A. Except as otherwise provided in this section, in performing its obligations under its contract with King County, the contractor shall not expend any time, moneys, or other resources on facilitating the civil enforcement of federal immigration law or participating in civil immigration enforcement operations, except where a state or federal law, regulation, or court order or rule so requires. However, a contractor is not prohibited from sending to, or receiving from, federal immigration authorities, the citizenship or immigration status of a person. Also, nothing in this section prohibits any contractor from sending to, receiving from, requesting from, or exchanging with any federal, state, or local government agency information regarding the immigration status of a person or from maintaining the information.

B. In providing the contracted services, a contractor shall not:

1. For purposes of execution of federal civil immigration enforcement against persons receiving services under the contract, permit ICE, CBP, or USCIS officers, agents, or representatives access to nonpublic areas of the contractor's facilities, real or personal property, equipment, or nonpublic databases or nonpublic portions of otherwise public databases, absent a judicial criminal warrant specifying the information or persons sought, or unless otherwise required by state or federal law. Notice of all attempts or requests for access to those facilities, real or personal property, equipment, nonpublic databases, or nonpublic portions of otherwise public databases, with or without a warrant, shall be immediately sent to King County in accordance with the terms of the contract. Permission given to ICE, CBP, or USCIS officers, agents, or representatives to access any such a facility, real or personal property, equipment, nonpublic database, or nonpublic portion of an

otherwise public database without a judicial criminal warrant may only be provided with the prior express, written approval of the appropriate county employee identified in the contract. All contractors shall make a good faith effort to strictly comply with this subsection; however, inadvertent or mistaken permission giving warrantless access to ICE, CBP, or USCIS officers, agents, or representatives is not a breach of contract. All contracts subject to this section entered into on or after January 1, 2026, shall include as a term of the contract the prohibitions of this subsection B.1. and identify the appropriate county employee;

2. Provide personal information relating to persons receiving services under the contract to federal immigration authorities for purpose of civil immigration enforcement, except as required by state or federal law, about any person, including place of birth or household members, the services received by the person or the person's next court date or release date, absent a warrant signed by a judge or a law requiring disclosure. All contracts subject to this section entered into on or after January 1, 2026, shall include as a term of the contract the prohibitions of this subsection B.2; and

3. Inquire about, or request information of, the citizenship, national origin, immigration status, or place of birth, from any person in the furtherance of providing services in accordance with a contract with King County unless the inquiry or request is required by state or federal law, regulation, or court order or rule, or is necessary for the contractor to effectively provide the services under the contract. The contractor may inquire about or disclose information relating to a person's citizenship, national origin, immigration status, or place of birth for the purpose of determining eligibility for benefits or seeking reimbursement from federal, state, or other third-party payers. When an inquiry about or request for information of the citizenship, national origin, immigration status, or place of birth is required or for any reason is made, the contractor shall not attempt to coerce a response. All persons to whom the inquiries or requests are made shall be explicitly informed of their right to decline to respond, free from fear or threat of retaliation.
