BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings.

A. Ordinance 19030 established updated regulations for winery, brewery, distillery facilities and remote tasting rooms, in unincorporated King County.

B. Ordinance 19030 was challenged on State Environmental Policy Act ("SEPA") and Washington state Growth Management Act, including chapter 36.70A RCW ("the GMA") grounds by Friends of Sammamish Valley, a Washington nonprofit corporation, A Farm in the Sammamish Valley, LLC, Marshal Leroy d/b/a Alki Market Garden, Eunomia Farms LLC, Olympic Nursery Inc., C-T Corp., Roots of Our Times Cooperative, Regeneration Farms LLC, Hollywood Hill Association, Terry and David R. Orkiolla, Judith Allen and Futurewise to the Central Puget Sound Growth Management Hearings Board ("the board"). On January 3, 2022, the board issued its Final Decision and Order for Case No. 20-3-0004c ("the order"), which granted the petitioners' appeal and invalidated Ordinance 19030, Sections 12 through 30, and map amendments 1 and 2, which were Attachments A and B to Ordinance 19030. Those sections included definitions, zoning conditions, parking requirements, temporary use permit clarifications, home occupation and home industry limitations and a demonstration project.

C. The board's order also remanded Ordinance 19030 to the county to take actions to bring the ordinance into compliance.

D. This ordinance undoes the substantive provisions of Ordinance 19030 and reestablishes the regulations for wineries, breweries and distilleries that were in place before Ordinance 19030 was effective.

E. A one-year moratorium adopted with Ordinance 19309 remains in place through December 23, 2022. As part of Ordinance 19309, the executive is directed to make recommendations and propose a timeline regarding next steps for the county regarding adopting regulations for the uses prohibited by the moratorium. It is intended by the council that changes made by this ordinance, and ways to strengthen the provisions of this ordinance to support the GMA and protection of environmental, be part of those recommendations.

F. In 2020, the county developed and issued a revised SEPA checklist, dated November 4, 2020, for the regulations adopted as part of Ordinance 19030. Based on the SEPA checklist, the county's SEPA Responsible

Official issued a Determination of Nonsignificance on January 15, 2021, for the regulations adopted in 19030, and including the range of options defined in the checklist. The comment period ended February 12, 2021.

Comments were received by the SEPA Responsible Official.
