WHEREAS, in 2005, the Washington state legislature amended Title 29A RCW to allow counties the option of conducting all elections by mail, and

WHEREAS, the number of King County voters who vote by absentee ballot currently fluctuates between approximately seventy and eighty percent in any given election, and

WHEREAS, sixty-two percent of all registered voters in King County are currently registered to automatically vote by absentee ballot, and

WHEREAS, on December 20, 2005 King County Executive Ron Sims announced his desire to adopt an

all mail voting system in King County, and

WHEREAS, the council on June 19, 2006, passed Ordinance 15523 authorizing the director of the records, elections and licensing services division to conduct all elections entirely by mail ballot in accordance with state laws beginning in 2007 or 2008 as determined by the director if certain conditions are met, and
