A MOTION adopting the King County Strategic Information Technology Plan 2024-2027, which identifies technology objectives and strategies that provide clear direction and guidance for information technology efforts and investments in King County.

WHEREAS, the department of information technology is required under K.C.C. 2A.380.200.B. to produce a strategic information technology plan with annual updates for council approval, and

WHEREAS, a draft plan was developed with input from King County information technology leaders, information technology governance bodies, community business leaders, and community technology leaders, and

WHEREAS, the draft goals and objectives within the plan were endorsed by the strategic advisory council consisting of all separately electeds or their representatives on November 30, 2023, and

WHEREAS, the prior Strategic Information Technology Plan 2020-2023 saw significant completion as reported in the 2023 Strategic Technology Plan Updates that was transmitted to Council on April 27, 2023, and

WHEREAS, the plan demonstrates alignment and support for the King County Strategic Plan and executive priorities;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County Strategic Information Technology Plan 2024-2027, which is Attachment A to this motion, is hereby adopted.
