### PREAMBLE:

WHEREAS, the Metropolitan King County council has a long history of responsible stewardship of the public's money, and;

WHEREAS, the council passed Motion 5888 in December of 1983 which created a number of financial policies including requirement for maintenance of minimum levels of fund balance in the county's current expense fund, and;

WHEREAS, the council passed Motion 7020 in November of 1987 which dedicated a portion of additional sales tax revenues to the creation of a sales tax reserve fund to be used for

financial emergencies, and;

WHEREAS, the council passed Motion 8352 in July of 1991 that reaffirmed its intent that the sales tax reserve fund be used for financial emergencies, and;

WHEREAS, during the budget process to adopt the 1992 budget, the executive's proposed financial plan proposed spending the sales tax reserve funds, and;

WHEREAS, in response, the council passed Motion 8446 in October of 1991 once again affirming its intent that the sales tax reserves only be used in financial emergencies, and;

WHEREAS, these sound financial policies have led the major credit rating agencies to award the county's limited tax general obligation debt with the highest ratings, and;

WHEREAS, the county's general fund includes a number of sub-funds, including the current expense, inmate welfare, children and family set-aside, and sales tax reserve, and;

WHEREAS, these sub-funds do not increase the transparency of county finances and serve only as accounting devices, and;

WHEREAS, the council strongly supports transparent and open government, and;

WHEREAS, the third quarter 2007 management and budget report indicated that the actual amount in the sales tax reserve on December 31, 2006 was \$15,704,186, and;

WHEREAS, the third quarter 2007 management and budget report indicated that the actual amount in the children and families set-aside reserve on December 31, 2006 was \$3,890,503, and;

WHEREAS, with adoption of the 2007 annual budget, the county council created the Financial Policies Advisory Task Force to examine county financial policies, and;

WHEREAS, the Financial Policies Advisory Task Force recommended the creation of a rainy day reserve fund, and;

WHEREAS, the Financial Policies Advisory Task Force also recommended that the

general fund sub-funds be segregated into their own funds,
