survey, the projected usage of public transportation services by county employees, the county's commute trip reduction objectives and other factors determined appropriate by the executive, the executive shall recommend in the annual budget an amount to be paid to the public transportation operating account for transit bus passes. The amount recommended by the executive shall not include any payment for transit bus passes for commissioned police officers, eligible department of transportation retirees and employees whose positions are determined by the director of the department of transportation to be dedicated exclusively to the public transportation function. The final amount to be transferred to the public transportation operating account for transit bus passes shall be determined by the council as part of the annual budget and appropriation process consistent with the requirements of the King County Charter and applicable state law.

C. For purposes of this section, "eligible department of transportation retiree" means an employee eligible for comprehensive leave (~~((and insured benefits))~~) under this chapter who:

1. Separates from employment with the county while holding a position in the department of transportation determined by the director of the department of transportation to be dedicated exclusively to the public transportation function; and
2. On the date of the separation is eligible to receive benefits from a retirement system established pursuant to state law.

SECTION 5. Ordinance 12014, Section 19, as amended, and K.C.C. 3.12.190 are each hereby amended

to read as follows:

A. Beginning January 1, 1996, employees eligible for comprehensive leave benefits shall accrue vacation leave benefits as described in and further qualified by this section.

Upon hire through end of Year 5	12
Upon beginning of Year 6	15
Upon beginning of Year 9	16
Upon beginning of Year 11	20
Upon beginning of Year 17	21
Upon beginning of Year 18	22
Upon beginning of Year 19	23
Upon beginning of Year 20	24
Upon beginning of Year 21	25
Upon beginning of Year 22	26
Upon beginning of Year 23	27
Upon beginning of Year 24	28
Upon beginning of Year 25	29

B. Notwithstanding the vacation leave schedule in subsection A. of this section, employees eligible for comprehensive leave benefits, excluding employees in the former department of metropolitan services, shall accrue vacation leave as follows:

1. Those employees who were employed on or before December 31, 1995, and by that date had completed at least three but less than five full years of service shall begin to accrue fifteen days of vacation leave per year effective January 1, 1996;

2. Those employees who were employed on or before December 31, 1995, and subsequent to that date complete three full years of service shall begin to accrue fifteen days of vacation leave per year effective on the first day of their fourth full year of service.

Beginning on the first day of their sixth full year of service, all such employees shall accrue vacation leave as set forth in subsection A. of this section.

C. Vacation accrual rates for an employee who works other than the full time schedule standard to ((his

~~or her~~) the employee's work unit shall be prorated to reflect (~~(his or her)~~) the employee's normally scheduled work week. No adjustment to vacation accrual rates for a furloughed employee shall be made as a result of a budgetary furlough.

D. Employees eligible for vacation leave shall accrue vacation leave from their date of hire into a benefit eligible position.

E. Employees eligible for vacation leave may accrue up to sixty days of vacation leave, prorated to reflect their normally scheduled work day. Those employees shall use vacation leave beyond the maximum accrual amount before December 31 of each year. Failure to use vacation leave beyond the maximum accrual amount will result in forfeiture of the vacation leave beyond the maximum amount unless the appointing authority has approved a carryover of the vacation leave because of cyclical workloads, work assignments or other reasons as may be in the best interests of the county.

F. Exempt employees in regular positions, other than provisional or probationary employees, may take and upon leaving county employment be paid for accrued vacation leave as approved by their appointing authorities.

G. Career service employees, provisional, probationary and term-limited temporary employees, shall not be eligible to take or be paid for vacation leave until they have successfully completed their first six months of county service, and if they leave county employment before successfully completing their first six months of county service, shall forfeit and not be paid for accrued vacation leave.

H. A furloughed employee shall not be eligible to take or be paid for vacation in lieu of taking a budgetary furlough day.

In lieu of the remuneration for fifty percent of unused accrued vacation leave at retirement, the manager of the human resources division(~~(;)~~) or (~~(the manager's)~~) designee(~~(;)~~) may, with equivalent funds and in accordance with the procedures in K.C.C. 3.12.220.F.2.b, provide eligible employees with a voluntary employee beneficiary association plan that provides for reimbursement of retiree and other qualifying medical

expenses.

I. An employee who is eligible for comprehensive leave benefits shall be paid for accrued vacation leave to the employee's date of separation up to the maximum accrual amount if the employee has successfully completed ~~((his or her))~~ the employee's first six months of county service and is in good standing. Except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cash out. Payment shall be the accrued vacation leave multiplied by the employee's rate of pay in effect upon the date of leaving county employment less mandatory withholdings.

J. Employees shall not use or be paid for vacation leave until it has accrued and the use or payment is consistent with the provisions of this section.

K. Employees shall not work for compensation for the county in any capacity during the time that the employees are on vacation leave.

L. For employees covered by the overtime requirements of the Fair Labor Standards Act, vacation leave may be used in one-half hour increments, at the discretion of the appointing authority.

M. In cases of separation from county employment by death of an employee with accrued vacation leave and who has successfully completed ~~((his or her))~~ the employee's first six months of county service, payment of unused vacation leave up to the maximum accrual amount shall be made to the employee's estate, or, in applicable cases, as provided for by state law, Title 11 RCW. Except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cashout.

N. If an employee resigns from a full-time regular or part-time regular position with the county in good standing or is laid off and subsequently returns to county employment within two years from the resignation or layoff, as applicable, the employee's prior county service shall be counted in determining the vacation leave accrual rate under subsection A. of this section.

SECTION 6. Ordinance 12077, Section 4, as amended, and K.C.C. 3.12.200 are each hereby amended to read as follows:

Employees eligible for comprehensive leave benefits shall be entitled to necessary time off with pay for the purpose of taking county qualifying or promotional examinations. This shall include time required to complete any required interviews.

SECTION 7. Ordinance 4324, Section 27, as amended, and K.C.C. 3.12.210 are each hereby amended to read as follows:

A. Employees eligible for comprehensive leave benefits shall be entitled to three working days of bereavement leave a year due to death of members of their immediate family. A furloughed employee shall not be eligible to take or be paid for bereavement leave in lieu of taking a budgetary furlough day.

B. Employees eligible for comprehensive leave benefits who have exhausted their bereavement leave shall be entitled to use sick leave in the amount of three days for each instance of death when death occurs to a member of the employee's immediate family. A furloughed employee shall not be eligible to take or be paid for bereavement sick leave in lieu of taking a budgetary furlough day.

C. In cases of family death where no sick leave benefit is authorized or exists, an employee may be granted leave without pay.

D. In the application of any of subsections A., B. and C. of this section, holidays or regular days off falling within the prescribed period of absence shall not be charged.

SECTION 8. Ordinance 12014, Section 20, as amended, and K.C.C. 3.12.215 are each hereby amended to read as follows:

A.1. The appointing authority shall allow an employee (~~((who is))~~) eligible for (~~((family leave, sick leave, vacation leave or leave of absence without pay))~~) comprehensive leave benefits who is voluntarily participating as a donor in a life-giving or life-saving procedure such as, but not limited to, a bone marrow transplant, kidney transplant or blood transfusion to take five days paid leave without having the leave charged to family

leave, sick leave, vacation leave or leave of absence without pay, but only if the employee:

a. gives the appointing authority reasonable advance notice of the need to take time off from work for the donation of bone marrow, a kidney or other organs or tissue where there is a reasonable expectation that the employee's failure to donate may result in serious illness, injury, pain or the eventual death of the identified recipient; and

b. provides written proof from an accredited medical institution, organization or individual as to the need for the employee to donate bone marrow, a kidney or other organs or tissue or to participate in any other medical procedure where the participation of the donor is unique or critical to a successful outcome.

2. A furloughed employee shall not be eligible to take or be paid for an organ donor leave in lieu of taking a budgetary furlough day.

B. Time off from work for the purposes set out above in excess of five working days shall be subject to existing leave policies in this chapter or in any applicable collective bargaining agreement.

SECTION 9. Ordinance 18408, Section 2, and K.C.C. 3.12.219 are each hereby amended to read as follows:

A. The executive shall create a program that provides nonrepresented employees, on the terms in Ordinance 18408, paid parental leave following a qualifying event.

B. The executive is authorized to enter into memoranda of agreement with the labor organizations that represent King County employees to provide those employees paid parental leave consistent with the terms of this section.

C. The program for paid parental leave shall be subject to the following:

1. The program is intended to provide employees eligible for comprehensive leave benefits with twelve weeks of paid parental leave during the twelve months following a qualifying event;

2. Participation in the program shall be limited to employees eligible for comprehensive leave benefits who have been employed with the county for at least six months of continuous service at the time of the

qualifying event and are either nonrepresented or represented by a union that has signed a paid parental leave memorandum of agreement in subsection B. of this section;

3. An employee's supplemental paid leave benefit shall be calculated based on the employee's accrued paid leave balances at the time of the qualifying event.

4. An employee electing to participate in the program must reserve one week of accrued vacation and one week of accrued sick leave, or whatever smaller amount of each the employee has accrued. An employee with twelve weeks or more of unreserved, accrued paid leave at the time of the qualifying event may use up to twelve weeks of accrued paid leave as paid parental leave during the twelve months after the qualifying event. An employee who has less than twelve weeks of unreserved, accrued paid leave at the time of the qualifying event shall be granted supplemental paid leave in an amount sufficient, when combined with the employee's unreserved accrued paid leave, to equal a total of twelve weeks of paid parental leave. For example, if an employee has two weeks of accrued vacation and three weeks of accrued sick leave at the time of the qualifying event, the employee shall be granted nine weeks of supplemental paid leave, bringing the total available paid parental leave to twelve weeks.

5. An employee may use supplemental paid leave and accrued paid leave in any order and is not required to use any of the accrued paid leave as paid parental leave.

6. An employee on paid leave in the program shall be compensated at the employee's base pay rate.

7. An employee should provide notice to the designated representative of the employee's department that the employee intends to participate in the program. The notice should meet the notice requirements for taking family and medical leave under federal law.

8. Paid parental leave under the program must begin and end within twelve months after the qualifying event.

9. The employee and the employee's supervisor shall agree upon a schedule for taking paid parental leave that is consistent with the county's operational needs. An employee may use the paid parental leave on a

part-time basis as long as that is consistent with the county's operational needs and is approved in writing by the supervisor before the leave begins.

10. Paid parental leave under Ordinance 18408 shall run concurrently with King County family and medical leave, as well as federal and state family and medical leave, to the extent permitted by law.

11. During the time that an employee is on leave in the program, the employee's job shall be protected to the same extent that an employee's job is protected while the employee is on family or medical leave under federal or state law. No retaliatory action may be taken against an employee for participating or planning to participate in the program or for exercising the employee's rights under this ordinance. In particular, permission to use accrued paid leave shall not be denied or delayed on the basis that the employee intends to participate in the program. This is a general statement of county policy that cannot form the basis of a private right of action.

12. Taking leave under the program shall not affect an employee's health benefits or an employee's accrual of paid leave, which shall continue during the period of paid parental leave.

13. Employees shall not be compensated in any manner for not using the supplemental paid leave that is available under Ordinance 18408.

14. An employee who does not return to work for at least six months of continuous service following the paid parental leave, will be required to reimburse King County for the supplemental paid parental leave funds received.

SECTION 10. Ordinance 12014, Section 21, as amended, and K.C.C. 3.12.220 are each hereby amended to read as follows:

A.1. Except for employees covered by subsection ~~((G))~~A.3. of this section, employees eligible for comprehensive leave benefits shall accrue sick leave ~~((benefits))~~ at the rate of 0.04616 hours for each hour in pay status exclusive of overtime up to a maximum of eight hours per month; except that ~~((sick leave shall not begin to accrue until the first of the month following the month in which the employee commenced employment))~~ if an hourly employee works in excess of seventy-four hours in one week, the employee shall

accrue sick leave at the rate of 0.025 hours for each hour worked in excess of seventy-four. No adjustment to reduce sick leave accruals for furloughed employee shall be made as a result of a budgetary furlough. ~~((The employee is not entitled to use sick leave if not previously earned.~~

~~B. During the first six months of service, employees eligible to accrue vacation leave may, at the appointing authority's discretion, use any accrued days of vacation leave as an extension of sick leave. If an employee does not work a full six months, any vacation leave used for sick leave must be reimbursed to the county upon termination.))~~

2. Short-term temporary employees and administrative interns shall accrue sick leave at the rate of 0.025 hours for each hour in pay status.

3. Employees who are members of the Law Enforcement Officers and Firefighters (LEOFF) 1 retirement system and short-term temporary employees who are employed in social service programs designed to help youth gain basic work training skills, such as Work Experience (WEX) participants and Division of Youth Services (DYS) youth employment workers, shall not accrue sick leave.

B. Employees are entitled to use sick leave after it is accrued.

C. For employees covered by the overtime requirements of the Fair Labor Standards Act, sick leave may be used in fifteen-minute increments ~~((or as specified in the collective bargaining agreement))~~.

D. There shall be no limit to the ~~((hours))~~ number of sick leave ~~((benefits))~~ hours accrued and carried over to the following year by ~~((an))~~ employees eligible ~~((employee))~~ for comprehensive leave benefits.

Short-term temporary employees and administrative interns may carry over forty hours of unused sick leave to the following year, all other unused accrued sick leave shall be forfeited.

E.1. Separation from or termination of county employment, except by reason of retirement or layoff due to lack of work, funds, efficiency reasons or separation for medical reasons, shall cancel all sick leave accrued to ~~((the))~~ employees eligible for comprehensive leave benefits as of the date of separation or termination.

2. Separation from, retirement from or termination of county employment shall cancel all sick leave accrued to short-term temporary employees and administrative interns as of the date of the separation, retirement or termination.

3. Should ~~((the))~~ an employee ~~((resign in good standing, be separated for medical reasons or be laid off, and))~~ return to county employment within two years, accrued sick leave shall be restored~~((, but the restoration shall not apply where the former employment was in a term-limited temporary position))~~.

F.1. Except for ~~((employees covered by subsection G. of this section))~~ short-term temporary employees, administrative interns, and employees covered by the Law Enforcement Officers and Firefighters (LEOFF) 1 retirement system, employees eligible to accrue sick leave ~~((and))~~ who have successfully completed at least five years of county service and who retire as a result of length of service or who terminate by reason of death shall be paid, or their estates paid or as provided for by Title 11 RCW, as applicable, an amount equal to thirty-five percent of their unused, accumulated sick leave multiplied by the employee's rate of pay in effect upon the date of leaving county employment less mandatory withholdings. This provision is predicated on the requirement that, except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cash out. For the purposes of this subsection F.1., "retire as a result of length of service" means an employee is eligible, applies for and begins drawing a pension from the Law Enforcement Officers and Firefighters (LEOFF), Public Employees' Retirement System (PERS), Public Safety Employees' Retirement System (PSERS) or the city of Seattle Retirement Plan immediately upon terminating county employment.

2.a. In lieu of the remuneration for unused sick leave at retirement, the manager of the human resources division~~((;))~~ or ~~((the manager's))~~ designee~~((;))~~ may, with equivalent funds, provide eligible employees with a voluntary employee beneficiary association plan that provides for reimbursement of retiree and other qualifying medical expenses. Under K.C.C. 3.12.190.H., in lieu of the remuneration for fifty percent of unused vacation leave at retirement, the manager may also fund the voluntary employee beneficiary association plan.

b. The manager shall adopt procedures for the implementation of all voluntary employee beneficiary association plans. At a minimum, the procedures shall provide that:

(1) each group of employees hold an election to decide whether to implement a voluntary employee beneficiary association plan for a defined group of employees. The determination of the majority of voting employees in a group shall bind the remainder. Elections for represented employees shall be conducted by the appropriate bargaining representative. Elections for nonrepresented employees shall be conducted in accordance with procedures established by the manager;

(2) the manager has discretion to determine the scope of employee groups voting on whether to adopt a voluntary employee beneficiary association plan. The manager shall consult with bargaining representatives and elected officials in determining the scope of voting groups;

(3) any voluntary employee beneficiary association plan implemented in accordance with this subsection F.2. complies with federal tax law. Disbursements in accordance with this subsection F.2. shall be exempt from withholdings, to the extent permitted by law; and

(4) employees shall forfeit remuneration under subsections F.1. and 2. of this section if the employee belongs to a group that has voted to implement a voluntary employee beneficiary association plan and the employee fails to execute forms that are necessary to the proper administration of the plan within twelve months of retirement by reason of length of service, as defined in subsection F.1. of this section.

G. ~~((Uniformed employees covered under the LEOFF Retirement System Plan I shall apply for disability retirement under RCW 41.26.120.~~

H.))1. An employee must use all of ~~((his or her))~~ the employee's accrued sick leave and any donated sick leave before taking unpaid leave for ~~((his or her))~~ the employee's own health reasons. If the employee has an injury or illness that is compensable under the county's workers compensation program, then the employee has the option to augment or not augment wage replacement pay with the use of accrued sick leave. A furloughed employee shall not be eligible to take or be paid for sick leave in lieu of taking a budgetary furlough

day.

2. For a leave for family reasons, the employee shall choose at the start of the leave whether the particular leave would be paid or unpaid(~~(;)~~), but when an employee chooses to take paid leave for family reasons (~~((he or she))~~) the employee may set aside a reserve of up to eighty hours of accrued sick leave. A furloughed employee who is on county family medical leave as provided for in this section shall retain county benefits during furlough days.

3. An employee who has exhausted all of (~~((his or her))~~) the employee's accrued sick leave may use accrued vacation leave before going on leave of absence without pay, if approved by (~~((his or her))~~) the employee's appointing authority. A furloughed employee shall not be eligible to take or be paid for vacation leave in lieu of sick leave in lieu of taking a furlough day.

~~((F.))~~ H. Sick leave may be used (~~((only))~~) for the following reasons:

1. (~~((The employee's bona fide illness, but an employee who suffers an occupational illness may not simultaneously collect sick leave and worker's compensation payments in a total amount greater than the net regular pay of the employee;~~

~~2. The employee's incapacitating injury, but:))~~ An absence:

a. resulting from the employee's mental or physical illness, injury, or health condition;

2. To allow the employee to provide care:

a. for a family member with a mental or physical illness, injury or health condition;

b. for a family member who needs medical diagnosis, care or treatment of a mental or physical illness, injury or health condition; or

c. for a family member who needs preventive medical care;

3. When a King County facility is closed by order of public official for any health-related reason, or when an employee's child's school or place of care is closed by order of a public official for a health-related reason;

4. For absences that qualify for leave under the domestic violence leave act, chapter 49.76 RCW;

5. For absences to increase the safety of the employee or a family member when the employee or a family member has been a victim of trafficking under RCW 9A.40.100; and

6. For family and medical leave available under federal law, state law or King County ordinance.

I. For purposes of sick leave, "family member" means any of the following:

1. A child, including a biological, adopted or foster child, a stepchild or a child to whom the employee stands in loco parentis, is a legal guardian or is a de facto parent, regardless of age or dependency status, or the child of the employee's domestic partner;

2. The parent of an employee, employee's spouse or employee's domestic partner. Parent includes:

a. a biological parent;

b. an adoptive parent;

c. a de facto parent;

d. a foster parent;

6. A grandchild; or

7. A sibling.

~~((a.))~~ J.1. ~~((a))~~An employee injured on the job may not simultaneously collect sick leave and workers' compensation payments in a total amount greater than the net regular pay of the employee, though an employee who chooses not to augment ~~((his or her))~~ the employee's workers' compensation wage replacement pay through the use of sick leave shall be deemed on unpaid leave status~~((;))~~.

~~((K. Failure to return to work by the expiration date of a leave of absence may be cause for removal and~~

Verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.

SECTION 11. Ordinance 12014, Section 22, as amended, and K.C.C. 3.12.223 are each hereby amended to read as follows:

A.1. Any employee eligible for comprehensive leave benefits may donate a portion of ~~((his or her))~~ the employee's accrued vacation leave to another employee eligible for comprehensive leave benefits. Such a donation will occur upon written request to and approval of the donating and receiving employees' department director or directors, except that requests for vacation donation made for the purposes of supplementing the sick leave benefits of the receiving employee shall not be denied unless approval would result in a departmental hardship for the receiving department.

2. The number of hours donated shall not exceed the donor's accrued vacation credit as of the date of the request. No donation of vacation hours shall be permitted where it would cause the employee receiving the transfer to exceed ~~((his or her))~~ the employee's maximum vacation accrual.

3. A furloughed employee shall not be eligible to take or be paid for donated vacation in lieu of taking a furlough day, except as provided in K.C.C. 3.12F.040.

4. Donated vacation leave hours must be used within ninety calendar days following the date of donation. Donated hours not used within ninety days or due to the death of the receiving employee shall revert to the donor. Donated vacation leave hours shall be excluded from vacation leave payoff provisions in this chapter. For purposes of this section, the first hours used by an employee shall be accrued vacation leave hours.

B.1. Any employee eligible for comprehensive leave benefits may donate a portion of ~~((his or her))~~ the employee's accrued sick leave to another employee eligible for comprehensive leave benefits upon written notice to the donating and receiving employees' department director or directors.

2. No donation shall be permitted unless the donating employee's sick leave accrual balance immediately subsequent to the donation is one hundred hours or more. No employee may donate more than twenty-five hours of ~~((his or her))~~ the employee's accrued sick leave in a calendar year.

3. Donated sick leave hours must be used within ninety calendar days. Donated hours not used within ninety days or due to the death of the receiving employee shall revert to the donor. Donated sick leave hours shall be excluded from the sick leave payoff provisions contained in this chapter, and sick leave restoration provisions contained in this chapter. For purposes of this section, the first hours used by an employee shall be accrued sick leave hours.

C. All donations of vacation and sick leave made under this chapter are strictly voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other compensation or benefits in exchange for donating vacation or sick leave hours.

D. All vacation and sick leave hours donated shall be converted to a dollar value based on the donor's straight time hourly rate at the time of donation. Such dollar value will then be divided by the receiving employee's hourly rate to determine the actual number of hours received. Vacation leave donated to a furloughed employee, who is designated by a department director and confirmed by the chief administrative officer as eligible to use donated leave on a furlough day, is donated on an hour-for-hour basis, without an hourly rate conversion. Unused donated vacation and sick leave shall be reconverted based on the donor's straight time hourly rate at the time of reconversion. Vacation leave donated to a furloughed employee who is designated by the department director and confirmed by the chief administrative officer as eligible to use donated leave on a furlough day shall not revert back to the donor.

SECTION 12. Ordinance 13743, Section 1, as amended, and K.C.C. 3.12.224 are each hereby amended to read as follows:

Notwithstanding K.C.C. 3.12.190, if an employee dies while engaged within the scope of ~~((his or her))~~ the employee's employment, the executive may implement a process providing a one-time opportunity to allow

employees eligible for comprehensive leave benefits to convert either accrued vacation or accumulated compensatory time hours, or both, to cash to benefit any children of the deceased employee who are under twenty-three years old at the time of the employee's death. This process must conform to the following requirements:

A. The executive shall establish a forty-five-day period during which time employees may sign a written request, subject to approval by the executive, to convert either accrued vacation or accumulated compensatory time hours, or both, to cash and to authorize a payroll deduction of the cash to benefit the children of the deceased employee who are under twenty-three years old at the time of the employee's death. The hours must be in full-hour increments, with a minimum of four;

B. The executive shall determine the maximum hours that any employee can convert to cash, but the maximum may not be greater than a total of forty by each employee;

C. The value of the hours must be determined based on the regular hourly rate of the employee in effect at the time the approved conversion request is received by the county's payroll office;

D. If employees elect to convert either accrued vacation or accumulated compensatory time hours, or both, to cash as set forth in this section, the executive shall identify one or more support accounts or programs to which the cash may be paid for the benefit of the children. Unless the executive determines that another support account or program is more suitable given the circumstances of the children, the executive shall first insure the establishment of a Washington state college tuition prepaid program-guaranteed education tuition (GET) account with the state of Washington treasury to benefit the children of the deceased employee. In addition to or in lieu of the GET program, the executive may direct that some or all of the cash collected under this section be paid to other support accounts or programs that the executive has determined:

1. Are established in the names of the children or their legal guardian for the benefit of the children;
2. Are held by a governmental agency, nonprofit organization, bank, trust or lawful entity other than an individual;

3. Contain adequate safeguards against theft, diversion, loss or wasting of the funds paid under this section; and

4. Restrict the permissible use of funds paid under this section to paying for minimal, if any, administrative expenses and providing for the children's reasonable food, shelter and educational expenses;

E. The cash resulting from converted accrued vacation or compensatory time hours, or both, net of all mandatory deductions, including, but not limited to, deductions for retirement plans and federal income tax and the Federal Insurance Contributions Act, must be transmitted to the Washington state college tuition prepaid program-guaranteed education tuition (GET) account established by the executive, or such other accounts or programs as may be determined by the executive, under subsection D₂ of this section; and

F. Employees governed by a collective bargaining agreement may convert to cash either accrued vacation or accumulated compensatory time hours, or both, only if the existing agreement allows for or the collective bargaining agreement is amended to allow for conversions as authorized in this section.

SECTION 13. Ordinance 7956, Section 6, as amended, and K.C.C. 3.12.225 are each hereby amended to read as follows:

F. An employee on leave of absence without pay may return from the leave before its expiration date if the employee provides the appointing authority with a written request to that effect at least fifteen days prior to resuming duties.

G. Failure to return to work by the expiration date of a leave of absence without pay shall be cause for removal and shall result in automatic termination of the employee from county service.

H. A leave of absence without pay may be revoked by the director upon evidence submitted to the director by the appointing authority of the employee indicating that such leave was requested and granted under false pretenses, or that the need for such leave has ceased to exist.
