the proposed amendment to the King County Comprehensive Plan in 2012 in

accordance with K.C.C. 20.18.060.

WHEREAS, King County enacted the 1994 King County Comprehensive Plan (Plan) to meet the

requirements of the Washington State Growth Management Act, and

WHEREAS, King County Code 20.18 establishes a process for amending the Plan and a program for

public participation and states that every four years, beginning in 2000, the county shall complete

comprehensive review of the Plan and consider substantive amendments to the Plan, and

WHEREAS, the year 2012 marks the fourth four-year review of the Plan, and

WHEREAS, the Washington State Growth Management Act requires King County to review, and if needed revise at least every ten years, its designated urban growth area boundaries in order to accommodate the urban growth projected for the succeeding twenty years, and to review, and if needed revise at least every five years, the comprehensive plan and development regulations to ensure they comply with the requirements of the Growth Management Act, and

WHEREAS, in 1992 King County drew an urban growth area boundary and since 2000, approximately 96% of the countywide residential development occurred within the urban growth area, and

WHEREAS, King County has worked hard to protect critical areas and endangered species such as salmon, has constructed affordable housing, and has committed resources to enrich its less advantaged communities, and

WHEREAS, King County must build on these successes and ensure that they continue into the future; NOW, THEREFORE, BE IT MOVED by the Council of King County:

The scope of work for the 2012 King County Comprehensive Plan Update contained in Attachment A of this motion and the work program for public involvement contained in Attachment B of this motion are hereby approved as the basis for developing

the amendments for the King County Comprehensive Plan to be transmitted to the council on March 1, 2012, and for performing the associated environmental analysis.
