AN ORDINANCE authorizing the county executive to sign a twenty-five year

lease agreement enabling the Puget Sound Emergency Radio Network project to

occupy and use the city of Kent's Cambridge site.

## STATEMENT OF FACTS:

For the lease from the city of Kent, located at 3300 South 264th Street, Kent, Washington, in

council district five, the Puget Sound Emergency Radio Network project, with the oversight of

the county's facilities management division, has determined that there is not an appropriate

county-owned option, and has successfully negotiated a lease with the city of Kent that will

enable the Puget Sound Emergency Radio Network project to use the Cambridge site.

## BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The executive is authorized to execute a lease for the Cambridge

site with the city of Kent, substantially in the form of Attachment A to this ordinance, and to take all actions

necessary to implement the terms of the lease.
