D. Undertaking to Provide Ongoing Disclosure.

1. Contract/Undertaking. This section D. constitutes the county's limited written undertaking for the benefit of the owners and beneficial owners of the Notes as required by section (b)(5)(i)(C) of rule 15c2-12 (the "rule") of the Securities and Exchange Commission.

2. Material Events. The county agrees to provide or cause to be provided, in a timely manner not in excess of ten business days after the occurrence of the event, to the MSRB, notice of the occurrence of any of the following events with respect to the Notes:

- (a) principal and interest payment delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Notes, or other material events affecting the tax status of the Notes;
- (g) modifications to rights of Noteholders, if material;
- (h) Note calls, if material, and tender offers;
- (i) defeasances;
- (j) release, substitution or sale of property securing repayment of the Notes, if material; and
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership, or similar event of the county;
- (m) the consummation of a merger, consolidation or acquisition involving the county or the sale of all or substantially all of the assets of the county, other than in the ordinary course of business, the entry into a

definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

(n) appointment of a successor or additional trustee or the change of name of a trustee, if material.

Solely for purposes of disclosure, and not intending to modify this undertaking, the county advises with reference to items (c), (j) and (n) above that no debt service reserves secure payment of either series of the Notes, no property secures repayment of either series of the Notes, and there is no trustee for either series of the Notes.

3. Electronic Format; Identifying Information. The county agrees that all documents provided to the MSRB pursuant to this section D. shall be provided in an electronic format and accompanied by such identifying information, each as prescribed by the MSRB.

4. Termination/Modification. The county's obligations to provide notices of material events shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Notes. This section D., or any provision hereof, shall be null and void if the county (i) obtains an opinion of nationally recognized bond counsel to the effect that those portions of the rule which require this section D., or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Notes; and (ii) notifies the MSRB of such opinion and the cancellation of this section D.

Notwithstanding any other provision of this motion, the county may amend this section D., and any provision of this section D. may be waived, with an approving opinion of nationally recognized bond counsel and in accordance with the rule.

5. Note Owners' Remedies Under This Section D. The right of any Note owner or beneficial owner of Notes to enforce the provisions of this section D. shall be limited to a right to obtain specific enforcement of the county's obligations hereunder, and any failure by the county to comply with the provisions of this undertaking shall not be an event of default with respect to the Notes. For purposes of this section D., "beneficial owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of

ownership of, any Notes, including persons holding Notes through nominees or depositories.

E. Further Authority. The county officials, their agents, and representatives are hereby authorized and directed to do everything necessary for the prompt issuance and delivery of the Notes, for the preparation, execution and delivery of the final official statement for the sale of the Notes, and for the proper use and application of the proceeds of such sale.

F. Severability. The covenants contained in this motion shall constitute a contract between the county and the owners of each and every Note. If any one or more of the covenants or agreements provided in this motion to be performed on the part of the county shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this motion and shall in no way affect the validity of the other provisions of this motion or of the Notes.
