AN ORDINANCE relating to the veterans, seniors, and human services
levy advisory board; and amending Ordinance 18792, Section 1, as
amended, and K.C.C. 2A.300.540.

STATEMENT OF FACTS:

1. In July 2017, Ordinance 18555 placed a six-year veterans, seniors, and human services levy on the general ballot. King County voters approved the 2018-2023 veterans, seniors, and human services levy in November 2017 to plan, provide, administer, and evaluate a wide range of regional health and human services and capital facilities for veterans and military servicemembers and their respective families, seniors and their caregivers, and vulnerable

populations.

2. In 2018, Ordinance 18722 adopted the Veterans, Seniors, and Human Services Levy Governance Plan which created and prescribed the composition and duties of the board to oversee the expenditure of the veterans, seniors, and human services levy proceeds.

3. In 2018, Ordinance 18792 adopted and established the veterans, seniors, and human services levy advisory board described in the Veterans, Seniors, and Human Services Levy Governance Plan, to oversee the distribution of the veterans, seniors, and human services levy proceeds consistent with subsections 4.A and B. of Ordinance 18555. K.C.C. 2A.300.540 codified Ordinance 18792 and will expire on July 1, 2025.

4. In 2023, Ordinance 19604 placed a renewal of the veterans, seniors, and human services levy on the ballot. King County voters approved the renewal in August 2023 by seventy-one percent to fund regional health and human services and capital facilities for veterans and military servicemembers and their respective families, seniors and their caregivers, and resilient populations, for 2024-2029. The ordinance also requires the continuation of the veterans, seniors, and human services levy advisory board to serve in its capacity in accordance with K.C.C. 2A.300.540, and for the levy's required implementation plan to make recommendations for any refinements to the levy's governance. The ordinance also updated several terms reflected in K.C.C. 2A.300.540.

5. On August 17, 2023, the King County veterans advisory board reviewed and consulted on the structure and separation of the veterans advisory board and the veterans, seniors, and human services levy advisory board veterans committee.

6. On October 12, 2023, the Executive transmitted the 2024-2029 Veterans, Seniors, and Human Services Levy Implementation Plan to guide implementation of the 2024-2029 veterans, seniors, and human services levy. The adopted plan, adopted in Ordinance 19719, includes

recommendations for refinements to the veterans, seniors, and human services levy advisory board specified in K.C.C. 2A.300.540.
