BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings: Based on past experience in using the emergency waiver procedures in the King County Code to respond to various emergencies over the years, the department of executive services, in

consultation with the prosecuting attorney and legal counsel for the council, has identified amendments to K.C.C. 2.93.080, K.C.C. 3.24.070, K.C.C. 3.24.080, K.C.C. 12.50.010 and K.C.C. 12.50.030 that will clarify and streamline the county executive's ability to timely and fully respond to future emergency events and ensure that the county council receives timely notice of emergent events and the need to take appropriate legislative action as authorized by the King County Code.

SECTION 2. Ordinance 3441, Section 5, as amended, and K.C.C. 2.93.080 are hereby amended to read as follows:

A. In the event of an emergency, as defined in RCW 39.04.280, now and as hereinafter amended, the executive may issue a ~~((determination))~~ declaration of emergency. In the event of an emergency, as defined in K.C.C. 12.52.010, the executive may proclaim an emergency in accordance with K.C.C. ~~((chapter 12.52))~~

12.52.030.B. In either the declaration or the proclamation, the executive shall recite the facts constituting the emergency. ~~((Upon issuance of such a determination))~~ As part of the declaration or proclamation, or by separate order made in accordance with K.C.C. 12.52.030.C., the executive may issue a waiver of the public advertising and competitive procurement requirements of state law and this chapter, ((K.C.C. 4A.100.070)) and the requirements of K.C.C. chapter((s)) ((12.16 and 12.18 with reference to any contract)) 12.19 relating to ((the county's lease or purchase of)) county contracts for the following purchases or leases:

1. ((t))Tangible personal property ((or services, contracts for));
2. ((p))Public works as defined by RCW 39.04.010((, or to the selection and award of either)); and
3. Services, including professional or technical services ((consultant contracts, or both. The waiver shall continue in force and effect until terminated by order of the executive or action by the council by ordinance. However, waivers for contracts entered into, that combined, encumber funds either in excess of two hundred fifty thousand dollars, or in excess of appropriation shall be subject to subsection B. of this section.

An emergency waiver of the requirements of K.C.C. chapter 12.16 and K.C.C. 12.18.095, under this section, shall not amend the annual utilization goals unless the emergency makes it impossible to achieve the

~~annual utilization goals. The executive shall report, in detail, such emergency expenditures to the county council within forty-five days of determining an emergency)).~~

B. A declaration, proclamation or order that includes a ((W))waiver((s for contracts that, combined for each emergency, exceed two hundred fifty thousand dollars, or are in excess of appropriation)) issued under this section shall be ((forwarded)) delivered to the clerk of the council no later than 10:00 a.m. the second business day after it is issued. A contract may not be entered into by the county under this section until the declaration, proclamation, or order including the waiver is delivered to the clerk of the council or sent by email to the clerk of the council and each councilmember. ((Such a)) The waiver shall continue to have force and effect until it expires, which shall be twenty-one calendar days after issuance, unless terminated sooner by order of the executive or action of the council by ((ordinance, or until it expires, which shall be ten calendar days after there have been contracts entered into, combined, encumber funds either in excess of two hundred fifty thousand dollars or in excess of appropriation)) motion. The council, by motion, may extend a waiver beyond the ((ten)) twenty-one day period.

C. ~~((In the event))~~ If a waiver authorized under this section expires or is terminated, no further contracts or purchases may be made without complying with the nonemergency contracting provisions of state law, this chapter((;)) and K.C.C. chapter((s)) ((2.93, 12.16 and 12.18)) 12.19. Expiration or termination of a waiver shall not cancel any contract previously entered into under authority of the waiver, but ((A))any contract entered into under the authority of this section shall contain provisions allowing the county to terminate the contract for convenience ((or as a result of the expiration or termination of an emergency waiver as provided in this section))). Such contract termination provisions shall authorize the county to pay the contractor only that portion of the contract price corresponding to work completed to the county's satisfaction before termination, together with costs necessarily incurred by the contractor in terminating the remaining portion of work, less any payments made before termination. ~~((Reasonably necessary expenditures to respond to the emergency will not result in contracts or purchases being null and void, notwithstanding the lack of an appropriation. If the responsible~~

~~director determines that the expenditures were made in excess of an appropriation, the executive will request an appropriation, specifying the source of funds.))~~

D. ~~((Reasonably necessary expenditures to respond to the emergency will not result in contracts or purchases being null and void, notwithstanding the lack of an appropriation.))~~ The executive is authorized to expend or contract to expend money or make purchases in excess of existing appropriations to respond to an emergency. If the responsible department director determines that the expenditures were made in excess of an appropriation, the executive ((will request an appropriation)) shall transmit a proposed appropriation ordinance to the council, specifying the reason for the expenditure, the appropriation amount and the source of funds.

E. The executive shall report, in detail, all expenditures to the county council made under authority of the waiver within forty-five days of issuing the waiver.

B. The traveler shall be reimbursed for actual lodging costs incurred for single occupancy, to a maximum of the federal lodging limit for the host city plus taxes. If the lodging receipt indicates a charge for double occupancy and two persons are authorized to travel on behalf of the county, each traveler shall be allowed one-half the double occupancy charge. 2. The authorized means of transportation between the alternate lodging site and the event site would exceed the savings in lodging costs; or
3. The presiding elected official or designee has authorized the excess expenditure in writing and in advance for any exigent circumstances that might exist.

D. Employees who are not in overnight travel status may be provided either lodging paid directly by the county or reimbursed by the county to the employ in the event of an emergency proclaimed by the county executive, but only if:

1. The employee who is provided lodging must remain close to the worksite in order to respond to the emergency;

During the first twenty-four hours, the lodging is approved by the presiding elected official or designee in writing with a brief description of the event; any extension beyond the first twenty-four hours is approved in advance and by the presiding elected official or designee in writing with a brief description of the event.

((E-)) F. The department of finance shall distribute federal lodging limits, as published in the Code of Federal Regulations, 41 CFR Sec. 301, App. A, as rate changes occur.

A. For persons traveling on official county business, meal and incidental expenses are reimbursable at the per diem rates established by the federal travel regulations for the host city, published annually in the Code of Federal Regulations, 41 CFR Sec. 301, App. A. The per diem rates include fixed allowances for breakfast, lunch, dinner and incidental expenses, by city. The meal allowances include tips and gratuities. The incidental rates are calculated to allow for expenses such as fees and tips to baggage carriers, concierges, hotel staff and laundry. Reimbursement for incidentals is authorized only for overnight travel. Receipts are not required:

1. For day travel, the fixed allowance per meal, as established by the federal per diem rate, may be claimed if in travel status at the following times: 7:00 a.m. - breakfast, 12 noon - lunch, and 6:00 p.m. - dinner;

Refreshment expenses, however, are limited to fifty percent of the fixed lunch meal allowance established by the federal travel regulations for each participant. Any purchase of refreshments that will cost more than fifty dollars in total per function must be approved in advance and in writing by the presiding elected official or designee.

A receipt detailing the expense, accompanied by written justification, shall be submitted with the request to exceed the fixed meal allowance;
2. The meal expense is incurred on behalf of another agency that reimburses the county for the
