Clerk 04/20/2018

A RESOLUTION approving an interlocal agreement with the City of  
Kent regarding design alternatives relating to the Signature Point Levee  
Improvement Project.

WHEREAS, the Signature Pointe Levee ("the Levee") is a key part of the Green River levee  
system, and

WHEREAS, the District desires to improve the Levee ("the Project") to provide improved flood  
protection and scour protection, to enable certification and secure necessary land rights, and

WHEREAS, the District has included the Project in its CIP and budget, in a total amount of  
\$300,000, and

WHEREAS, the city of Kent has agreed to prepare an analysis of the design alternatives for the  
Project, in order to provide for the safety of residents and businesses that are protected by the Levee, and

WHEREAS, the District and city of Kent ("the Parties") desire to construct the Project as soon as

possible, with a goal of construction in 2019, and

WHEREAS, the Parties desire to prepare an analysis and study of design and construction alternatives for the Project, and select a preferred alternative for recommendation to the District, and

WHEREAS, the Parties further intend that after the District selects a design for the Project, the Parties will negotiate and enter into an agreement regarding final design and construction of the Project;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE KING COUNTY FLOOD CONTROL ZONE DISTRICT:

SECTION 1. The board of supervisors approves the "Agreement Regarding Alternatives, Signature Pointe Levee Improvement Project, River Mile 21.7 to 23.2, Right Bank," Attachment A to this resolution, and authorizes the chair to sign the agreement.
