AN ORDINANCE updating and adopting the Comprehensive Plan for Public Transportation.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings:

A. By Resolution 6641 passed on October 21, 1993, the council of the former municipality of metropolitan Seattle ("metro council") adopted a Comprehensive Plan for Public Transportation.

B. The Comprehensive Plan for Public Transportation was ratified by the King County council by adoption of Ordinance 11032, Section 28, and K.C.C. 28.48.010, which ratified all resolutions of the metro council not expressly repealed or inconsistent with other ordinances.

C. The Comprehensive Plan for Public Transportation was amended by the King County council by adoption of Ordinance 12060, Section 1, which updated the percentage allocations for the subareas.

D. The Comprehensive Plan for Public Transportation was again amended by the King County council by adoption of Ordinance 14464, Section 1, which removed subarea percentage allocations, but required service distribution to be consistent with the Six Year Transit Development Plan.

E. Attachment A to Motion 12506 of the regional transit committee directed that the Transit Comprehensive Plan be updated to establish a policy basis for Transit Now service and capital programs, urban connector services such as streetcars or shuttles, and the transit-oriented development program.

SECTION 2. The Comprehensive Plan for Public Transportation, adopted by Resolution 6641 of the metro council, ratified by operation of Ordinance 11032, Section 28, and amended by Ordinance 12060, Section 1, and by Ordinance 14464, Section 1, is hereby amended as shown in Attachment A to this ordinance.
