Clerk 12/03/2009

AN ORDINANCE establishing the credit protection fund, including renaming the rainy day reserve fund as such; making technical corrections; and amending Ordinance 15961, Section 1, and K.C.C. 4.08.056 and Ordinance 12076, Section 9, as amended, and K.C.C. 4.08.015.

PREAMBLE:

The metropolitan King County council has a long history of responsible stewardship of the public's money.

The council passed Motion 5888 in December 1983, which created a number of financial policies including requirement for maintenance of minimum levels of fund balance in the county's current expense fund.

The council passed Motion 7020 in November 1987, which dedicated a portion of additional sales tax revenues to the creation of a sales tax reserve fund to be used for financial emergencies.

The council passed Motion 8352 in July 1991, which reaffirmed the council's intent that the sales tax reserve fund be used for financial emergencies.

In response, the council passed Motion 8446 in October 1991, once again affirming its intent that the sales tax reserves only be used in financial emergencies.

With adoption of the 2007 Budget Ordinance, Ordinance 15652, the council created the financial policies advisory task force to examine county financial policies.

The financial policies advisory task force recommended the creation of a rainy day reserve fund.

These sound financial policies have led the major credit rating agencies to award the county's limited tax general obligation debt with the highest ratings.

The county council intends that maintenance of an exceptional credit rating is of the utmost importance during these difficult economic times,

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 15961, Section 1, and K.C.C. 4.08.056 are each hereby amended to read as follows:

- A. There is hereby created the ((rainy day reserve)) credit protection fund for the purpose of accumulating reserves necessary to protect the county's long-term general obligation bond rating and accumulating ((revenues)) reserves to be available for emergencies, as defined in subsection ((B.)) C. of this section. This fund shall be a first tier fund, fully invested for its own benefit. The director of the office of management and budget shall be the fund manager.
- B. The primary use of the credit protection fund is to provide for accumulation of cash balances to support the maintenance of the county's long-term general obligation bond rating.
- <u>C. Expenditures from ((T))the ((rainy day reserve)) credit protection</u> fund shall <u>only</u> be used in the event of an emergency, as declared by a vote of the ((C))county ((C))council for the following purposes:
 - 1. ((Maintenance of essential county services in the event that current expense fund revenue

collections in a given fiscal year are less than ninety-seven percent of adopted estimates.));

- 2.)) Payment of current expense fund legal settlements or judgments in excess of the county's ability to pay from other sources((,));
 - ((3-)) 2. Catastrophic losses in excess of the county's other insurances against such losses ((-)); and
 - ((4.)) 3. Other emergencies, as determined by the council.
