19030, Section 29, and K.C.C. 21A.55.110, and Ordinance 19030, Section 32, prescribing penalties, and establishing an effective date.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

**SECTION 1. Findings:**

A. Ordinance 19030 established updated regulations for winery, brewery, distillery facilities and remote tasting rooms in unincorporated King County.

B. After a lengthy litigation process, on September 19, 2024, the Washington state Supreme Court, in a 5-4 decision, published an opinion reinstating a January 2022 order from the Growth Management Hearings Board that invalidated Ordinance 19030, Sections 12 through 29, Section 31, and Map Amendments 1 and 2.

C. Ordinance 19030 created a licensing system to assist with enforcement, which the Growth Management Hearings Board left in place. While the Board's litigation was pending at the Court of Appeals, the King County Hearing Examiner considered several preemption-based challenges to the licensing provisions. Although the Hearing Examiner determined that he was unable to resolve the core constitutional issues because it was beyond his jurisdiction, he engaged in a lengthy analysis of applicable authorities. The Hearing Examiner concluded that a local license for alcohol-related sales, distribution and premises '...sounds like the local power the State explicitly withdrew in RCW 66.08.120.'

D. This ordinance amends the provisions adopted by Ordinance 19030. Where provisions adopted by Ordinance 19030 are unchanged, they are not included in this ordinance, and the council's intent is that they remain in effect.

E. The council finds that this ordinance complies with the decision of the Washington state Supreme Court, as well as potential preemption issues with the licensing system.

**SECTION 2.** Ordinance 1888, Article III, Section 5, as amended, and K.C.C. 6.01.150 are hereby amended to read as follows:

A. The office of the hearing examiner is designated to hear appeals by parties aggrieved by actions of

the director pursuant to any business license ordinance. For appeals under K.C.C. chapter 6.65 the office of the hearing examiner is designated to hear such appeals unless a different party is designated by the director. The examiner may adopt reasonable rules or regulations for conducting its business. Copies of all rules and regulations adopted by the examiner shall be delivered to the director, who shall make them freely accessible to the public. All decisions and findings of the examiner shall be rendered to the appellant in writing, with a copy to the director.

B. For-hire transportation appeals under K.C.C. chapter 6.64 (~~and adult beverage businesses appeals under K.C.C. chapter 6.74~~) shall be filed in accordance with K.C.C. 20.22.080 and the hearing process conducted in accordance with K.C.C. chapter 20.22. Appeals under K.C.C. chapter 6.65 shall be filed in accordance with K.C.C. 6.65.450 and the hearing process conducted in accordance with that same section. Subsections C. through H. of this section do not apply to this subsection B.

C. Any person entitled to service under K.C.C. 6.01.130 may appeal any notice and order or any action of the director by filing at the office of the director within seven days from the date of service of such order, a written appeal containing;

1. A heading in the words: "Before the Office of the Hearing Examiner";
2. A caption reading: "Appeal of ....." giving the names of all appellants participating in the appeal;
3. A brief statement setting forth the legal interest of each of the appellants in the business or entertainment involved in the notice and order;
4. A brief statement in concise language of the specific order or action protested, together with any material facts claimed to support the contentions of the appellant;
5. A brief statement in concise language of the relief sought, and the reasons why it is claimed the protested order or action should be reversed, modified, or otherwise set aside;
6. The signatures of all parties named as appellants, and their official mailing addresses; and
7. The verification (by declaration under penalty of perjury) of at least one appellant as to the truth of

the matters stated in the appeal.

D. As soon as practicable after receiving the written appeal, the examiner shall fix a date, time, and place for the hearing of the appeal. The date shall be neither less than ten days nor more than sixty days from the date the appeal was filed with the director. Written notice of the time and place of the hearing shall be given at least ten days before the date of the hearing to each appellant by the examiner either by causing a copy of the notice to be delivered to the appellant personally or by mailing a copy thereof, postage prepaid, addressed to the appellant at the appellant's address shown on the appeal.

E. At the hearing the appellant shall be entitled to appear in person, ~~((and))~~ be represented by counsel, and offer such evidence as is pertinent and material to the action of the director.

F. Only those matters or issues specifically raised by the appellant in the written notice of appeal shall be considered in the hearing of the appeal.

G. Failure of any person to file an appeal in accordance with this section shall constitute a waiver of the person's right to an administrative hearing and adjudication of the notice and order, or any portion thereof.

H. Enforcement of any notice and order of the director shall be stayed during the pendency of an appeal therefrom that is properly and timely filed.

SECTION 3. Ordinance 19030, Section 13, and K.C.C. 21A.06.996 are hereby amended to read as follows:

Remote tasting room: A small facility licensed by the Washington state Liquor and Cannabis Board and limited to the following non-retail liquor licenses: an off-site tasting room license for a distillery licensed as a Distillery or Craft Distillery; a Tasting Room - Additional Location for a winery licensed as a Domestic Winery; or a Microbrewery, including, but not limited to, a Microbrewery operating in accordance with an off-site tavern license subject to the retail sale limitations for a Microbrewery in WAC 314-20-015(1). "Remote tasting room" does not include any additional privileges allowed for such licenses or approvals or any use that would require a license under chapter 314-02 WAC, except as specifically set forth in this chapter.

NEW SECTION. SECTION 4. There is hereby added to K.C.C. chapter 21A.06 a new section to read as follows:

Winery, brewery, or distillery: as defined in RCW 66.04.010.

SECTION 5. Ordinance 10870, Section 336, as amended, and K.C.C. 21A.08.070 are hereby amended to read as follows:

d. Whether a new retail cannabis activity complies with this locational requirement shall be determined based on the date a conditional use permit application submitted to the department of local services, permitting division, became or was deemed complete, and:

(1) if a complete conditional use permit application for the proposed retail cannabis use was not submitted, or if more than one conditional use permit application became or was deemed complete on the same date, then the director shall determine compliance based on the date the Washington state Liquor and Cannabis Board issues a Notice of Cannabis Application to King County;

(2) if the Washington state Liquor and Cannabis Board issues more than one Notice of Cannabis Application on the same date, then the director shall determine compliance based on the date either any complete building permit or change of use permit application, or both, were submitted to the department declaring retail cannabis activity as an intended use;

(3) if more than one building permit or change of use permit application was submitted on the same date, or if no building permit or change of use permit application was submitted, then the director shall determine compliance based on the date a complete business license application was submitted; and

(4) if a business license application was not submitted or more than one business license application was submitted, then the director shall determine compliance based on the totality of the circumstances, including, but not limited to, the date that a retail cannabis license application was submitted to the Washington state Liquor and Cannabis Board identifying the lot at issue, the date that the applicant entered into a lease or purchased the lot at issue for the purpose of retail cannabis use, and any other facts illustrating the timing of substantial investment in establishing a licensed retail cannabis use at the proposed location.

e. Retail cannabis businesses licensed by the Washington state Liquor and Cannabis Board and operating within one thousand feet of each other as of August 14, 2016, and retail cannabis businesses that do not require a permit issued by King County, that received a Washington state Liquor and Cannabis Board license to operate in a location within one thousand feet of another licensed retail cannabis business before August 14, 2016, and that King County did not object to within the Washington state Liquor and Cannabis Board cannabis license application process, shall be considered nonconforming and may remain in the business's current location, subject to the provisions of K.C.C. 21A.32.020 through 21A.32.075 for nonconforming uses, except:

(1) the time periods identified in K.C.C. 21A.32.045.C. shall be six months; and

(2) the gross floor area of a nonconforming retail outlet may be increased up to the limitations in subsection B.26.a. and B.26.b. of this section.

27. Per lot, limited to a maximum aggregated total of five thousand square feet gross floor area devoted to, and in support of, the retail sale of cannabis, and:

a. Any lot line of a lot having any area devoted to retail cannabis activity shall be one thousand feet or more from any lot line of any other lot having any area devoted to retail cannabis activity; and any lot line of a lot having any area devoted to new retail cannabis activity may not be within one thousand feet of any lot line of any lot having any area devoted to existing retail cannabis activity;

b. Whether a new retail cannabis activity complies with this locational requirement shall be determined based on the date a conditional use permit application submitted to the department of local services, permitting division, became or was deemed complete, and:

(1) if a complete conditional use permit application for the proposed retail cannabis use was not submitted, or if more than one conditional use permit application became or was deemed complete on the same date, then the director shall determine compliance based on the date the Washington state Liquor and Cannabis Board issues a Notice of Cannabis Application to King County;

(2) if the Washington state Liquor and Cannabis Board issues more than one Notice of Cannabis Application on the same date, then the director shall determine compliance based on the date either any complete building permit or change of use permit application, or both, were submitted to the department declaring retail cannabis activity as an intended use;

(3) if more than one building permit or change of use permit application was submitted on the same date, or if no building permit or change of use permit application was submitted, then the director shall determine compliance based on the date a complete business license application was submitted; and

(4) if a business license application was not submitted or more than one business license application was submitted, then the director shall determine compliance based on the totality of the circumstances, including, but not limited to, the date that a retail cannabis license application was submitted to the Washington state Liquor and Cannabis Board identifying the lot at issue, the date that the applicant entered into a lease or purchased the lot at issue for the purpose of retail cannabis use, and any other facts illustrating the timing of substantial investment in establishing a licensed retail cannabis use at the proposed location; and

c. Retail cannabis businesses licensed by the Washington state Liquor and Cannabis Board and operating within one thousand feet of each other as of August 14, 2016, and retail cannabis businesses that do not require a permit issued by King County, that received a Washington state Liquor and Cannabis Board license to operate in a location within one thousand feet of another licensed retail cannabis business before August 14, 2016, and that King County did not object to within the Washington state Liquor and Cannabis Board cannabis license application process, shall be considered nonconforming and may remain in the business's current location, subject to the provisions of K.C.C. 21A.32.020 through 21A.32.075 for nonconforming uses, except:

(1) the time periods identified in K.C.C. 21A.32.045.C. shall be six months; and

(2) the gross floor area of a nonconforming retail outlet may be increased up to the limitations in subsection B.27. of this section, subject to K.C.C. 21A.42.190.

28. If the agricultural product sales or livestock sales is associated with agricultural activities it will be reviewed in accordance with K.C.C. 21A.08.090.

B. Development conditions.

1. May be further subject to K.C.C. chapter 21A.25.
2. Only forest research conducted within an enclosed building.
3. Farm residences in accordance with K.C.C. 21A.08.030.
4. Excluding housing for agricultural workers.
5. Limited to either maintenance or storage facilities, or both, in conjunction with mineral extraction or processing operation.
6. Allowed in accordance with K.C.C. chapter 21A.30.
7. Only in conjunction with a mineral extraction site plan approved in accordance with K.C.C. chapter 21A.22.
8. Only on the same lot or same group of lots under common ownership or documented legal control, which includes, but is not limited to, fee simple ownership, a long-term lease, or an easement:
  - a. as accessory to a primary mineral extraction use; or
  - b. as a continuation of a mineral processing only for that period to complete delivery of products or projects under contract at the end of a mineral extraction.
9. Limited to mineral extraction and processing:
  - a. on a lot or group of lots under common ownership or documented legal control, which includes, but is not limited to, fee simple ownership, a long-term lease, or an easement;
  - b. that are located greater than one-quarter mile from an established residence; and
  - c. that do not use local access streets that abut lots developed for residential use.
10. Agriculture training facilities are allowed only as an accessory to existing agricultural uses and are subject to the following conditions:

- a. The impervious surface associated with the agriculture training facilities shall comprise not more than ten percent of the maximum impervious surface allowed under Ordinance 19881, ~~((s))~~Section 227 ~~((of this ordinance))~~);
- b. New or the expansion of existing structures, or other site improvements, shall not be located on class 1, 2, or 3 soils;
- c. The director may require reuse of surplus structures to the maximum extent practical;
- d. The director may require new structures to be sited near existing structures;
- e. New structures or other site improvements shall be set back a minimum distance of seventy-five feet from property lines adjoining RA, UR, and R zones;
- f. Bulk and design of structures shall be compatible with the architectural style of the surrounding agricultural community;
- g. New sewers shall not be extended to the site;
- h. Traffic generated shall not impede the safe and efficient movement of agricultural vehicles, nor shall it require capacity improvements to rural roads;
- i. Agriculture training facilities may be used to provide educational services to the surrounding rural/agricultural community or for community events. Property owners may be required to obtain a temporary use permit for community events in accordance with K.C.C. chapter 21A.32;
- j. Use of lodging and food service facilities shall be limited only to activities conducted in conjunction with training and education programs or community events held on-site;
- k. Incidental uses, such as office and storage, shall be limited to those that directly support education and training activities or farm operations; and
- l. The King County agriculture commission shall be notified of and have an opportunity to comment upon all proposed agriculture training facilities during the permit process in accordance with K.C.C. chapter 21A.40.

11. Continuation of mineral processing and asphalt/concrete mixtures and block uses after reclamation in accordance with an approved reclamation plan.

12.a. Activities at the camp shall be limited to agriculture and agriculture-oriented activities. In addition, activities that place minimal stress on the site's agricultural resources or activities that are compatible with agriculture are allowed.

- (1) passive recreation;
- (2) training of individuals who will work at the camp;
- (3) special events for families of the campers; and
- (4) agriculture education for youth.

b. Outside the camp center, as provided for in subsection B.12.e. of this section, camp activities shall not preclude the use of the site for agriculture and agricultural related activities, such as the processing of local food to create value-added products and the refrigeration and storage of local agricultural products. The camp shall be managed to coexist with agriculture and agricultural activities both on-site and in the surrounding area.

c. A farm plan shall be required for commercial agricultural production to ensure adherence to best management practices and soil conservation.

d.(1) The minimum site area shall be five hundred acres. Unless the property owner has sold or transferred the development rights as provided in subsection B.12.c.(2) of this section, a minimum of five hundred acres of the site shall be owned by a single individual, corporation, partnership, or other legal entity and shall remain under the ownership of a single individual, corporation, partnership, or other legal entity for the duration of the operation of the camp.

(2) Nothing in subsection B.12.d.(1) of this section prohibits the property owner from selling or transferring the development rights for a portion or all of the site to the King County farmland preservation program or, if the development rights are extinguished as part of the sale or transfer, to a nonprofit entity approved by the director;

e. The impervious surface associated with the camp shall comprise not more than ten percent of the maximum impervious surface allowed under Ordinance 19881, ~~((s))~~Section 227 ~~((of this ordinance))~~;

f. Structures for living quarters, dining facilities, medical facilities, and other nonagricultural camp activities shall be located in a camp center. The camp center shall be no more than fifty acres and shall be depicted on a site plan. New structures for nonagricultural camp activities shall be sited near existing structures;

g. To the extent practicable, existing structures shall be reused. The applicant shall demonstrate to the director that a new structure for nonagricultural camp activities cannot be practicably accommodated within an existing structure on the site, though cabins for campers shall be allowed only if they do not already exist on-site;

h. Camp facilities may be used to provide agricultural educational services to the surrounding rural and agricultural community or for community events. If required by K.C.C. chapter 21A.32, the property owner shall obtain a temporary use permit for community events;

i. Lodging and food service facilities shall only be used for activities related to the camp or for agricultural education programs or community events held on-site;

j. Incidental uses, such as office and storage, shall be limited to those that directly support camp activities, farm operations, or agricultural education programs;

k. New nonagricultural camp structures and site improvements shall maintain a minimum set-back of seventy-five feet from property lines adjoining RA, UR, and R zones;

l. Except for legal nonconforming structures existing as of January 1, 2007, camp facilities, such as a medical station, food service hall, and activity rooms, shall be of a scale to serve overnight camp users;

m. Landscaping equivalent to a type III landscaping screen, as provided for in K.C.C. 21A.16.040, of at least twenty feet shall be provided for nonagricultural structures and site improvements located within two hundred feet of an adjacent RA, UR, and R zoned property not associated with the camp;

- n. New sewers shall not be extended to the site;
- o. The total number of persons staying overnight shall not exceed three hundred;
- p. The length of stay for any individual overnight camper, not including camp personnel, shall not exceed ninety days during a three-hundred-sixty-five-day period;
- q. Traffic generated by camp activities shall not impede the safe and efficient movement of agricultural vehicles nor shall it require capacity improvements to rural roads;
- r. If the site is adjacent to an arterial roadway, access to the site shall be directly onto the arterial unless the county road engineer determines that direct access is unsafe;
- s. If direct access to the site is via local access streets, transportation management measures shall be used to minimize adverse traffic impacts;
- t. Camp recreational activities shall not involve the use of motor vehicles unless the motor vehicles are part of an agricultural activity or are being used for the transportation of campers, camp personnel, or the families of campers. Camp personnel may use motor vehicles for the operation and maintenance of the facility. Client-specific motorized personal mobility devices are allowed; and
- u. Lights to illuminate the camp or its structures shall be arranged to reflect the light away from any adjacent property.

13. Limited to digester receiving plant, animal, or other organic waste from agricultural activities, and including electrical generation, as follows:

- a. the digester shall be included as part of a Washington state Department of Agriculture approved dairy nutrient plan;
- b. the digester shall process at least seventy percent livestock manure or other agricultural organic material from farms in the vicinity, by volume;
- c. imported organic waste-derived material, such as food processing waste, may be processed in the digester for the purpose of increasing methane gas production for beneficial use, but shall not exceed thirty

percent of volume processed by the digester; and

d. the use shall be accessory to an operating dairy or livestock operation.

14. Farm worker housing. Either:

a. Temporary farm worker housing subject to the following conditions:

(1) The housing shall be licensed by the Washington state Department of Health under chapter 70.114A RCW and chapter 246-358 WAC, unless it falls below the threshold for licensing in WAC 246-358-025;

(2) Water supply and sewage disposal systems are subject to approval by public health - Seattle & King County;

(3) To the maximum extent practical, the housing should be located on nonfarmable areas that are already disturbed and should not be located in the floodplain or in a critical area or critical area buffer; and

(4) The property owner shall file with the department of executive services, records and licensing services division, a notice approved by the department identifying the housing as temporary farm worker housing and that the housing shall be occupied only by agricultural employees and their families while employed by the owner or operator or on a nearby farm. The notice shall run with the land; or

b. Permanent farmworker housing for agricultural employees who are employed by the owner or operator of the farm year-round as follows:

(1) Not more than:

(a) one agricultural employee dwelling unit on a site less than twenty acres;

(b) two agricultural employee dwelling units on a site of at least twenty acres and less than fifty acres;

(c) three agricultural employee dwelling units on a site of at least fifty acres and less than one-hundred acres; and

(d) four agricultural employee dwelling units on a site of at least one-hundred acres, and one

additional agricultural employee dwelling unit for each additional one hundred acres thereafter;

(2) If the primary use of the site changes to a nonagricultural use, all agricultural employee dwelling units shall be removed;

(3) The applicant shall file with the department of executive services, records and licensing services division, a notice approved by the department that identifies the agricultural employee dwelling units as accessory and that the dwelling units shall only be occupied by agricultural employees who are employed by the owner or operator year-round. The notice shall run with the land. The applicant shall submit to the department proof that the notice was filed with the department of executive services, records and licensing services division, before the department approves any permit for the construction of agricultural employee dwelling units;

(4) An agricultural employee dwelling unit shall not exceed a floor area of one thousand square feet and may be occupied by no more than eight unrelated agricultural employees;

(5) To the maximum extent practical, the housing should be located on nonfarmable areas that are already disturbed;

(6) One off-street parking space shall be provided for each agricultural employee dwelling unit; and

(7) The agricultural employee dwelling units shall be constructed in compliance with K.C.C. Title 16.

15. Cannabis production by cannabis producers licensed by the Washington state Liquor and Cannabis Board is subject to the following standards:

a. Only allowed on lots of at least four and one-half acres;

b. With a lighting plan, only if required by and that complies with K.C.C. 21A.12.220.A.2.;

c. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before

cannabis products are imported onto the site;

d. Production is limited to outdoor, indoor within cannabis greenhouses, and within structures that are nondwelling unit structures that exist as of October 1, 2013, subject to the size limitations in subsection B.15.e. of this section;

e. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080 shall be limited to a maximum aggregated total of two thousand square feet and shall be located within a fenced area or cannabis greenhouse that is no more than ten percent larger than that combined area, or may occur in nondwelling unit structures that exist as of October 1, 2013;

f. Outdoor production area fencing as required by the Washington state Liquor and Cannabis Board, cannabis greenhouses and nondwelling unit structures shall maintain a minimum street setback of fifty feet and a minimum interior setback of thirty feet; and

g. If the two-thousand-square-foot-per-lot threshold of plant canopy combined with area used for processing under K.C.C. 21A.08.080 is exceeded, each and every cannabis-related entity occupying space in addition to the two-thousand-square-foot threshold area on that lot shall obtain a conditional use permit as required in subsection B.22. of this section.

16. Cannabis production by cannabis producers licensed by the Washington state Liquor and Cannabis Board is subject to the following standards:

a. Cannabis producers in all RA zoned areas except for Vashon-Maury Island, that do not require a conditional use permit issued by King County, that receive a Washington state Liquor and Cannabis Board license business before October 1, 2016, and that King County did not object to within the Washington state Liquor and Cannabis Board cannabis license application process, shall be considered nonconforming as to subsection B.16.d. and h. of this section, subject to the provisions of K.C.C. 21A.32.020 through 21A.32.075 for nonconforming uses;

b. In RA zones, only with a lighting plan that complies with K.C.C. 21A.12.220.A.2.;

- c. Only allowed on lots of at least four and one-half acres on Vashon-Maury Island;
- d. Only allowed in the RA-10 or the RA-20 zone, on lots of at least ten acres, except on Vashon-Maury Island;
- e. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site;
- f. Production is limited to outdoor, indoor within cannabis greenhouses, and within nondwelling unit structures that exist as of October 1, 2013, subject to the size limitations in subsection B.16.g. of this section; and
- g. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080 shall be limited to a maximum aggregated total of two thousand square feet and shall be located within a fenced area or cannabis greenhouse, that is no more than ten percent larger than that combined area, or may occur in nondwelling unit structures that exist as of October 1, 2013;
- h. Outdoor production area fencing as required by the Washington state Liquor and Cannabis Board and cannabis greenhouses shall maintain a minimum street setback of fifty feet and a minimum interior setback of one hundred feet; and a minimum setback of one hundred fifty feet from any existing residence; and
- i. If the two-thousand-square-foot-per-lot threshold of plant canopy within fenced areas or cannabis greenhouses is exceeded, each and every cannabis-related entity occupying space in addition to the two-thousand-square-foot threshold area on that lot shall obtain a conditional use permit as required in subsection B.17. of this section.

17. Cannabis production by cannabis producers licensed by the Washington state Liquor and Cannabis Board is subject to the following standards:

- a. Only allowed on lots of at least four and one-half acres on Vashon-Maury Island;

- b. Only allowed in the RA-10 or the RA-20 zone, on lots of at least ten acres, except on Vashon-Maury Island;
  - c. In RA zones, only with a lighting plan that complies with K.C.C. 21A.12.220.A.2.;
  - d. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site;
  - e. Production is limited to outdoor and indoor within cannabis greenhouses subject to the size limitations in subsection B.17.f. of this section;
  - f. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080 shall be limited to a maximum aggregated total of thirty thousand square feet and shall be located within a fenced area or cannabis greenhouse that is no more than ten percent larger than that combined area; and
  - g. Outdoor production area fencing as required by the Washington state Liquor and Cannabis Board, and cannabis greenhouses shall maintain a minimum street setback of fifty feet and a minimum interior setback of one hundred feet, and a minimum setback of one hundred fifty feet from any existing residence.
- 18.a. Production is not allowed in the White Center unincorporated activity center;
- b. Production is limited to indoor only;
  - c. With a lighting plan only as required by and that complies with K.C.C. 21A.12.220.A.2.;
  - d. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site; and
  - e. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for

processing under K.C.C. 21A.08.080, shall be limited to a maximum aggregated total of two thousand square feet and shall be located within a building or tenant space that is no more than ten percent larger than the plant canopy and separately authorized processing area; and

f. If the two-thousand-square-foot-per-lot threshold is exceeded, each and every cannabis-related entity occupying space in addition to the two-thousand-square foot threshold area on that parcel shall obtain a conditional use permit as required in subsection B.19. of this section.

19.a. Production is not allowed in the White Center unincorporated activity center;

b. Production is limited to indoor only;

c. With a lighting plan only as required by and that complies with K.C.C. 21A.12.220.A.2.;

d. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site; and

e. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080, shall be limited to a maximum aggregated total of thirty thousand square feet and shall be located within a building or tenant space that is no more than ten percent larger than the plant canopy and separately authorized processing area.

20.a. Production is limited to indoor only;

b. With a lighting plan only as required by and that complies with K.C.C. 21A.12.220.A.2.;

c. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site;

d. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for

processing under K.C.C. 21A.08.080, shall be limited to a maximum aggregated total of two thousand square feet and shall be located within a building or tenant space that is no more than ten percent larger than the plant canopy and separately authorized processing area; and

e. If the two-thousand-square-foot-per-lot threshold is exceeded, each and every cannabis-related entity occupying space in addition to the two-thousand-square-foot threshold area on that lot shall obtain a conditional use permit as required in subsection B.21. of this section.

21.a. Production is limited to indoor only;

b. With a lighting plan only as required by and that complies with K.C.C. 21A.12.220.A.2.;

c. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site; and

d. Per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080, shall be limited to a maximum aggregated total of thirty thousand square feet and shall be located within a building or tenant space that is no more than ten percent larger than the plant canopy and separately authorized processing area.

22. Cannabis production by cannabis producers licensed by the Washington state Liquor and Cannabis Board is subject to the following standards:

a. With a lighting plan only as required by and that complies with K.C.C. 21A.12.220.A.2.;

b. Only allowed on lots of at least four and one-half acres;

c. Only with documentation that the operator has applied for a Puget Sound Clean Air Agency Notice of Construction Permit. All department permits issued to either cannabis producers or cannabis processors, or both, shall require that a Puget Sound Clean Air Agency Notice of Construction Permit be approved before cannabis products are imported onto the site;

d. Production is limited to outdoor, indoor within cannabis greenhouses, and within structures that are nondwelling unit structures that exist as of October 1, 2013, subject to the size limitations in subsection B.22. e. and f. of this section;

e. On lots less than ten acres, per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080 shall be limited to a maximum aggregated total of five thousand square feet and shall be located within a fenced area or cannabis greenhouse that is no more than ten percent larger than that combined area, or may occur in nondwelling unit structures that exist as of October 1, 2013;

f. On lots ten acres or more, per lot, the plant canopy, as defined in WAC 314-55-010, combined with any area used for processing under K.C.C. 21A.08.080 shall be limited to a maximum aggregated total of ten thousand square feet, and shall be located within a fenced area or cannabis greenhouse that is no more than ten percent larger than that combined area, or may occur in nondwelling unit structures that exist as of October 1, 2013; and

g. Outdoor production area fencing as required by the Washington state Liquor and Cannabis Board, cannabis greenhouses and nondwelling unit structures shall maintain a minimum street setback of fifty feet and a minimum interior setback of one hundred feet, and a minimum setback of one hundred fifty feet from any existing residence.

23. The storage and processing of nonmanufactured source separated organic waste that originates from agricultural operations and that does not originate from the site, if:

a. agricultural is the primary use of the site;

b. the storage and processing are in accordance with best management practices included in an approved farm plan; and

c. except for areas used for manure storage, the areas used for storage and processing do not exceed three acres and ten percent of the site.

24.a. For activities relating to the processing of crops or livestock for commercial purposes, including associated activities such as warehousing, storage, including refrigeration, and other similar activities and excluding winery, brewery, distillery (~~(facility I, II, III)~~), and remote tasting room uses:

(1) limited to agricultural products and sixty percent or more of the products processed shall be grown in the Puget Sound counties. At the time of initial application, the applicant shall submit a projection of the source of products to be produced;

(2) in the RA and UR zones, only allowed on sites of at least four and one-half acres;

(3)(a) as a permitted use, the floor area devoted to all processing shall not exceed two thousand square feet, unless located in a building designated as an historic resource under K.C.C. chapter 20.62. The agricultural technical review committee, as established in K.C.C. 21A.42.300, may review and approve an increase in the processing floor area as follows: up to three thousand five hundred square feet of floor area may be devoted to all processing in the RA zones or on farms less than thirty-five acres located in the A zones or up to seven thousand square feet on farms greater than thirty-five acres in the A zone; and

(b) as a permitted use, the floor area devoted to all warehousing, refrigeration, storage, or other similar activities shall not exceed two thousand square feet, unless located in a building designated as historic resource under K.C.C. chapter 20.62. The agricultural technical review committee, as established in K.C.C. 21A.42.300, may review and approve an increase of up to three thousand five hundred square feet of floor area devoted to all warehousing, storage, including refrigeration, or other similar activities in the RA zones or on farms less than thirty-five acres located in the A zones or up to seven thousand square feet on farms greater than thirty-five acres in the A zone;

(4) in the A zone, structures and areas used for processing, warehousing, refrigeration, storage, and other similar activities shall be located on portions of agricultural lands that are unsuitable for other agricultural purposes, such as areas within the already developed portion of such agricultural lands that are not available for direct agricultural production, or areas without prime agricultural soils; and

(5) structures and areas used for processing, warehousing, storage, including refrigeration, and other similar activities shall maintain a minimum distance of seventy-five feet from property lines adjoining RA, UR, and R zones, unless located in a building designated as historic resource under K.C.C. chapter 20.62.

b. For activities relating to the retail sale of agricultural products, except livestock:

(1) sales shall be limited to agricultural products and locally made arts and crafts;

(2) in the RA and UR zones, only allowed on sites at least four and one-half acres;

(3) as a permitted use, the covered sales area shall not exceed three thousand five hundred square feet, unless located in a building designated as a historic resource under K.C.C. chapter 20.62. The agricultural technical review committee, as established in K.C.C. 21A.42.300, may review and approve an increase of up to five thousand square feet of covered sales area;

(4) forty percent or more of the gross sales of agricultural product sold through the store shall be sold by the producers of primary agricultural products;

(5) sixty percent or more of the gross sales of agricultural products sold through the store shall be derived from products grown or produced in the Puget Sound counties. At the time of the initial application, the applicant shall submit a reasonable projection of the source of product sales;

(6) tasting of products, in accordance with applicable health regulations, is allowed;

(7) storage areas for agricultural products may be included in a farm store structure or in any accessory building; and

(8) outside lighting is allowed if there is no off-site glare.

c. Retail sales of livestock is allowed only as accessory to raising livestock.

d. Farm operations, including equipment repair and related facilities, except that:

(1) the repair of tools and machinery is limited to those necessary for the operation of a farm or forest;

(2) in the RA and UR zones, only allowed on sites of at least four and one-half acres;

(3) the size of the total repair use is limited to one percent of the farm size in the A zone, and up to one percent of the size in other zones, up to a maximum of five thousand square feet unless located within an existing farm structure, including, but not limited to, barns, existing as of December 31, 2003; and

(4) Equipment repair shall not be allowed in the Forest zone.

e. The agricultural technical review committee, as established in K.C.C. 21A.42.300, may review and approve reductions of minimum site sizes in the RA, UR, and R zones and minimum setbacks from RA, UR, and R zones.

25. The department may review and approve establishment of agricultural support services in accordance with the code compliance review process in K.C.C. 21A.42.300 only if:

a. project is sited on lands that are unsuitable for direct agricultural production based on size, soil conditions, or other factors and cannot be returned to productivity by drainage maintenance; and

b. the proposed use is allowed under any Farmland Preservation Program conservation easement and zoning development standards.

26. The agricultural technical review committee, as established in K.C.C. 21A.42.300, may review and approve establishment of agricultural support services only if the project site:

a. adjoins or is within six hundred sixty feet of the agricultural production district;

b. has direct vehicular access to the agricultural production district;

c. except for farm worker housing, does not use local access streets that abut lots developed for residential use; and

d. has a minimum lot size of four and one-half acres.

27. The agricultural technical review committee, as established in K.C.C. 21A.42.300, may review and approve establishment of agricultural support services only if the project site:

a. is outside the urban area;

b. adjoins or is within six hundred sixty feet of the agricultural production district;

- c. has direct vehicular access to the agricultural production district;
  - d. except for farm worker housing, does not use local access streets that abut lots developed for residential use; and
  - e. has a minimum lot size of four and one-half acres.
28. Only allowed on properties that are outside the urban area.
29. Battery energy storage systems are considered a resource accessory use when the total system capacity is two megawatts or less, and:
- a. the system provides electricity for on-site use only, with "on-site use" including net metering as well as charging of vehicles on-site or in the right-of-way immediately adjacent to the site; or
  - b. the system is intended primarily for on-site use, but also participates in load sharing or another grid-connected electricity-sharing arrangement.
- 30.a. Permitted as a primary use or an accessory use, except in accordance with subsection B.30.g. of this section;
- b. A sufficient water supply shall be available to support cultivation practices on-site;
  - c. The site shall be designed and maintained to prevent water and fertilizer runoff onto adjacent properties;
  - d. Compost materials shall be stored at least twenty feet from interior lot lines and in a manner that minimizes odors and is not visible from adjacent properties;
  - e. Raising livestock and small animals, animal mortality management, and on-site animal waste storage, disposal, and processing is not allowed;
  - f. In the R-1 through R-48 zones:
    - (1) The total lot area devoted to the use shall not exceed four thousand square feet.
    - (2) Structures used for agricultural activities:
      - (a) shall not exceed one thousand square feet in gross floor area per lot;

(b) shall not exceed twelve feet in height, including any pitched roof;

(c) shall be limited to raised garden beds, greenhouses, hoop houses, storage sheds, cold frames, and rain barrel systems; and

(d) are also subject to the development standards that would apply to an accessory structure in the zone, if the use is accessory;

(3) Only mechanical equipment designed for household use may be used;

(4) Retail sales and all other public use shall begin no earlier than 8:00 a.m. and end by 7:00 p.m.;

(5) Commercial deliveries and pickups are limited to one per day. On-site sales are not considered commercial pickups;

(6) No more than two motor vehicles dedicated to the use shall be stored on-site, each with a gross vehicle weight of ten thousand pounds or less; and

(7) One identification sign is allowed, not exceeding one-hundred square inches in area; and

g. A conditional use permit is required on properties twenty acres or more in size in the R-1 zone, or to exceed the limitations of subsection B.30.f. of this section in the R-1 through R-48 zones. Conditional use permits shall not be granted for properties with an urban separator land use designation.

31. Digester shall be limited to processing of waste generated on-site only.

32. Covered riding arenas are subject to K.C.C. 21A.30.030 and shall not exceed twenty thousand square feet. Stabling areas, whether attached or detached, shall not be counted in this calculation.

SECTION 8. Ordinance 19881, Section 177, and K.C.C. 21A.xx.xxx are hereby amended to read as follows:

A.1. The required number of off-street parking spaces shall be provided in accordance with the table in this section. If a parking standard for a use is not specified in this chapter, the Director shall establish the minimum parking requirement.

2. Off-street parking ratios shall be based on the usable or net floor area, exclusive of nonoccupied

areas. For the purposes of calculating parking, "nonoccupied areas" include, but are not limited to, building maintenance areas, storage areas, closets, or restrooms.

3. If the calculation for determining the number of off-street parking spaces results in a fraction, the number of off-street parking spaces shall be rounded to the nearest whole number with fractions of 0.50 or greater rounded up and fractions below 0.50 rounded down.

B. An applicant may request a modification of the minimum required number of parking spaces by demonstrating that parking demand can be met with a reduced parking requirement. In such cases, the director may approve a reduction of up to fifty percent of the minimum required number of spaces.

C. When the county has received a shell building permit application, off-street parking requirements shall be based on the possible tenant improvements or uses authorized by the zoning classification and compatible with the limitations of the shell permit. When the range of possible uses result in different parking requirements, the director will establish the amount of parking based on a likely range of uses.

D. Where other provisions of this code stipulate maximum parking allowed or reduced minimum parking requirements, those provisions shall apply.

E.1. In any development required to provide six or more parking spaces, bicycle parking shall be provided. Bicycle parking shall be bike racks or locker-type parking facilities unless otherwise specified.

2. At least one bicycle parking space for every twelve required parking spaces except as follows:

a. The director may reduce bicycle parking facilities for patrons when it is demonstrated that bicycle activity will not occur at that location.

b. The director may require additional spaces when it is determined that the use or its location will generate a high volume of bicycle activity. Such a determination will include, but not be limited to, the following uses:

- (1) Park/playfield;
- (2) Marina;
- (3) Library/museum/arboretum;
- (4) Elementary/secondary school;
- (5) Sports club; or
- (6) Retail business (when located along a developed bicycle trail or designated bicycle route).

3. Bicycle parking for patrons shall be located within 100 feet of the building entrance and shall be designed to allow either a bicycle frame or wheels to be locked to a structure attached to the pavement.

4. All bicycle parking and storage shall be located in safe, visible, and well-lit areas that do not impede pedestrian or vehicle traffic flow.

5. When more than ten people are employed on-site, enclosed locker-type parking facilities for employees shall be provided. The director shall allocate the required number of parking spaces between bike rack parking and enclosed locker-type parking facilities.

6. One indoor bicycle storage space shall be provided for every two dwelling units in townhouses and apartments, unless individual garages are provided for every unit. The director may reduce the number of bicycle parking spaces if indoor storage facilities are available to all residents.

2. For the purposes of this section, previous similar code violations that can serve as a basis for a

higher level of civil penalties include violations of the same chapter of the King County Code. Any citation, stop work order, or notice and order previously issued by the department shall not constitute a previous code violation for the purposes of this section if that stop work order or notice and order was appealed and subsequently reversed.

B. The penalties assessed pursuant to this section for any failure to comply with a notice and order or voluntary compliance agreement shall be assessed daily, according to the schedule in subsection A of this section, for the first thirty days following the date the notice and order or voluntary compliance agreement required the code violations to have been cured. If after thirty days the person responsible for code compliance has failed to satisfy the notice and order or voluntary compliance agreement, penalties shall be assessed daily at a rate of double the rate for the first thirty days. Penalties may be assessed daily until the person responsible for code compliance has fully complied with the notice and order.

C. Penalties based on violation of a stop work order shall be assessed, according to the schedule in subsection A. of this section, for each day the department determines that work or activity was done in violation of the stop work order.

D. Citations and cleanup restitution payments shall only be subject to a one-time civil penalty.

E. The director may suspend the imposition of additional civil penalties if the person responsible for code compliance has entered into a voluntary compliance agreement. If the person responsible for code compliance enters into a voluntary compliance agreement and cures the code violations, the director may also waive all or part of the accrued civil penalties in accordance with K.C.C. 23.32.050. Penalties shall begin to accrue again pursuant to the terms of the voluntary compliance agreement if any necessary permits applied for are denied, canceled, or not pursued, or if corrective action identified in the voluntary compliance agreement is not completed as specified.

F. The civil penalties in this section are in addition to, and not in lieu of, any penalties, sanctions, restitution, or fines provided for in any other provisions of law.

SECTION 18. Map Amendment #1 is hereby adopted, as shown in Attachment A to this ordinance.

SECTION 19. The following are hereby repealed:

- A. Ordinance 19030, Section 3;
- B. Ordinance 19030, Section 4, and K.C.C. 6.74.010;
