A. The King County radio communication services section provides essential emergency radio

B. The radio communication services section needs to continue the antenna lease with KCTS Television  
in Seattle ("KCTS") and lease antenna, equipment connections, and related storage space from the city of

Marysville ("Marysville") to support the emergency radio communication networks.

C. The King County executive has negotiated and executed leases to provide locations for radio communication services section facilities to provide essential emergency communication networks. These leases are:

C. In accordance with K.C.C. 4.04.040, the King County council may adopt an ordinance permitting the county to enter into contracts requiring the payment of funds from the appropriation of subsequent fiscal years. These leases are subject to K.C.C. 4.04.040.

SECTION 2. The appropriate county officials, agents and employees are hereby authorized to take all actions necessary to implement these leases and all actions up to now taken by county officials, agent and employees consistent with the terms and purposes of the lease agreement are hereby ratified, confirmed and approved.

SECTION 3. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the county is declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements are null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and in no way affect the validity of the other provisions of this ordinance or of the lease.

SECTION 4. The leases at the following locations, executed by the King County executive, are hereby approved:

- A. KCTS Television Tower Site, Attachment A to this ordinance; and
- B. City of Marysville Water Tank Communications Site, Attachment B to this ordinance.
