## SECTION 2.

A. To ensure completion of the countywide strategic plan for transmittal to council by May 1, 2010, as described in section 1 of this ordinance, the executive shall submit a draft countywide strategic plan to the council by December 15, 2009. At a minimum, the draft countywide strategic plan shall include draft mission, vision, goals for King County government and options for implementation efforts. The draft countywide plan will also present a discussion of the strategic planning process including the methods selected for involving the public; county employees, and elected officials.
