BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

**SECTION 1. Findings:**

A. The 2017-2018 Biennial Budget Ordinance, Ordinance 18409, Section 19, as amended by Ordinance 18602, Section 5, Proviso P2, required the executive to transmit a plan to restructure the Community Service Area subarea planning program, a motion to approve the plan, and an ordinance that implements changes recommended by the plan to the King County Comprehensive Plan and the King County Code.

B. The 2017-2018 Biennial Budget Ordinance, Ordinance 18409, Section 88, as amended by Ordinance 18602, Section 47, Proviso P3, required the executive to transmit a plan to restructure the Community Service Area subarea planning program, a motion to approve the plan, and an ordinance that implements changes recommended by the plan to the King County Comprehensive Plan and the King County Code.

C. This ordinance implements the changes recommended by the plan by amending the King County Code and amending the King County Comprehensive Plan.

D. The plan calls for the Community Service Area subarea planning program to adopt one plan every year with the exception of the year in which a major update to the King County Comprehensive Plan is completed.

E. RCW 36.70A.130(5)(a) requires King County, and the cities within King County, to complete a review of its comprehensive plan on or before June 30, 2015, and every eight years thereafter. This means the next major review and update of the King County Comprehensive Plan is to be completed by June 30, 2023.

F. The major update of the King County Comprehensive Plan is shifted to an eight-year update cycle to expedite the subarea plans and to match the schedule established in RCW 36.70A.130(5)(a).

G. The shift to an eight-year update cycle allows the county to more closely collaborate with the cities in King County, to implement VISION 2050, with an expected approval date of May 2020, and to plan for growth in accordance with growth targets that will subsequently be established in the King County Countywide Planning Policies.

H. The King County Code allows annual amendments to the King County Comprehensive Plan in

accordance with the Washington state Growth Management Act, chapter 36.70A RCW.

I. The 2016 King County Comprehensive Plan, adopted by King County Ordinance 18427, was a four-year update under the previous comprehensive planning structure. The 2016 King Comprehensive Plan was amended in 2017 by Ordinance 18623 adopting the Vashon-Maury Island Community Service Area Subarea Plan.

J. The amendment to the Vashon-Maury Island Community Service Area Subarea Plan in Attachment B to this ordinance shifts the transmittal date from December 31, 2018 to June 30, 2022 for Workplan Action 1, which involves the review of the property-specific development conditions and special district overlays on Vashon-Maury Island.

K. The amendments to policies and text in Attachments A and B to this ordinance constitute the 2018 annual update to the King County Comprehensive Plan.

L. The restructure in this ordinance and its attachments recognizes the maturity of the Comprehensive Plan, that recent major updates have primarily focused on addressing emerging policy issues and that the number of docket requests have drastically reduced over time. The restructure will also aid the county's ability to be responsive to time-sensitive issues, address requests from residents, and to serve the needs of its unincorporated communities.

SECTION 2. A. Attachments A and B to this ordinance are hereby adopted as amendments to the 2016 King County Comprehensive Plan, as adopted by Ordinance 18427 and as amended in 2017 by Ordinance 18623.

B. The 2017 Vashon-Maury Island Community Service Area Subarea Plan as adopted in Attachment A to Ordinance 18623 and as amended by this ordinance is hereby adopted as an amendment to and an element of the 2016 King County Comprehensive Plan.

NEW SECTION. SECTION 3. There is hereby added to K.C.C. chapter 20.08 a new section to read as follows:

"Area zoning and land use study" means a study that reviews the land use designations and zoning classifications for a specified set of properties. "Area zoning and land use studies" are focused on a broader set of policies than a subarea study, and do not look at the larger range of issues that a subarea plan would include. "Area zoning and land use studies" consider specific potential changes to land use or zoning, or both, and analyze such requests based on surrounding land use and zoning, current infrastructure and potential future needs, and consistency with the King County Comprehensive Plan, countywide planning policies and the Growth Management Act, chapter 36.70A RCW.

NEW SECTION. SECTION 4. There is hereby added to K.C.C. chapter 20.08 a new section to read as follows:

"Public review draft" means a draft of executive proposed Comprehensive Plan amendments, including proposed subarea plans, made available to the public for review and comment. A "public review draft" is published before transmittal of proposed Comprehensive Plan amendments to the council so as to provide the public an opportunity to record comments before the executive finalizes the recommended amendments.

SECTION 5. Ordinance 263, Article 1 (part), as amended, and K.C.C. 20.08.060 are hereby amended to read as follows:

"Subarea plan" means a detailed local land use plan ~~((which))~~ that implements, is consistent with and is an element of the ~~((e))~~Comprehensive ~~((p))~~Plan, containing specific policies, guidelines and criteria adopted by the council to guide development and capital improvement decisions within specific subareas of the county. ~~((The s))~~Subareas ~~((of the county shall consist of))~~ are distinct communities, specific geographic areas or other types of districts having unified interests or similar characteristics within the county. Subarea plans may include~~((:))~~ community plans, ~~((which have been prepared for large unincorporated areas; potential annexation area plans, which have been prepared for urban areas that are designated for future annexation to a city;))~~ community service area subarea plans, neighborhood plans, ~~((which have been prepared for small unincorporated areas;))~~ basin plans and plans addressing multiple areas having common interests. The

relationship between the 1994 King County Comprehensive Plan and subarea plans is established by K.C.C. 20.12.015.

NEW SECTION. SECTION 6. There is hereby added to K.C.C. chapter 20.08 a new section to read as follows:

"Subarea study" means a study that is required by a policy in the Comprehensive Plan to evaluate a proposed land use change, such as the establishment of new community business centers, adjusting Rural Town boundaries or assessing the feasibility of zoning reclassifications in urban unincorporated areas. "Subarea studies" are focused on specific areas of the county, but do not look at the larger range of issues that a subarea plan would include. "Subarea studies" are separate from area zoning and land use studies defined in Section 3 of this ordinance. The Comprehensive Plan policies and accompanying text shall guide the scope and content of the subarea study.

SECTION 7. Ordinance 263, Article 2, Section 1, as amended, and K.C.C. 20.12.010 are hereby amended to read as follows:

A. Under the King County Charter, the state Constitution and the Washington state Growth Management Act, chapter 36.70A RCW, King County adopted the 1994 King County Comprehensive Plan via Ordinance 11575 and declared it to be the Comprehensive Plan for King County until amended, repealed or superseded. The Comprehensive Plan has been reviewed and amended multiple times since its adoption in 1994. Amendments to the 1994 Comprehensive Plan to-date are currently reflected in the 2016 King County Comprehensive Plan, as adopted in Ordinance 18427 and as amended by Ordinance 18623 and this ordinance. The Comprehensive Plan shall be the principal planning document for the orderly physical development of the county and shall be used to guide subarea plans, functional plans, provision of public facilities and services, review of proposed incorporations and annexations, development regulations and land development decisions.

SECTION 8. Ordinance 12061, Section 4, as amended, and K.C.C. 20.12.325 are hereby amended to read as follows:

The 2017 Vashon-Maury Island Community Service Area Subarea Plan, dated December 4, 2017, in Attachment A to Ordinance 18623 and as amended by Attachment B to this ordinance, is adopted as a subarea plan and an element of the 2016 King County Comprehensive Plan and, as such, constitutes official county policy for the geographic area of unincorporated King County defined plan.

SECTION 9. Ordinance 13147, Section 19, and K.C.C. 20.18.030 are hereby amended to read as follows:

A. The King County Comprehensive Plan shall be amended in accordance with this chapter, which, in compliance with RCW 36.70A.130(2), establishes a public participation program whereby amendments are considered by the council no more frequently than once a year as part of the ~~((amendment))~~ update cycle established in this chapter, except that the council may consider amendments more frequently to address:

1. Emergencies;
2. An appeal of the plan filed with the Central Puget Sound Growth Management Hearings Board or with the court;
3. The initial adoption of a subarea plan, which may amend the urban growth area boundary only to redesignate land within a joint planning area;
4. An amendment of the capital facilities element of the Comprehensive Plan that occurs in conjunction with the adoption of the county budget under K.C.C. 4A.100.010; or
5. The adoption or amendment of a shoreline master program under chapter 90.58 RCW.

B. Every year the Comprehensive Plan may be amended to address technical updates and corrections, to adopt community service area subarea plans and to consider amendments that do not require substantive changes to policy language ~~((, changes to the priority areas map,))~~ or do not require changes to the urban growth area boundary, except as permitted in subsection B.9. and 11. of this section. ~~((This))~~ The review may be referred to as the annual ~~((eyele))~~ update. The Comprehensive Plan, including subarea plans, may be amended in the annual ~~((eyele))~~ update only to consider the following:

1. Technical amendments to policy, text, maps or shoreline designations;
2. The annual capital improvement plan;
3. The transportation needs report;
4. School capital facility plans;
5. Changes required by existing Comprehensive Plan policies;
6. Changes to the technical appendices and any amendments required thereby;
7. Comprehensive updates of subarea plans initiated by motion;
8. Changes required by amendments to the ((e))Countywide ((p))Planning ((p))Policies or state law;
9. Redesignation proposals under the four-to-one program as provided for in this chapter;
10. Amendments necessary for the conservation of threatened and endangered species;
11. Site-specific land use map amendments that do not require substantive change to ((e))Comprehensive ((p))Plan policy language and that do not alter the urban growth area boundary, except to correct mapping errors;
12. Amendments resulting from subarea studies required by ((e))Comprehensive ((p))Plan policy that do not require substantive change to ((e))Comprehensive ((p))Plan policy language and that do not alter the urban growth area boundary, except to correct mapping errors;
13. Changes required to implement a study regarding the provision of wastewater services to a Rural Town. The amendments shall be limited to policy amendments and adjustment to the boundaries of the Rural Town as needed to implement the preferred option identified in the study; ((o))T
14. Adoption of community service area subarea plans;
15. Amendments to the Comprehensive Plan update schedule that respond to adopted ordinances and improve alignment with the timing requirements in the Washington state Growth Management Act, RCW chapter 36.70A, and alignment with multicounty and countywide planning activities; or
16. Amendments to the Comprehensive Workplan, only as part of the 2018 subarea planning

restructure adopted by this ordinance.

C. Every ~~((fourth))~~ eight year beginning in ~~((2000))~~ 2023, the county shall complete a comprehensive review of the Comprehensive Plan in order to update it as appropriate and to ensure continued compliance with the GMA. This review may provide for a cumulative analysis of the twenty-year plan based upon official population growth forecasts, benchmarks and other relevant data in order to consider substantive changes to policy language and changes to the urban growth area. ~~((This))~~ The comprehensive review shall begin one year in advance of the transmittal and may be referred to as the ~~((four))~~ eight-year ~~((eyele))~~ update. The urban growth area boundaries shall be reviewed in the context of the ~~((four))~~ eight-year ~~((eyele))~~ update and in accordance with countywide planning policy G-1 and RCW 36.70A.130.

D.1. If ~~((the county determines that the purposes of the Comprehensive Plan are not being achieved as evidenced by official population growth forecasts, benchmarks, trends and other relevant data))~~ there is a scope of work adopted by motion to perform a limited update to the Comprehensive Plan to address time-sensitive issues prior to the next eight-year update, substantive changes to the Comprehensive Plan and amendments to the urban growth area boundary may also be considered ~~((on even calendar years. This determination shall be authorized by motion))~~ at the midpoint of the eight-year update cycle. This update that can include substantive changes and amendments as authorized by motion may be referred to as the midpoint update.

2. The motion shall specify the scope of the midpoint update, and identify that the resources necessary to accomplish the work are available. ~~((An analysis of the motion's fiscal impact))~~ A fiscal note for the scope of the midpoint update shall be provided to the council ~~((before to adoption))~~ by the executive within fifteen business days of introduction of the proposed motion. If ~~((T))~~ the executive ~~((shall))~~ determines ~~((if))~~ an additional ~~((funds are))~~ appropriation is necessary to complete the midpoint update, ~~((and))~~ the executive may transmit an ordinance requesting the additional appropriation ~~((of supplemental funds))~~.

3. If the executive proposes a midpoint update, the executive shall transmit to the council by the last business day in June two years before the midpoint year of the eight-year update cycle a proposed motion

specifying the scope of work for the midpoint update. The council shall have until September 15 of that year, to adopt a motion specifying the scope of work initiating a midpoint update, either as transmitted or amended, or as introduced or amended. If the motion is approved by September 15, the scope shall proceed as established by the approved motion. In the absence of council approval by September 15, the executive shall proceed to implement the scope as transmitted. If such a motion is adopted, the executive shall transmit a midpoint update by the last business day of June of the following year after adoption of the motion. The council shall have until June 30 of the following year after transmittal to adopt a midpoint update.

4. Before initiation of the first eight-year update in 2023, substantive changes to the Comprehensive Plan and amendments to the urban growth area boundary may be considered. The amendments shall be considered in the 2020 Comprehensive Plan update and shall be subject to the midpoint update process and requirements. The executive shall transmit to the council by the first business day of January 2019 a proposed motion specifying the scope of work for the proposed amendments consistent with K.C.C. 20.18.030.D.1. The council shall have until the last business day of February 2019, to adopt the motion, either as transmitted or amended. In the absence of council approval by the last business day of February 2019, the executive shall proceed to implement the scope as proposed. If the motion is approved the last business day of February 2019, the scope shall proceed as established by the approved motion. The executive shall transmit to the council any proposed amendments for the 2020 Comprehensive Plan update the by the last business day of September 2019. The council shall have until the last business day of June 2020 to adopt the 2020 Comprehensive Plan update.

~~((D-))~~ E. The executive shall seek public comment on the ~~((e))~~Comprehensive ~~((p))~~Plan and any proposed ~~((e))~~Comprehensive ~~((p))~~Plan amendments in accordance with the procedures in K.C.C. 20.18.160 before making a recommendation, which shall include publishing a public review draft of the proposed Comprehensive Plan amendments, in addition to conducting the public review and comment procedures required by SEPA. The public shall be afforded at least one official opportunity to record public comment

before the transmittal of a recommendation by the executive to the council. County-sponsored councils and commissions may submit written position statements that shall be considered by the executive before transmittal and by the council before adoption, if they are received in a timely manner. The executive's recommendations for changes to policies, text and maps shall include the elements listed in Comprehensive Plan policy I-207 and analysis of their financial costs and public benefits, any of which may be included in environmental review documents. Proposed amendments to the Comprehensive Plan shall be accompanied by any development regulations or amendments to development regulations, including area zoning, necessary to implement the proposed amendments.

SECTION 10. Ordinance 13147, Section 20, and K.C.C. 20.18.040 are hereby amended to read as follows:

A. Site-specific land use map or shoreline master program map amendments may be considered ((~~annually or during the four year review cycle~~)) during the annual update, midpoint update or eight-year update, depending on the degree of change proposed.

B. The following categories of site-specific land use map amendments or shoreline master program map may be initiated by either the county or a property owner for consideration in the annual ((~~review cycle~~)) update:

1. Amendments that do not require substantive change to ((~~e~~))Comprehensive ((~~p~~))Plan policy language and that do not alter the urban growth area boundary, except to correct mapping errors; and
2. Four-to-one-proposals.

C. The following categories of site-specific land use map and shoreline master program amendments may be initiated by either the county or a property owner for consideration in ((~~four~~)) the eight-year ((~~review cycle~~)) update or midpoint update:

1. Amendments that could be considered in the annual ((~~review cycle~~)) update;
2. Amendments that require substantive change to Comprehensive Plan policy language; and

3. Amendments to the urban growth area boundary.

SECTION 11. Ordinance 3688, Section 813, and K.C.C. 20.18.056 are hereby amended to read as follows:

A. Shoreline environments designated by the master program may be considered for redesignation during the ~~((four))~~ eight-year ~~((review cycle))~~ update or midpoint update.

B. A redesignation shall follow the process in K.C.C. 20.18.050.

SECTION 12. Ordinance 13147, Section 22, and K.C.C. 20.18.060 are hereby amended to read as follows:

A. Beginning in ~~((1999))~~ 2021, and every ~~((fourth))~~ eighth year thereafter the executive shall transmit to the council by the ~~((first))~~ last business day of ~~((March))~~ June a proposed motion specifying the scope of work for proposed amendments to the Comprehensive Plan that will occur in the following year, which motion shall include the following:

1. Topical areas relating to amendments to policies, the land use map ~~((and/or))~~, implementing development regulations, or any combination of those amendments that the executive intends to consider for recommendation to the council; and

2. An attachment to the motion advising the council of the work program the executive intends to follow to accomplish state Environmental Policy Act review and public participation.

B. The council shall have until ~~((April 30))~~ September 15 to approve the motion. In the absence of council approval, the executive shall proceed to implement the work program as proposed. If the motion is approved, the work program shall proceed as established by the approved motion.

C. Beginning in ~~((2000))~~ 2022 and every ~~((fourth))~~ eighth year thereafter, the executive shall transmit to the council by the ~~((first))~~ last business day of ~~((March))~~ June a proposed ordinance amending the Comprehensive Plan, except that the capital improvement program and the ordinances adopting updates to the transportation needs report and the school capital facility plans shall be transmitted no later than the biennial

budget transmittal and shall be adopted in conjunction with the budget. However, in those years when there is only a midbiennium review of the budget, the ordinances adopting the capital improvement plan and the school capital facility plans shall be transmitted by October 1 and adopted no later than the midbiennium review under K.C.C. 4A.100.010. All transmittals shall be accompanied by a public participation note, identifying the methods used by the executive to ensure early and continuous public participation in the preparation of amendments.
